## The Sorosis Underskirt

is by far the coolest, cleanest, and best made Underskirt. The tailored effect, so noticeable in a Sorosis Underskirt, is one of the strongest points. Each seam is strapped both under and over, making it double strong and neat in appearance. All ruffles are bound or bound and giving them a finish that is clean and crisp.

THE STYLE, HANG AND FIT OF AN UNDERSKIRT makes or mars its beauty. The wearer of a Sorosis never has that worry over for this skirt is as perfectly cut as a diamond. Made of good fabric. A perfect garment, full width, boys, bonnet, ruffled, secured about 130 inches, wonderful value for \$1.00.

An excellent reason, very dressy Underskirt, bonnet made of ruffles all joined with ruffled heading. Price \$1.25.

High grade spun class source made of ruffles, accordion pleats, stylish garment. Price \$1.50.

High grade woven full length good fabric with that ruffle, bonnet made of ruffles, see a very large sweep. Price \$2.00.

Misery other styles \$2.50, \$3.00, \$3.50, \$4.00, \$4.50.

Come in and let us show you the best thing you ever saw in the line of Underskirts.

SURPRISE—About fifteen old time lady friends of Mrs. Glack planned to surprise her at her home this afternoon in celebration of her birthday anniversary. Nearly every year these same ladies gather at her home and do honor to the occasion. Today the party met at the home of Mrs. W. T. Rieckly and from there went to the home of Mrs. Glack about three o'clock.

GAS PLANT—Excavation was begun yesterday for the building of the gas plant, which will be erected just east of the Schroeder mill. The transfer of the lot has not yet been made, but the company has an option on the lots and will no doubt make the purchase soon, as the building is to be erected within three weeks. Frederick Miller, the superintendent of construction, is in the city.

Dan Bray went to Lincoln yesterday where he will engage in trap shooting. Game Warden Carter, the possessor of the Denver trophy cup, was to defend it this afternoon on the Lincoln gun club grounds. Dan Bray is one of the best shots in the west and he has challenged Carter and will endeavor to wrest the cup from him. Mr. Bray will return home from Lincoln this evening.

Mrs. J. B. Williams has been entertaining a number of ladies from Silver Creek this week, at her home in the north west part of the city. The party arrived in Columbus Tuesday. They were entertained by Mrs. A. Heintz Tuesday evening and by Mrs. C. J. Garlow Wednesday afternoon, who had invited a few Columbus people to meet the visitors, and to enjoy a short musical program. The ladies here from Silver Creek were Mrs. Clark, Mrs. Powdell, Miss Dorrance Powdell, Miss Viola Dorrance, Mrs. Dorrance and Mrs. Frank Colton.

Edmund Vance Cooke of Cleveland gave the first number in high school lecture course last evening in the North opera house. There was a large audience present, the advance sales of season tickets being better than in previous years. The enjoyment of the evening was greatly marred by the cold condition of the building, everybody being compelled to wear their wraps in order to keep comfortable. Mr. Cooke gave an excellent entertainment, reciting entirely from his own poems. In all his selections, humorous, sentimental, pathetic and all were characteristic of the people he wished to represent.

NEW TELEPHONE LINE—A new line has been added to the Independent telephone system, this one being connected with the south line, starting between the river and extending west to the Duncan neighborhood. Not many phones have been connected yet but workmen are busy today and will soon have many of the farmers in position to talk with the many patrons of the Independent company.

DEBATE—Some of the members of the High school are organizing a debating society for the purpose of preparing for a debate with Schuyler to be held sometime in February, probably. A challenge was received from Schuyler some time ago and has been accepted. The first meeting of this society will be held next Monday afternoon after school and there will be a meeting every two weeks after this. Schuyler has a similar society.

STAR ROUTE—Star route, which accommodates farmers north and east of Columbus, will be discontinued December 1. A. L. Davies is the carrier, and has not yet decided what occupation he will pursue. The Star route patrons will be absorbed by the Richmond route, No. 1 of Columbus and No. 1 of Creston. This change will leave some of the patrons of Star route a distance of two miles from their mail boxes. The Richmond and Creston routes will be new lines started December 1. This will leave Columbus with one less rural route, Beardsley, Benson, Reed and Hall carrying the mail on the other lines.

POTATO CROP—B. Y. Lisco is known around Columbus as a successful farmer, especially in the raising of potatoes. This year he has over 1,100 bushels of Irish potatoes, of the Early Ohio variety, and they are of the best quality. Mr. Lisco always creates a demand for his crop and this year all of his potatoes were ordered before they were taken from the ground. It took about one week to pick the potatoes, with three boys in the field and one man hauling. The price of the potatoes is pretty low this year, but 1100 bushels from five acres of ground would bring a good income from land even at a low price.

Miss Jerome to give an address on "How to make a missionary meeting interesting." She had a number of devices and objects to illustrate her subject. Miss Bragge gave an address on "temperance work."

It will be interesting to all who use yeast and to many others as well, to know that Yeast Foam has been awarded the First Grand Prize at the St. Louis Exposition. This is a worthy recognition of the yeast that has practically revolutionized the bread-making art in this country. And it is true that the bread of today, as compared with that of ten or fifteen years ago is not only better made, but there is more nutriment in it on account of its greater digestibility.

This is due in a measure to the modern method of grinding wheat but really to the general use of a strictly pure yeast. As the secret of good bread is in the yeast, every housewife who uses Yeast Foam has become a practical breadmaker.

A postal card sent to the Northwestern Yeast Company, Chicago, will secure their little book "Good Bread; How to make it," which should be in every home in the land. It tells how to use Yeast Foam and gives many valuable recipes never before printed. It is well worth asking for.
