ADIRAL KAMIMURA REPORTS SEVERE ENGAGEMENT.

THE CRUISER RURIK IS SUNK

Two of the Russian War Vessels Escaped to the Northward—Ships Reported to Be Badly Crippled—Reports that the Naval Battle is Still Raging.

TOKIO.—Vice Admiral Kamimura encountered the Russian Vladivostok squadron at dawn today north of Tsushima in the strait of Corea and attacked the enemy at once.

Vice Admiral Kamimura cables the navy department that the injuries inflicted upon his vessels were slight.

The fate of the crew of the Rurik is not known. It is presumed that many of them were killed or drowned.

The strength of the fleet under Vice Admiral Kamimura is not known, but it is presumed that he had the Admiral Suoyama with him, the Takahiko and other light cruisers.

Tokio is joyous over the news, as it gives Japan mastery of the sea and restores commerce.

Japanese guns dominate the dockyards at Port Arthur, and in view of the fact it is held to be impossible again to make repairs to the Russian battleships which have returned to Port Arthur.

The best possible naval force that Russia can concentrate at Vladivostok is four cruisers.

The Imperial prince, Hiroyan Kwacho, was slightly wounded aboard the battleship Mikasa in last Wednesday's engagement.

JAP FLEET WINS

Live on One Hundred Passengers Scuttled.

DIE IN A WRECK.

PUEBLO, Colo.—The wreck of the World's Fair flyer on the Denver & Rio Grande railroad near Eden, seven miles north of Pueblo, Sunday evening proved to have been one of the greatest railroad disasters in the history of the country.

At 8 o'clock Monday evening seventy-six bodies had been recovered and of these fifty had been identified.

At 1 o'clock Monday afternoon two bodies were taken from the stream at First street, Pueblo, more than eight miles from the point where the accident occurred.

Two carloads of human freight plunged into the raging torrent that destroyed the trestle over the usually dry arroyo known as Steele's Hollow, near Eden, about 5 o'clock Monday.

Two sleeping cars and the diner stopped at the brink of the hungry chasm filled with a boiling current that quickly snuffed out probably 100 lives.

It is confidently expected that the Turkish negotiators will accede to such a demand on the part of Mr. Leishman and it is predicted that the negotiations will be concluded successfully by Monday next.

NEWS IN NEBRASKA

FOURCLOUD HAS A BAD RECORD.

THE STATE AT LARGE.

Former Wives Either Die or Run as Result of His Brutality.

PENDER.—George Fourcloud, the Winnebago murderer, who is under arrest for the murder of Cora Elk, is a young man about 24 years old, having a criminal record.

His next was Mary Ann Decora, a beautiful young Indian girl, who soon succumbed to his brutal treatment.

She was young and buxom, evading his brutal treatment when he was intoxicated, but finally ran away from him.

His fourth was Dolly Highwood. To this girl he was legally married. After he had pounded and bruised her until she was almost killed, she ran away from him also.

Only two months ago he assaulted his mother while in a drunken brawl, breaking her arm and almost killing her.

His fifth victim, Cora Elk, who was found dead near the agency a few days ago, was also a young girl. With her he had lived but a short time.

In a drunken rage he is supposed to have kicked and bruised her until she died from these injuries.

John Fourcloud, the father of the accused, was a prominent Winnebago, having been a member of several councils of the tribe, going to Washington with other members to plead their cause to the Great Father.

The career of George has been that of a vicious inebriate, having a peculiar mania for women, and these days ago, was also a young girl. With her he had lived but a short time.

He has been bound over to the United States court and taken to Omaha for safe keeping.

Small Boy Mangled.

COLUMBUS.—Earl, the little 6-year-old son of Henry O. Studley, a farmer living five miles west of town, met with a very peculiar and painful accident.

He was riding on a sulky plow with his father. One of the horses stopped very suddenly to kick at a fly, when the little fellow fell from his seat.

The team started as suddenly as they stopped and the rolling cutter ahead of the plow ran over the back of the boy's neck, badly injuring him but it is thought that he will recover.

Get Pay for Cells.

The Van Dorn iron works of Cleveland secured \$27,510 from the state treasury, the balance due on its contract for the new cells at the penitentiary.

The treasurer, which, together with others bought during the day, reduced the amount of money in the permanent school fund from \$96,000 to \$61,000.

The treasurer also cashed \$20,099 worth of warrants for payments on the university buildings.

Touched by a Pickpocket.

OMAHA.—Although warned that pickpockets were upon the trail, Walter Fairbanks of 1435 Vine street, Denver, Colo., lost \$1,100 by the time he had reached the Union station in Omaha.

He was returning home on the golf tournament in Minneapolis when robbed.

Paroled by the Governor.
