Mrs. Brewer Asks Divorce.
(Monday's Daily)
Mrs. Minnie E. Brewer has filed suit in the district court against her husband, Wm. M. Brewer, asking to be restored to her conjugal right and for alimony sufficient to support her and to maintain the suit. The plaintiff alleges that at the time of their marriage Wm. M. Brewer owned a little home which he transferred to his mother, Jennie Brewer, without any consideration. She says that they lived together three months at the home of Mrs. Jennie Brewer, although she had other means of support and it was not necessary that her son, the plaintiff's husband, should live there. On February 25, she alleges that Mrs. Jennie Brewer assaulted her by striking her in the face and treated her in a cruel and brutal manner making it impossible to live in the same house. It is also alleged that the defendant was estranged from the plaintiff by the conduct of Jennie Brewer so that he refused to support her after she left the house of Jennie Brewer unless she would return there. The plaintiff alleges that she is the mother of an unborn child which is a part of her basis for her demand for alimony and restoration to her conjugal rights.

Orpheus Picnic.
(Monday's Daily.)
The members of the Orpheus society enjoyed themselves yesterday afternoon and evening at one of the home picnics which have become a regular summer feature with them. Card games and refreshments on the lawn furnished the afternoon entertainment. In the evening the young people indulged in a dance in the hall, with music by the Orpheus orchestra. A new feature was a gymnastic exhibition by the members of a class which is being instructed by Wm. Kersenbrock. After only a short training the young people put up an exceedingly good exhibition. The picnic was a very successful and enjoyable affair, as the Orpheus picnics always are. The company dispersed at Wiedersehn at twelve o'clock.

Memorial Services.
(Monday's Daily)
The memorial exercises of the various fraternal societies yesterday were a great success. The day was ideal and probably one thousand people participated. At 3 o'clock the members of the various lodges assembled at K. P. Hall and marched in a body to the cemetery led by the Columbus band. Each member carried a bouquet which at the cemetery was given to a committee to decorate the graves of departed brothers. R. L. Rowdter acted as marshal and Rev. Cash of the Episcopal church officiated as chaplain. At the cemetery Rev. DeWolf delivered an address which was listened to with close attention. He sketched the rapid development of the fraternal societies during the lives of the present generation, and he emphasized the importance of fraternalism as a social and spiritual factor in our present and future civilization. The practice of charity and self-sacrifice by lodge members, he said, was a part of God's plan bringing about the brotherhood of man. At the close of the address, the committees took fifteen minutes to decorate the graves which had been marked previously.

Base Ball.
The home team lost to Creston yesterday in a hotly contested game that was full of interest till the last man was called out. Lohr and Shank did the battery work for Columbus and Lewis and Ely for Creston. Both batteries did good work and both were well supported, though a few errors at critical times on both sides allowed the score to run up to 8 and 9. Lewis is a professional player from Albion who is among the best pitchers in the state, and he had no complaint to register against the husky young farmers from Creston who handled most every thing that came their way. Lohr, as usual, did heavy and steady work but the Creston boys, who have made marked improvement in their hitting ability since last season, seemed to find him for hits just at the time they counted. The Journal predicted a close game and it turned out to be the best game played here this season. In fact the game should have drawn a larger crowd and would have done so but for the celebration of memorial day by the various fraternal societies. Creston brought a good crowd considering the distance. And the boys demonstrated that they were thorough gentlemen. There was no swearing

or loud talk before, during or after the game and clean ball was played on both sides. Through Echo, Webster and Ogden Canons, bristling with marvelous scenes of western grandeur across great Salt Lakes, down the Humboldt valley and over wondrously beautiful Sierra Nevada via Union Pacific every day on "The Overland Limited" electric lighted. The finest train across the American continent. Inquire of W. H. Bonham.

St. Edward.
(From the Advance.)
Melissa Clark returned last Friday from Lincoln where she has been attending the University of Nebraska. Charles Buck returned last Saturday from Cincinnati, where he had graduated from the Cincinnati school of telegraphy. He will spend a few months at his home before going to work.
Louis Penfield returned home from Lincoln yesterday where he had been attending business college.
Peter Miller returned Tuesday from the hospital at Columbus where he had been for the last five weeks. He reports that he is recovering from the injuries received in the accident, but will need to return to the hospital again in about two weeks to have the plaster cast removed from his leg.
Joseph Westbrook suffered a severe stroke of apoplexy Monday and for several hours his physicians did not think he would recover. Later in the day, however, he rallied. His condition is still very serious and his children have been summoned to his bed-

side. His sons, Henry Westbrook of Columbus, Ansel and Jack Westbrook of Long Pine, arrived Tuesday afternoon.
By an inexcusable oversight the Advance omitted a very important item last week—the marriage of Miss Mary Kenley to Mr. James J. Cahill. The young couple were united in matrimony at the Catholic church Wednesday morning at 9 o'clock, the Rev. Father Cowley, priest in charge of the St. Edward church, officiating. Miss Ella Kenley, sister to the bride, and Mr. Frank Flaherty, cousin of the groom acted as witnesses. After the ceremony breakfast was served to the bridal party at the home of the bride's parents, Mr. and Mrs. Wm. Kenley. Mr. and Mrs. Cahill are at home to their many friends at the residence in the east part of St. Edward.
Walter E. Curry died June 11, after three weeks illness of liver and stomach trouble. Funeral services were held from the Mt. Pleasant Methodist Episcopal church Tuesday forenoon at 2 o'clock, the Rev. Callow of Lindsay officiating. The body was followed by a large procession to the Union Pacific depot accompanied by relatives to Emerson, Ia., for burial. A wife and four children, three brothers and five sisters survive him. He was a member of the St. Edward Camp M. W. A. and carried \$2,000 life insurance in that order. Mrs. Curry and her little children will move to St. Edward soon and the farm will be looked after by O. L. Dods, a brother-in-law.

No Secret About It.
It is no secret, that for cuts, burns, ulcers, sore eyes, boils, etc., nothing is so effective as Bucklen's Arnica Salve. "It didn't take long to cure a bad sore I had, and it is all O. K. for sore eyes," writes D. L. Gregory, of Hope, Tex. 25 cents at Chas. Dack's drug store.

Some Paint Facts—

1. Pure Linseed Oil is the foundation of all Paint Durability.
2. The general prejudice against Ready-Mixed Paints is based on the fact that most of them are adulterated with inferior oil.
3. All paint in first grade is a THICK PASTE, and the Ready-Mixed paint maker then dilutes every gallon of this paste with a gallon of "oil"—you have to take his word for its purity.
4. When you buy Ready-Mixed Paint, you pay the Ready-Mixed Paint price for the canned "oil," or from 2 1/2 to 3 times the market price for the fresh, pure raw oil in your local dealer's barrel.
5. There is a point where makers STOP, when the paste is completed; content with the profit on the paint alone and knowing they may 14 year old boy can mix this paste and the pure raw oil, both bought separately from the local dealer, simply stir together, gallon for gallon, no more, no less, and nothing else, and YOU know you have an absolutely pure linseed oil paint that has cost you at least 25% less than any "High Grade" Ready-Mixed Paint. An honest price for both paint and oil and your own personal knowledge of its purity and durability.
6. This paint is Kinloch House Paint, which is made in a full line of standard, popular and DURABLE colors. It is not a patent paint—it's just the good old time-tried paint materials, ground together ready for you to thin down with the pure raw oil.
