## A LAND OF WONDERS.

The Sightseer Finds Many Things of Interest in California.

California has numerous natural bridges, caves, etc. of no little interest. The Mammoth Cave of Calaveras, discovered by miners in 1850; the Alabaster Cave; the Crystal Palace Cave, containing a number of attractive subterranean apartments, such as the bridal chamber, the Crystal Palace Room. A curious apartment called Music Hall, where the deposits of aqueous origin not only take the form of organ pipes, sounding boards etc., but emit, when struck, musical sounds and vibrations. Near this cave are two natural bridges which the tourist can visit and return to the railroad within half an hour. The only natural way to reach these scenes of interest is via "The Overland Limited, Route," comprising the Union Pacific and Southern Pacific, now really one line. The only line running through trains to San Francisco from Omaha, its fast trains, serving sixteen hours ahead of all competitors. Pamphlets and maps describing the wonders of California, and full information about the most comfortable and direct route to the Pacific Coast, can be obtained of E. L. Lamax, G. F. & T. A. Omaha, Neb.

## Teacher's Institute

The Platte county Teacher's Institute will convene in the High School Building, Columbus, Nebraska, June 12, 1905 at 8:30 a. m., and continue in session one week.

A. E. Winship of Boston, Mass. will be here the full week. Dr. Winship is a member of the Massachusetts State Board of Education; editor of the "Journal of Education," author of several books; has been president of New England Editorial Association; of the Educational Press Association of America; of the American Institute of Instruction; and is active in many public-spirited associations, clubs and movements.

In securing the services of Dr. Winship Mr. Leavy is certainly fortunate.

G. F. Garret, City Supt. of the Sac City public school who has done much institute work in Nebraska and Iowa will also be here. Supt. Manville says of him: "One of the very best institute instructors I ever knew. He is an inspiration, and a power. He leaves a strong impression, what he teaches is carried into the schools & bears fruit, he is business in fine up-to-date way."

Miss Anna Vander Cook who has been institute instructor in thirteen different counties in Nebraska, in eight of which she has returned to fill second and third engagements, will have charge of the primary work.

All persons who are to teach in Platte county the ensuing year are expected to be present. With this excellent corps of instructors, teachers cannot afford to miss this institute under any circumstances.

The reception to teachers and their invited friends will be held Monday evening, June 12.

The examinations will be held in the High School assembly room June 19, 20, 21, 22.

The averages required will be the same as previous years.

L. H. LEAVY County Supt.

## Road Overseer's Salaries.

A few days ago a Journal reporter met J. E. Morrow, road overseer, opening up a road from the Hengler hay meadow about two miles north of Columbus. Discussing the extra work imposed upon the road overseer by the heavy rains, Mr Morrow said he did not believe there was a clear understanding on the part of road overseers, as to how much they were permitted by law to collect for their services. For the benefit of these officers in Platte county, the Journal quotes from the law on this subject: "The overseer shall be allowed \$2 per day, including the time necessarily spent in notifying hands, superintending the work of roads and making out his return, but he shall receive not to exceed the sum of \$20 in any one year, which sum shall be paid from the district roadfund."

## Miss Blunt.

Miss Olive Blunt, seven years a teacher and missionary in Japan now working in connection with the state W. O. T. U. will spend Sunday and Monday in Columbus with following appointments: Sunday 11 a. m. address on Japan at Baptist church and then at the Congregational church; 3 p. m. a mass meeting for children. Sunday evening Stereopticon illustrated address on Temperance at same place. Monday 3 p. m. address to W. O. T. U. Monday evening stereopticon views on Japan.

Miss Olive M. Blunt, who comes to Nebraska for two months and whom I met at the National Convention in Philadelphia, is an attractive, Christian woman. We have the finest testimonials of her work from the State President and Field Secretary of Kansas and elsewhere. Having given seven years to missionary work in Japan, she is especially fitted to interest in the temperance and missionary work. With her stereopticon she will especially please the young people. Her temperance work among children is very effective.

## Homes For Children.

Miss Carrie Stewart, Grand Island District Superintendent of the Nebraska Children's Home Society will be located with Mrs. W. A. Way, 515 West 10th street, for about two weeks.

Miss Stewart asks the co-operation of the church and benevolent people of Columbus in her efforts for the homeless, destitute and dependent children of Nebraska. Anyone knowing of Christian homes desiring to receive one of these little strangers, or of children needing the attention of such an organization, will kindly report to Miss Stewart or to any one of the Local Board members, as follows: Mrs. O. A. Lundstram, pres; Mrs. Jas. Babcock, vice pres; Mrs. W. A. Way, sec; Mrs. Stiros, treas; Mrs. Tiffany.

## Dying Of Famine.

is, in its torments, like dying of consumption. The progress of consumption, from the beginning to the very end, is a long torture, both to victim and friends. "When I had consumption in its first stage," writes Wm. Meyers, of Oearfoss, Md., "after trying different medicines and a good doctor, in vain, at last took Dr. King's New Discovery, which quickly and perfectly cured me." Prompt relief and sure cure for coughs, colds, sore throats, bronchitis, etc. Positively prevents pneumonia. Guaranteed at Chas. Dack's drug store, price 50 cents and \$1 per bottle. Trial bottle free.

No Secret About It.

It is no secret, that for cuts, burns, ulcers, sores, eyes, boils, etc., nothing is so effective as Bucklen's Arnica Salve. "It didn't take long to cure a bad sore I had, and it is all O.K. for sore eyes," writes D. L. Gregory, of Hope, Tex. 25 cents at Chas. Dack's drug store.

# KIDNEY DISEASES CAUSE ONE-THIRD OF THE TOTAL DEATHS.

When the Kidneys fail to perform their functions properly by not straining out the poisonous waste matter from the blood as it passes through them, the poisons are carried by the circulation to every part of the body, deranging the different organs. This causes heart trouble, stomach trouble, sluggish liver and a host of other ills, all due to deranged Kidneys.

# FOLEY'S KIDNEY CURE

corrects irregularities and cures Kidney and Bladder diseases in every form, tones up the whole system, and the diseases that have resulted from disordered Kidneys disappear, because the cause has been removed. Commence taking FOLEY'S KIDNEY CURE at the first sign of danger. Do not risk having Bright's Disease or Diabetes.

**CURED OF BRIGHT'S DISEASE.**  
Mr. Robert O. Burke, Kinross, Saratoga Co., N. Y., writes:—I am glad to have an opportunity of telling what magnificent results I have had from using FOLEY'S KIDNEY CURE after having tried other advertised medicines and several physicians. Before I began it I had to get up from 15 to 20 times each night to relieve my bladder. I was all bloated up with dropsy and my eyesight was so impaired that I could scarcely see one of my family across the room. In fact, I was so badly used up that I had given up hope of living when I was urged by a friend to try FOLEY'S KIDNEY CURE. One percent bottle worked wonders, and before I had taken the third bottle the superfluous flesh had gone, as well as all other symptoms of kidney trouble. My friends were surprised that I was cured, as they all thought I was going to die. Every few days some one comes from miles away to learn the name of the wonderful medicine that cured me of Bright's Disease, and not one that has tried it has failed to be benefited.
