We contend that our clothing embraces about all that the word "clothes" implies. It is not mere covering for the body for hot and cold days, but it is a recognized correctness for garments for dress; it is fashionable apparel, up-to-date attire. We are herewith illustrating our

A delegation from the Congregational church, consisting of F. A. Hofford, Mrs. Besworth, Miss Florrie Key and Rev. Townsend, went to Clark Monday to attend District Officers of Congregational churches.

H. Rice arrived home last Saturday from his trip to California. He reports his mother some better. He says every time he goes away he comes back better satisfied with Nebraska. Southern California is a beautiful place to visit, but would not suit him for a continental residence.

After Mrs. P. A. Burrows reached Lincoln last week she was taken ill, and it developed that she had the small-pox. She was taken to the detention hospital where she now is. She was pretty sick for a time but is now apparently well again, but will have to remain in seclusion for a time.

The Boone County Teachers meeting held at the high school building last Saturday was very successful and interesting. About 75 teachers were present and quite a goodly number of patrons and others interested in educational work. The program was carried out as arranged with only one exception. A new feature was exercised by pupils from different schools.

Terrific Race With Death.

"Death was fast approaching," writes Ralph Fernandez, of Tampa, Fla., describing his fearful race with death, "as a result of liver trouble and the disease, which had robbed me of sleep and of all interest in life. I had tried many different doctors and several medicines, but got no benefit until I began to use Ely's Bitters. So wonderful was their effect, that in three days I felt like a new man, and today I am cured of all my troubles. (Guaranteed at Chas. Dack's drug store price 50 cents.)

Burglars broke into the hardware store of Kennedy Bros. on Sunday night. They entered the back room through a window and then secured entrance to the store by taking through the back door. They took a number of chisels, revolvers, knives and razors and broke open two money drawers and secured a few nickels and pennies. The front door to the City Meat market was found open but nothing was missed from there.

A number of Woodmen went to Columbus Tuesday night to attend the state meeting of Modern Woodmen. About three hundred candidates were initiated from Columbus and surrounding towns. Among those who attended from here were G. Shoemaker, Geo. Chase, Chas. Restler, J. Green, R. E. Hoton, Wm. Kennedy, Chas. Peterson, Wm. Hickey, John Vaughn, Fred Horton and Otto Peterson.

Albion

(From the News.)

Crawford Kennedy came in Monday evening to spend a portion of his vacation with friends here. He still holds the position of postmaster of the

number of the family, his age being 12 years and 4 months. Sunday evening he was in the stable caring for the horses when one of them kicked him in the abdomen. He went to the hospital and told his mother what had happened and at the time it was not thought that it was serious. At ten o'clock that night Dr. Cankack was summoned, but he grew worse and Tuesday morning Dr. Evans was called from Columbus but no relief could be effected and he passed away at 2 o'clock that afternoon. The funeral was to have been held Thursday morning, but word was received from the sons, William at Cleveland, Ohio, and James at Pierre, S. D., that they would arrive Thursday evening, so the time of the funeral was changed to Friday morning at 9 o'clock from St. Joseph's church.

Wine of Cardui Cured Her.

213 South Prior Street, ATLANTA, GA., March 21, 1905.

I suffered for four months with extreme nervousness and lassitude. I had a sinking feeling in my stomach which no medicine seemed to relieve, and losing my appetite I became weak and lost my vitality. In three weeks I lost fourteen pounds of flesh and felt that I must find speedy relief to regain my health. Having heard Wine of Cardui praised by several of my friends, I sent for a bottle and was certainly very pleased with the results. Within three days my appetite returned and my stomach troubled me no more. I could digest my food without difficulty and the nervousness gradually diminished. Nature performed her functions without difficulty and I am once more a happy and well woman.

"Well, they said that you married for money."

"But you didn't believe it, did you?"

"Not until I saw your husband."

After that there came an estrangement between the two dear friends.

DRIFTING TOWARDS BRIGHT'S DISEASE

Many people who are neglecting symptoms of kidney trouble, hoping "it will wear away," are drifting towards Bright's Disease, which is kidney trouble in one of its worst forms.

FOLEY'S KIDNEY CURE

stops irregularities, strengthens the urinary organs and builds up the worn-out tissues of the kidneys so they will perform their functions properly. Healthy kidneys strain out the impurities from the blood as it passes through them. Diseased kidneys do not, and the poisonous waste matter is carried by the circulation to every part of the body, causing dizziness, headache, stomach trouble, sluggish liver, irregular heart action, etc.

If you have any signs of Kidney or Bladder Trouble commence taking FOLEY'S KIDNEY CURE at once, as it will cure a slight disorder in a few days and prevent a fatal malady. It is pleasant to take and benefits the whole system.

How to Find Out.

You can easily determine if your kidneys are out of order by getting aside for 24 hours a bottle of the urine passed upon arising. If upon examination it is cloudy or milky or has a brick-dust sediment or small particles float about in it, your kidneys are diseased, and FOLEY'S KIDNEY CURE should be taken at once.

G. B. Burdick Testifies After Four Years.

G. B. Burdick of Carlisle Center, N. Y., writes: "About four years ago I wrote you stating that I had been entirely cured of a severe kidney trouble by taking less than two bottles of Foley's Kidney Cure. It entirely stopped the brick-dust sediment and pain and symptoms of kidney disease disappeared. I am glad to say that I have never had a return of any of those symptoms during the four years that I have taken, and I am evidently cured to stay cured, and I heartily recommend Foley's Kidney Cure to any one suffering from kidney or bladder trouble."

Healthy kidneys strain out the impurities from the blood as it passes through them. Diseased kidneys do not, and the poisonous waste matter is carried by the circulation to every part of the body, causing dizziness, headache, stomach trouble, sluggish liver, irregular heart action, etc.

If you have any signs of Kidney or Bladder Trouble commence taking FOLEY'S KIDNEY CURE at once, as it will cure a slight disorder in a few days and prevent a fatal malady. It is pleasant to take and benefits the whole system.

How to Find Out.

You can easily determine if your kidneys are out of order by getting aside for 24 hours a bottle of the urine passed upon arising. If upon examination it is cloudy or milky or has a brick-dust sediment or small particles float about in it, your kidneys are diseased, and FOLEY'S KIDNEY CURE should be taken at once.

G. B. Burdick Testifies After Four Years.

G. B. Burdick of Carlisle Center, N. Y., writes: "About four years ago I wrote you stating that I had been entirely cured of a severe kidney trouble by taking less than two bottles of Foley's Kidney Cure. It entirely stopped the brick-dust sediment and pain and symptoms of kidney disease disappeared. I am glad to say that I have never had a return of any of those symptoms during the four years that I have taken, and I am evidently cured to stay cured, and I heartily recommend Foley's Kidney Cure to any one suffering from kidney or bladder trouble."
