Annual Sale of Under-Muslin, Sale Begins Wednesday February 1st. and ends Wed. February 15th.

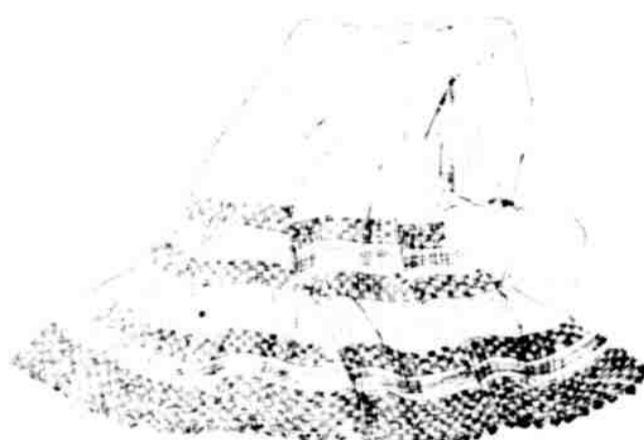

In connection with Lace Curtains, New Embroideries and 1905 white Fabrics, with prices lower and quality higher, with greater quantities, and more diversified assortments. With best facilities for showing and selling this sale means more to women and household economy than any that has gone before.

The interest will center largely in Under-Muslins..the billows and billow of whiteness will be our banner showing every garment of flawless muslins, cambric or Nainsook, stitched as exact as the most particular woman demands, as shapely as the highest skill in the land can pattern, trimmed with pretty edging, insertions, laces and ribbons. This sale will teach the economy of buying here, and the futility of trying to make, or match ours at the price.
