Revoumes is very common among women. This condition is due to anomic nerve centers. The nerve contern are the reservoir for nerve visiting. These centers become bloodless for the want of proper nutrition.

This condition is especially notionable during the warm season. Every summer an army of invalida are produced as a direct result of weak nervous queens. This could easily be overcome by the use of Peruns. Peruns strikes at the root of the trouble by correcting the digestion. Perfect digestion furnishes increased nutrition for the nerve centers. Perfectly digested food given these reservoirs of life a vitality which oresites strong, steady nerves, and in this ates strong, steady nerves, and in this manner fortifies and neurishes life.

Miss Blanche Grey, a prominent young society woman of Hemphis, Tona., in a recent letter from 174 Alabama street, recent letter from 174 Alabama street, writes: "To a society woman whose nervous force is often taxed to the
