

DUNNE WINS IN CHICAGO

DEMOCRATIC CANDIDATE FOR MAYOR GETS A MAJORITY. HAS OVER 24,000 PLURALITY

Victory for Municipal Ownership of Street Railways—Defeat of Republican Candidate Due to Many Causes—Election in Other States.

Chicago, April 5.—A political tornado overwhelped one of the most ruggedly unique leaders in the country. Incidentally, the Republican party met defeat in a memorable effort to capture the majority of Chicago. As a direct result the city is officially committed to the policy of the quietest possible cessation of private franchises for public utilities. Municipal ownership is especially threatening street car lines, valued at \$100,000,000.

After winning successively four remarkable victories of independent voters against the regular Republican party organization, John Maynard Harlan, son of Associate Justice Harlan of the supreme court of the United States, was a loser as a Republican candidate for mayor. The defeat is attributed to an extraordinary whirl of causes, starting with political revenue and taking in a wide range, embracing the most up-to-date socialism as a factor. The victor is Judge Edward F. Dunne (Dem.).

Sheldon, if ever, has Chicago witnessed a more lively, picturesque contest. The city was hideous with the ringing of gun bells and the roar of cannon crackers.

The Republican candidate suffered heavily from campaign attacks, charging that he was a political assassin. Alleged members of his own party, who had been thrust from office and power largely through Harlan's aggressiveness in previous campaigns, were conspicuously absent from his support.

Judge Dunne was elected by a plurality of 24,228 and received a majority of 847 of all the votes cast. He also led the distinction of receiving the greatest number of votes in Chicago history for the office of mayor. He was given 101,428 votes out of a total of 322,773. Mr. Harlan, the Republican candidate, received 127,411; Collins, the Socialist candidate, 29,222; and Stewart (Pro), 2,380.

John F. Smulski, the Republican candidate for city attorney, was rejected over his Democratic opponent by nearly 15,000 votes. The other candidates on the Democratic city ticket were elected by pluralities somewhat smaller than Judge Dunne. Frederick W. Block was elected city treasurer and Adrian C. Anson, city clerk. The new city council will probably be Republican.

Frank D. Comerford, who was expelled by the house of representatives in the present legislature for failure to sustain charges of bribery which he made against members, was rejected in the Second District of Cook county.

In the same period the reading matter in the Journal was doubled, giving to Platte county readers the largest newspaper in the county and one of the largest in the state.

The Journal owes its largely increased circulation to the open, independent position it has taken on public questions and its news features which made it interesting to readers in all parts of the country.

The policies which have caused the Journal to grow in the past year will be followed in the future and we solicit the same liberal co-operation from our patrons in the future that has been given us in the past.

John Brock was also a candidate. And the salary of the city treasurer exceeds \$300 a year. There seems to be a considerable surplus vote in the Third ward. We call upon the Telegram to apologize to Judge Hensley and Israel Stark. For some unaccountable reason Mr. Steinman received the republican vote. This added the unanimous support of August Schack, pulled him through. If the Third ward had been there in the days of Kosciuszko to ally themselves with the Poles as they do now, Poland might have been saved from the despoiling powers.

Down in the First the spirit of old traditions of Warsaw stalked abroad and inspired his heroic descendants, who are now Americans by choice, to vote for early and often and straight. He was assisted by the spirits of Old King Corn and Old King Harley.

Juvenile Ball.

The sixth grade high school ball team drove up to Monroe yesterday and defeated a school team at that place by a score of 6 to 7. It was the first game of the season for the Sixth graders and although the young Prohibits gave them a hard chase, yet they won a clean victory. Ernst and Cole did the writing act for Columbus and the Monroites were much on the outs with their various curves and a number of strike-outs are credited to their work. Young Drawbaugh acted as backstop and did a job of catching almost as brilliant as "Bitch Freezer" of the Omaha league.

Junior Post umpired the contest and they report him as doing first class. Another game has been arranged for Saturday when both clubs will meet on the home grounds and have another battle royal. The prohibits from Monroe say in advance that they will "spike up" just a little and make the Sixth graders look like ten cents.

Woman's Club. The Shakespeare department of the Woman's Club will meet with Miss Minnie McMahon next Tuesday night at 8 o'clock. The Literary department will meet at the home of Mrs. R. E. Write or inquire for R. J. care of Journal. WANTED CATTLE TO PASTURE. I have pasture for 340 cattle. Running water, and plenty of salt. D. W. THOMAS, Columbus, Neb. The supreme after-election joke is the discovery of a ballot which here the names Hubert Barrus and Edgar Howard as members of the Board of Education. Jim Neveles was in Albion yesterday where he cast his vote. Election passed off very quiet he says, but the dry folks stood pat and voted the way they still dry for the coming season. In district court Emma Chatfield has been granted a divorce from Lowell C. Chatfield on the ground of non-support. She was allowed by the court \$130, and her maiden name of Emma Grutter restored. The valet and potted driving horse of Dr. Martyn broke its leg this morning by slipping and falling while being led to water. The animal had to be shot, to the great grief of the members of the family who prized the horse very highly.

The hunting party consisting of Earl Galley, C. A. Ernst, Will Galley and young Pifer returned yesterday from a four days' hunt on the Platte, one mile east of Silver Creek. The boys all brought back a rich brown tan, and that was not all. They had 15 geese and 57 ducks in their game sacks. And they say their good time cannot be measured by the size of the game sack, as the conditions for hunting were most excellent. A female tramp was a curiosity at the Union Pacific depot this morning. She crawled out of an east-bound stock train and proceeded into the passenger station with as much hay sticking to her clothes as wheat to stick. She was accompanied by a masculine hobo who was perhaps thirty-five years old. The woman appeared to be young and possessed good looks of an indeterminate degree. She did not wash her face, so her identity and personal beauty was effectually concealed.

Miss Margaret Schilt.

Margaret, daughter of Mr. and Mrs. William Schilt, died at seven o'clock yesterday evening at the content of Franciscan sisters in Lafayette, Ind. The cause of her death was tuberculosis of the throat.

Miss Schilt was twenty-four years old. She was born in Columbus and lived here all her life up to the time of going to Lafayette about a year ago. She was quiet, reserved disposition, and was universally a favorite with her acquaintances. She served as deputy in the office of the clerk of the district court in this county, and previously was manager of the Nebraska Telephone exchange. Her study in the Franciscan convent was with a view to becoming a teacher. Margaret leaves seven brothers and sisters, all living in Columbus: Mrs. Joseph Berner and Frank, Maryann, Anna, Fred, Elsie and Frances.

The remains will be brought home for burial, and the funeral service will be held in the Catholic church at ten o'clock Monday morning.

Pass Carrier Examination. The following names have been sent by the postoffice department as having passed the civil service examination for carriers which was held here last month: Albert L. Rollin, John E. Balem, Timothy C. Hogan, Ervin P. Wilson, Roy Ray Young, John T. Graf, Eugene W. J. Halm, Louis A. Rany, Wm. R. Snell, J. C. McGowan, Chas. H. Bean, Paul A. Jaegerl. Postmaster Kramer has not been advised of the individual grades made by the candidates at the examination. The three carriers and one substitute will be appointed by the department from the list given above on April 10, and the successful candidates will be advised of their appointment from Washington.

Base Ball. Why don't the fans get busy? The weather is right, the season is right, the friends of base ball are right, and the boys themselves are right. A good base ball team furnishes healthful diversion for the people of a community and brings money to the city. PRO-

VIDED, they play clean ball and insist that their players be gentlemen. There are enough boys in Columbus who work here and spend their money here, to make up a team that answers all the requirements of a first class team.

The Journal would like to see that team organized, and would like to see it organized along lines that would command the respect and support of our best citizens. Cut out the gambling and objectionable language from all games, exclude drunken men from the grounds, insist on the highest standard of conduct on the part of the players, and Columbus can have a ball team that will win.

The reputation of the Columbus team last year is sufficient promise that it will fulfill all these conditions this year. Let us have a team and let it be organized at once.

Mr. Patrick Buckley. Mrs. Patrick Buckley of Omaha died in this city Monday afternoon at the home of her daughter, Mrs. J. T. Dolan, after a brief illness. Miss Nellie O'Mara was born in Galena, Iowa in 1849. In 1868 she was married to Patrick Buckley in St. Louis. Twenty-two years ago she came with her husband to Omaha where she resided until last Christmas when she came with her husband to visit her two daughters here, Mrs. J. Dolan and Mrs. Wm. Dolan. Since her arrival here she has slowly failed, and coming Monday just after noon, Mrs. Buckley leaves, besides her two daughters here, three sons, Cornelius, Robert and John all of whom live in Omaha. The funeral will be held in the St. Bonaventure church at 10:30 Wednesday morning interment will be made in the Catholic cemetery.

A. W. Clark's Mother Dead. A. W. Clark was called to Ottawa, Illinois Friday by a telegram which announced the death of his mother, Mrs. Lois Clark. Mrs. Clark was ninety-five years old and has lived since 1881 with her son, G. A. Clark in Ottawa, Ill. Mr. Clark has two brothers, F. F. Clark and D. J. Clark, who live near Creston. They will join him on his sad trip to Ottawa.

BIENNIAL ELECTIONS HOLD Iowa Supreme Court Decides the Amendment is Legal. Des Moines, April 5.—The biennial election law was sustained by the supreme court. The decision was the first to be handed down after the convening of the court. W. L. Lebaugh of Story county, one of the township trustees, brought suit against the other two trustees and the clerk to restrain them from proceeding to hold an election this year, claiming that according to the constitutional amendment election, beginning this year, should be held only on even numbered years and that according to the law he was entitled to another year in office. The lower court decided in his favor and the supreme court now affirms that decision. As a result, the general elections in Iowa, heretofore held every fall, will hereafter be held only every two years.

File Complaint Against Pullman Co. Kansas, April 5.—The first important complaint made to the state board of railroad commissioners under the provisions of the railroad law was filed against the Pullman company by R. S. Cone of Garden City. Mr. Cone alleges that the rates charged by the Pullman company on all railroads in Kansas are "unjust, discriminative and unreasonable and that like services are performed elsewhere for less amounts than is charged by said company in the state of Kansas." A date for the hearing of the complaint will not be set until the Pullman company can be notified.

Terrorist Invades Hospital.

Warsaw, April 5.—While everyone was asleep in the hospital, in which are the three policemen who were injured by the explosion of a bomb which was thrown into the police station at Praca, an unknown man entered the ward and went to the bedside of Policeman Sarap, at whom he fired his revolver three times. One shot took effect in the policeman's back. The assailant escaped before the parents and attendants had time to recover from the shock and surprise. Sarap had been especially hated on account of his brutality in the recent riots.

Plot to Kill Treppoff. St. Petersburg, April 5.—The police arrested in the Nevsky prospect a man disguised as a carriage driver, presumably belonging to the same organization as the twelve persons who were arrested last week for supposed connection with terrorist schemes. There is little doubt that there was a plot directed against the life of Governor General Treppoff and the latest arrest indicates that the terrorists are acting on a concerted plan, will assassinate and kidnap to aid in actual perpetration of the assassination.

Mrs. Valentina Must Hang. New York, April 5.—Anna Valentina, who was convicted of the murder of Rosa Salm, at Roda, N. J., a year ago and whose attorneys have been making every effort to save her from the gallows, was resentence to be hanged on Friday, May 12. Sentence was passed by Judge Garretson in the supreme court at Hackensack, N. J. Mrs. Valentina's lawyers will make another appeal to the highest court and should that fail, may appeal to the supreme court of the United States on the ground that she was deprived of her constitutional rights.

French Cable Company Appeals. Caracas, Venezuela, April 5.—The French Cable company appealed from the decision of the president of the highest court to the entire court. Dispatches from Caracas, dated March 21, stated that President Anaral of the highest court had decided that the French Cable company had forfeited its franchise by failure to fulfill its part of the contract. The cable company's counter suit asks for the government for damages sustained by the company in the Matos revolution was upheld. Five days was allowed to the company to appeal to the entire court, whose decision is final.

Earthquake in India. Lahore, April 5.—Shortly after 6 a. m. a succession of severe earthquake shocks were felt here. The damage was extensive. It was inferred that there was considerable loss of life in the city, where many picturesque old houses collapsed and parts of lofty buildings crashed on small adjacent dwellings. The towers of the Golden mosque are reported to have fallen and Wazir Khan's mosque was badly cracked.

Smashers Go to Jail. Wichita, Kan., April 5.—Carrie Nation, Emma McHenry, Lydia Munns and Lucy Willard, temperance crusaders, who are awaiting trial for wrecking the glass front of a wholesale liquor house some time ago, voluntarily went to jail in order to release \$1,000 bonds furnished by Mrs. Nation. Mrs. Nation wanted the money to loan.

Thomas H. Montgomery Dead. Philadelphia, April 5.—Thomas H. Montgomery, president of the American Insurance company, died suddenly at his home here, aged seventy-five. He was one of the best known fire insurance men in the country.

Brown Elected Mayor of Lincoln. Lincoln, April 5.—Frank W. Brown (Dem.) was elected mayor of Lincoln by a plurality estimated at 800. The Republicans elected the two excise men by narrow pluralities and the balance of the city ticket by comfortable majorities. Under the new city charter, councilmen will not be elected until June. The fight centered on increased license for saloons, and with the two new excise men committed in advance, the license will probably be raised from \$1,000 to \$1,500 a year.

Close in St. Louis. St. Louis, April 5.—With 108 precincts missing out of a total of 405, Mayor Wells, Democratic nominee for reelection, is leading John A. Talty (Rep.) by 774. Neither side is claiming the victory by more than 1,000 plurality.

President on His Tour. SPECIAL TRAIN SPEEDING TO SAN ANTONIO, TEXAS. PASSES THROUGH ST. LOUIS. Large Crowd Turn Out to Meet Train in Indiana and Illinois—Appearance of Mr. Roosevelt Everywhere Greeted With Applause. St. Louis, April 5.—The special train bearing the president and party pulled into St. Louis on time last night. When the train stopped at the North Market street station President Roosevelt was at dinner and did not appear. The people congregated cheered lustily in the hope of indulging a glimpse of the president, but almost before the first cheers had died away, the switching engine began shunting the train to the Missouri, Kansas and Texas tracks. Switching continued until 8:30, when, with a long shriek from the whistle of the new engine, the train plunged into its long run to Texas, with a pilot engine running five minutes ahead.

President Roosevelt took more than a passing interest in Indiana and Illinois, the two states through which his special train passed. He discussed with his guests the relative merits of the states from an agricultural point of view and the ways of the people as displayed at the various places the special stopped or hesitated. At a dozen or more towns the train slowed down and at most of these great crowds were at the depot cheering as long as the train was in sight. He made three speeches en route. They were at Milltown, Ind., Huntington, Ind., and Mount Vernon, Ill.

FIGHT ON GIFT STILL GOES ON. Prudential Committee Refuses to Aid Protecting Ministers. Boston, April 5.—The committee of Congregational clergymen who are protesting against the acceptance by the American board of commissioners for foreign missions of John D. Rockefeller's gift of \$1,000,000 will have to conduct their crusade unassisted by the prudential committee of the American board. After a protracted conference between representatives of the protesting clergymen's committee and three members of the prudential committee, the latter refused absolutely to join the protestants in their movement to bring before the Congregational clergy of the country the reasons advanced for or against the acceptance of the gift. The protestants will continue their agitation independently. A statement was prepared immediately setting forth the protestants' side of the controversy and opposing unqualifiedly the acceptance of Mr. Rockefeller's gift. This statement will be issued in circular form and sent to each member of the American board and to every Congregational clergyman in the United States.

C. McHenry, fireman of the passenger, O. McIntyre of Pittsburg, a passenger, was badly hurt.

Receiver for Bank of Ladoga. Ladoga, Ind., April 5.—Captain J. C. Knox was appointed receiver for the Bank of Ladoga and the Hoosier Veneer plant and the Hoosier Remmeling works, the financial condition of which affected the bank and precipitated its failure. The manufacturing plants will be operated and the receipts are to be applied toward canceling the liabilities. The stockholders of the bank have decided that there shall be no criminal prosecutions, incidental to the failure of the bank. A schedule filed shows the total liabilities to be \$109,400, with total assets of \$29,200. Of the liabilities, \$9,000 is deposits.

Victim of Leprosy. Honolulu, April 5.—The Star says that Brother Seraphim Von Koop of the leper settlement at Mokolai is the victim of leprosy. His case is similar to that of Father Damien. Brother Von Koop, who is a native of Holland, went to the settlement in 1885. Eighteen months ago he detected signs of the disease in his system and came to Honolulu, where an examination confirmed his fears. He returned to the settlement, where he is now living as a ward instead of a helper.

Why Not?

book account? Do not be deterred because of the small amount of business you may be doing. We would rather have a hundred small deposits than one large one covering the same amount. Perhaps you mistrust banks, and so hide your funds in odd places about the house. This is childish. Not one bank in ten thousand fails. The safest place in the world for your funds is in a good bank. We offer you safety and profit too. Good interest on all deposits. Drafts issued on all parts of the world.

Columbus State Bank. Ermine. Monday's Daily. The Columbus Opera company gave a very fair presentation of Ermine at the North opera house Saturday night. The house was well filled and the audience appreciative.

The voice of the lady in the title role was really good and her costumes and dances were in admirable contrast to those of the rest of the cast, only excepting the "landlord's pretty wife" whose clever dances and fascinating little songs made the house clamor for more.

Jack, the leading man with his insistent pleas of "first offense, I can prove a habit!" was not up to the work of the great originator of the part, Francis Wilson, but he was entertaining. For the rest, the tenor in the second act was good and merited the encore which he received, the work of "Hoplie," was considerably overdone and that of the comedians with her languishing appreciation of "the death horn" was far.

The chorus was chiefly noticeable for its awkwardness and its unbecoming costumes of all varieties and styles.

Union Meetings. The interest in the Union Evangelistic meeting still increases. The evening Sunday afternoon was full of intense earnestness. It was again held in the large assembly hall at the "Glory Bldg." which is so strikingly borne in the London meetings. Evangelist Hurdman was at the post and he called forth earnest and devoted witnesses. "What think you of the witness?" When the great question was asked, which it would seem to cross it a body, with few exceptions, showed its loyalty on the "Yes" side. More than 100 were baptized the first time. Good news was told to individuals in many homes in the street last week with the simple suggestion, "Get right with God."

Religious tramps are plaguing the minds of citizens unaccustomed to such things. Evangelist Hurdman has been called away by the serious illness of his wife at Lincoln, but the meetings will continue as they were begun, afternoon and evening, the pasture taking time in preaching. The meeting at 8 o'clock Tuesday will be for young people and children.

Miss Rosamund Wins Second Place. (Thursday's Daily). Columbus' contestant, Miss N. Rose Rosamund, won second place, she was defeated by a small margin, by Miss Florence Conis of Ponca. This was the decision of the judges at the North Nebraska High School Declamatory contest at Norfolk last night. There were eight candidates in the dramatic class in which Miss Rosamund was entered. The number of candidates taken in connection with strenuous competition give much honor to the Columbus contestant for winning second place, and she has good reason to be proud of the result.

Cheated Death. Kidney trouble often ends fatally, but by choosing the right medicine, H. E. Wolfe, of Fair Grove, Iowa, cheated death. He says "Two years ago had kidney trouble, which caused me great pain, suffering and anxiety but I took Electric Bitters, which effected a complete cure. I have also found them of great benefit in general debility and nerve trouble, and keep them constantly on hand, since, as I find they have no equal." Chas. H. Stark druggist, guarantees them at 30 cents.
