A TWENTIETH CENTURY FLYER IN THE MEDICAL FIELD.

Rheumatism Rapidly and Radically Cured. Quick Work of a Famous Remedy.

Convenience, comfort, safety, speed are demanded by the traveling public in our rapid century and the keenest intellects constantly at work on these problems are making wonderful progress in the construction of the steamship and the locomotive. Like results are sought in medicines and Dr. Williams' Pink Pills for Pale People are astonishing the world by the triumphs they are winning in the rapid cure of obstinate maladies, such as rheumatism. With speed they combine convenience, perfect safety and cheap-

Here is fresh proof of their concentrated virtues: Mrs. Margaret Gantz, of No. 1527 Bodeman street, Burlington, Iowa, is an industrious German woman, who about two and a half years ago found herself in danger of losing her power to work altogether. She says: "I got rheumatism which made my knees and elbows very stiff and painfui. I had difficulty in raising my arms and I could hardly lift my feet over my doorstep. tractive Article. Japanned leather, generally called patent leather, was first made in n erica. A smooth glazed finish is first given to calfskin in France. The eather is curried expressly for this ourpose, and particular care is taken keep it as tree as possible from grease. The skins are then tacked on rames and coated with a composition

of linseed oil and umber in the procortion of eighteen gallons of oil to five of umber, boiled until nearly solid and then mixed with spirits of turpentine to the proper consistency. Lampplack is also added when the composition is applied in order to give color and body. From three to four coats of this are necessary to form a substance to receive the varnish. They are laid on with a knife or scraper. To render the goods soft and pliant each coat must be very light and thoroughly dried after each application. A thin coat is afterward applied of the same composition of proper consistency, to be put on with a brush and with sufficient lampblack boiled in it to make a perfect black. When thoroughly dry it is cut down with a scraper having turned edges, when it is ready to for the leading role. The venture cost

The principal varnish used is made of linseed oil and Russian blue, boiled to the thickness of printers' ink. It is reduced with spirits of turpentine to a suitable consistency to work with a brush and then applied in two or three separate coats, which are scraped and pumiced until the leather is perfectly filled and smooth. The finishing coat is put on with special care in a room kept closed and with the floor wet to prevent dust. The frames are then run into an oven heated to about one hundred and sev-

Don't take narcotics to deaden the pain, but remove the cause - perhaps it is caused by irregularity or womb displace ments, or the development of a tumor. Whatever it is, Lydia E. Pinkham's Vegetable Compound is guaranteed to cure it. If there is anything about your case about which you would like special

advice, write freely to Mrs. Pinkham. She will treat your letter as strictly confidential. She can surely help you, for no person in America can speak from a wider experience in treating female ills. She has helped hundreds of thousands of women back to health. Her address is Lynn. Mass., and her advice is free. You are very foolish if you do not accept her kind invitation. Details of Another Case.

"DEAR MRS. PINKHAM: - Ignorance and carelessness is the cause of most of the sufferings of women. I believe that if we properly understood the laws of health we would all be well, but if the sick women only knew the truth about Lydia E. Pinkham's Vegetable Compound, they would be saved much suffering and would soon be cured.

"I used it for five months for a local difficulty which had troubled me for years. and for which I had spent hundreds of dollars in the vain endeavor to rectify. My life forces were being sapped. and I was daily losing my vitality. "Lydia E. Pinkham's Vegetable

Compound cured me completely, and I am now enjoying the best of health, and am most grateful, and only too pleased to endorse such a great remedy." - MISS JENNIE L. EDWARDS 604 H St., N. W., Washington, D. C.

Mrs. Pinkham, whose address is Lynn, Mass., will answer cheerfully and without cost all letters addressed to her by sick women.
