

# CHRISTMAS SHOPPING

IS AT ITS HEIGHT!

How Time Flies! Only 11 Days Until Christmas!

Some folks have described the swiftness with which Father Time cuts down the days and have been laying in Christmas Goods. Tomorrow more will remember, and the next day, still more. Are you going to wait until the last minute, when Christmas Goods are being wrapped up as swiftly as clerks can work, and the crowds are so thick that you have difficulty in getting through? Or will you take advantage of the special offers this week? Don't worry about finding the right thing to give. You have to come to GRAY'S and look around. EVERY DEPARTMENT SUGGESTS DESIRABLE PRESENTS.
