The Bellwood Gazette states that that town has a ghost or else someone walks in his sleep. Citizens there deny the story. Many things are done by people but when an editor gets next then comes a compromise. There may be no ghosts in Bellwood but when the Gazette says there are

rumors of something suspicious in the sleeping little city on the Platte we may know that the "white knight" is not so sleepy after all.

It seems that the flower fiend was running amuck last night. Aside from the beautiful snowball tree of I. Gluck being rained, the premises of M. Vogel were raided and a quantity of his beautiful appropriated without the consent of the owner. A raid was made at the home of Mr. Frischholz and things generally disturbed there. Some of the smart party will get caught sometime when least expected and their path then will not be quite so flowery.

Monday's Daily Journal.

Some party with less brains than an ant and still less respect for himself deliberately rained the beautiful snow-ball bush in the front yard of I. Gluck's. The work was done sometime last night and the party who did it used a knife and cut several of the main limbs off near the bottom, almost ruining the entire tree. Don't know just what code of law this offense would come under but a water-olam club and a public strapping would be about the proper thing.
Miss Marion Smith, art teacher in the Columbus schools, has been elected teacher of drawing and art in the new state normal school at Kearney. The position pays a salary of \$900 a year, and the promotion is a recognition of Miss Smith's ability which is well deserved. Among those competent to judge such matters it has often been said Miss Smith has no superior in the state of Nebraska as an all-around teacher of her line. Her place will be hard to fill in the schools and she will be missed personally in social circles, but Columbus citizens will rejoice with Miss Smith in her advancement which is so fully merited.

AMERICAN YACHT WINS
ATLANTIC FINISHES FIRST IN
RACE FOR KAISER'S CUP.
MAKES RECORD-BREAKING TIME
Captain Barr's Ship Gets Across in Eleven Days, Sixteen Hours and Twenty-two Minutes—German Ship Hamburg is Second.
The Lizard, May 30.—The American three-masted schooner yacht Atlantic, owned by Wilson Marshall of the New York Yacht club, is winner of the Kaiser cup.
The Atlantic passed the line south of the Lizard lighthouse at 9:15 p. m. when a gun was fired from the German cruiser Pfeil, the stake boat, rockets being sent up from Lloyd's signal station and fog horns blown at the lighthouse.
The Atlantic proceeded from Corves, Isle of Wight, intent on beating the record. After passing Scilly the Atlantic was becalmed and had twelve hours to drift. At the Lizard she met a tremendous sea swell and for some time drifted backwards and forwards.
Captain Barr and Wilson Marshall agreed that they had made a splendid passage, without a single mishap, only experiencing one strong gale, through which the boat rode admirably. The record sail for one day was 341 knots, which Mr. Marshall believes beats anything hitherto achieved. This was made May 24.
The Atlantic reached Bishop Rock lighthouse, southwest of the main group of the Scilly isles, May 29, having accomplished the passage to that point in 11 days, 16 hours and 22 minutes, with an average of ten and a half knots per hour.
A yacht presumed to be the Hamburg, the German representative in the Kaiser cup race, was sighted ten miles southwest of Scilly islands at 7:30 o'clock this morning.
Bitter Pill for German Yachtsmen. Berlin, May 30.—The victory of the American yacht Atlantic in the race for the emperor's cup is a bitter disappointment to German yachtsmen, who had expected the success of the German yacht Hamburg, from some of the late steamer reports. The news of the Atlantic's finish reached Berlin too late for much comment in the morning papers, but the Tagblatt calls the time record absolutely phenomenal.

Slayer Goddard Captured. DeQueen, Ark., May 30.—D. T. Goddard, who killed Lee Ward near Gilham, May 19, and last night killed James Stills, a member of a posse which tried to arrest him, was captured after being wounded several times.
Matter of Application for Liquor License. Notice is hereby given that Markus Vogel and Anton Moschenroos, partners as Vogel & Moschenroos, did on the 23rd day of May, 1905, file their application with the Mayor and city council of the City of Columbus, Platte county, Nebraska, for a license to sell malt, spirituous and vinous liquors at wholesale only at lot No. 5, in block No. 38, in the Second ward of the City of Columbus Nebraska, from the 11th day of April, 1905, to the 11th day of April, 1906.
If there be no objections, remonstrances or protests filed within two weeks from the 24th day of May, 1905, said license may be granted.
