THE ORDER MUST STAND.

NicCook Cannot Hope to Retain Her Land Office.

WASHINGTON-It has been reported here that indignation prevails throughout Southwestern Nebraska over the president's recent order abolishing the land office at McCook Paper Trust Controls the Market Ab- after January 31. The claim is made solutely and Has Advanced Prices that the need for this office is as great as ever, since fully 90 per cent of the homestead entries are yet lacking and lie west of McCook. Interest in the matter is also intensified by the report that the office was abolished because of some complaints which were filed last summer against F. M. Rathbone, the register, and C.

W. Barnes, the receiver. It was learned at the White house that the president merely complied with the law when he discontinued the McCook office. According to the law whenever the expenses equal onethird of the total revenue of a land office and whenever the public lands in a district are reduced to less than such office abolished. Although the fees of the McCook office for the last two quarters show an excess over remaining public lands in the district fall short of the minimum acreage necessary to continue the office. The law also provides that when a land office is located at a state capital the unfinished business of an abolished office shall be sent there for completion. For this reason the unfinished business of McCook will go to the office at Lincoin.

be abolished within a few months. AT LEWIS AND CLARK EXPO.

HABIT'S CHAIN

Certain Habits Unconsciously Formed and Hard to Break. An ingenious philosopher estimates

It sometimes requires a higher degree of heroism to break the chains of a pernicious habit than to lead a

forlorn hope in a bloody battle. A lady writes from an Indiana town: "From my earliest childhood I was lover of coffee. Before I was out of my teens I was a miserable dyspeptic, suffering terribly at times with

my stomach. "I was convinced that it was coffee that was causing the trouble and yet I could not deny myself a cup for breakfart. At the age of 36 I was in very poor health, indeed. My sister told me I was in danger of becom-

ing a coffee drunkard. "But I never could give up drinking coffee for breakfast although it kept me constantly ill, until I tried Postum. I learned to make it properly according to directions, and now we can hardly do without Postum for breakfast, and care nothing at all for

"I am no longer troubled with dvspersia, co not have spells of suffering with my stomach that used to trouble me sc when I drank coffee." Name given by Postum Co., Battle Creek, Mich.
