

Brief Telegrams

Strikers in Russia are shot down by the soldiery as they gather at their work shops. Lady Curzon of Kellistown, wife of the viceroy of India, and her three children, sailed for India. The president has decided to make no change at present in the American diplomatic representation at Panama. Emperor Nicholas of Russia clears the situation with a plain announcement that he believes the proposed land congress to be a success. The house committee on public buildings and grounds completed the details of an omnibus public building bill. It carries a total appropriation of nine and a half millions. Senator Clay introduced an amendment to the postoffice appropriation bill adding seven new sections in relation to "optiums" and "tutifers," declaring them to be in restraint of trade. Judge Steinert, on taking his place as a city magistrate in New York, put into execution his plan for ridding Gotham of its criminal population by expelling known criminals brought before him.

According to Minneapolis elevator men who operate a string of elevators throughout the Dakotas, over 2,000,000 bushels of oats have just been bought up by the agents of the Japanese government. The statement of the treasury balance in the general fund, exclusive of the \$10,000,000 gold reserve in the division of redemption, shows: Available cash balances, \$14,122,879; gold, \$56,545,625. The Department of Commerce issues statistics showing that, with the exception of Denver and Los Angeles, Washington has more deaths from consumption than any other city in the country. The prize court has adjudicated the Austrian steamer Siam, seized by the Japanese off Hokkaido January 31, while bound from Cardiff for Vladivostok with coal, and her cargo to be a legal capture. The Baltimore American last week moved into its new steam story building reared out of the ruins of the fire of last year. The building, site and plant represent an investment of \$1,000,000. It is announced that William H. Taft, secretary of war, will be the orator at the annual commencement exercises of the Yale Law school next June. Secretary Taft was graduated with the class of 1878. The Standard Oil company has curtailed its output in the Kansas field, laying off 300 men indefinitely. The action is said to be the result of an antagonistic measure passed recently by the Kansas legislature. Dr. J. E. Hester, director of the Department of Pedagogy of Indiana University, has been made an associate editor of the National Magazine for School Hygiene, published by Englishman at Leipzig, Germany. Gaston Calmette, editor of the Figaro, fought a duel with Colonel Jacquot, as a result of the publication of Jacquot's secret reports. Pistols at 25 paces were used and two shots were exchanged. Neither was hit. A letter from Senator Mitchell to his law partner in Portland, Oregon, indicating his complicity in the land frauds, was turned over to United States District Attorney Henry by the senator's private secretary. President Pro Tem eye introduced in the senate the petition of C. W. Post of Michigan, asking for the expulsion of Senator Platt of New York. The petition was referred to the senate committee on privileges and elections. The board appointed by the president to revise the Endicott plan of coast defenses, the petition of C. W. Post of Michigan, asking for the expulsion of Senator Platt of New York. The petition was referred to the senate committee on privileges and elections. Miss Frances Wakeley of Chicago, believing that she had received a divine call to offer herself as a sacrifice, poured oil on her clothing and a pile of torn books and papers on which she stood and set the whole mass on fire. At Jefferson City, Mo., an hour after she had concluded her portrayal of the death of Camille on the stage, Nellie Gibner, an actress, while on her way to the hotel from the theater, was seized with paroxysms of coughing and expired. In the German Reichstag today the government again availed declaring its policy regarding the status of the United States and other countries under the new commercial treaties, although other speakers again asked for information concerning them. The report of the death of Governor General Tserkoff, published by the London papers, is unfounded. Francis Kossuta, the leader of the victorious independence party in the Hungarian Parliament, was received in audience by Emperor Francis Joseph. The total irrigated area of the country by private enterprise is 3,500,000 acres at a cost of \$200,000,000. President Robbins of the Armour car lines says his company will go out of business in the event that Congress passes legislation cutting its profits. A committee of Kansas legislators is named to investigate hoodluming charges freely made. Emperor William of Germany is believed to have assured the United States that Germany will support its policy for the integrity of China and the "open door" in the Orient. C. W. Senator Millard introduced a bill appropriating fifty thousand dollars for a general quartermaster army supply depot at Omaha. Congressman Hepburn was presented with a silver loving cup by members of the committee who made the trip with him to Panama. Japanese armies now carefully watching the passes at Mukden for a chance of attack. John W. Foster, president of the national arbitration conference, says that he has no objection to amendment of the arbitration treaties to which the president objected.

Heir to Great Income.

The young heir to the Duke of Westminster, if he lives, will be one of the wealthiest men in Great Britain. His income will be more than a million and a quarter dollars a year. He will inherit, among other possessions, 30,000 acres, including 600 acres of the most valuable land in the West End of London, which, as years go on and leases fall in, increases constantly in value. There are also 29,400 acres waiting for him on the country. Lord Bacon on Tall Men. When King James asked Lord Keeper Bacon one day what he thought of the new French ambassador Bacon answered evasively that he was a tall and handsome man. "Yes," continued James, "but what do you think of the headpiece?" "Sire," was the answer, "I think it is like a horse's, whereon commonly the uppermost rooms are worst furnished."

Atlantic Waves. The size of the Atlantic waves has been carefully measured for the Washington Hydraulic Bureau. In height the waves usually average about thirty feet, but in rough weather they attain for forty to forty-eight feet. During storms they are often from 500 feet to 600 feet long and last ten or eleven seconds, while the longest yet known measured half a mile, and did not spend itself for twenty-three seconds. Postcard Restrictions. Picture postcards are subjected to stern censorship in some continental countries. In Russia those bearing the portrait of Tolstoy have been suppressed. Turkey forbids any postcard bearing the name of Allah or Mohammed or the portrait of a Mussulman. France will not permit the designer to ridicule the corpulence of the king of Portugal.

How to Cure Toothache. The Welsh peanary cure toothache by scarifying the gums with an iron nail, which is then driven up to the head in an elm tree, and there left. They also profess to believe that a shoe made, touched by a sick person, will cure him of an ailment in a hole previously bored in an altar tree, will carry off the disease from the patient. Millions of Vegetables. When the Editor read 10,000 plants for 1c, he could hardly believe it, but upon seeing the list he was convinced. There were these: one reliable and excellent seed growers in the world, makes this offer which is made to get you to test Salzer's Warranted Vegetable Seeds. They will send you their big plant and seed catalog, together with enough seed to grow:

1,000 lbs. solid Cabbages, 2,000 lbs. solid Turnips, 2,000 lbs. solid Potatoes, 2,000 lbs. solid Onions, 2,000 lbs. solid Lettuce, 1,000 lbs. solid Beans, 1,000 lbs. solid Peas, 1,000 lbs. solid
