unnatural, my legs and stomach were swollen, and I had no appetite. When doctors failed to help me I began using Doan's Kidney Pills and improved until my back was strong and my appetite returned. During the four years since I stopped using them I have enjoyed excellent health. The cure was permanent.

Every housekeeper should know that if they will buy Defiance Cold Water Starch for laundry use they will save not only time, because it never sticks to the iron, but because each package contains 16 oz.-one full pound-while all other Cold Water Starches are put up in 34-pound packages, and the price is the same, 10 cents. Then again because Defiance Starch is free from all injurious chemicals. If your grocer tries to sell you a 12-oz. package it is because he has a stock on hand which he wishes to dispose of before he puts in Defiance. He knows that Defiance Starch has printed on every package in large letters and figures "16 ozs." Demand Defiance and save much time and money and the annoyance of the iron sticking. When Mr. Manley disappeared the driver turned to the judge, whom he did not know, and, drawing out a cigar, said: "I suppose you don't mind if I smoke. When we are driving Mr. Manley we never light up, because he's rather a distinguished citizen. Fuller repressed a laugh and told the driver to go ahead, which he did.
