

CHEAP LAND IN KINKAID COUNTY, NEBR.

The failure of the leasing bill to pass Congress has thrown many small ranches on the market at sacrifice prices. The price of this land is adapted to the poor man who can come here, take a 640 acre homestead and buy the deeded hay and grazing land adjoining.

I have ranches that will suit either the small or large investor and will trade for land or merchandise.

The best of hay and grazing land with improvements at \$10 an acre.

Write for description of land, stating how much you want to pay or what you have to trade.

The best Land Bargains in Nebraska are in the Kinkaid district. Investigate and be convinced.

[From the Advance.]
S. J. Peterson returned last Saturday from Omaha where he had gone about a month ago with a stock shipment. As reported in a former issue of the advance Mr. Peterson was taken suddenly ill an operation was necessary to save his life. He was taken to the Swedish hospital where the operation was successfully performed, and he has returned to his home and friends almost recovered.

Frank Sharp returned home Monday to Elgin after an absence of nearly six months. Last summer he received an accidental gun-shot wound in his arm which necessitated his going to a hospital for treatment. Since coming from the hospital he has remained at the home of his sister, Mrs. E. C. Davis that he might be near his attending physicians at Columbus. His father, James Sharp, came down from Elgin Monday and accompanied him home.

Humphrey.
[From the Democrat]
Joseph Zuerline and family left yesterday for Cedar Rapids where they expect to make their future home. The Democrat regrets to see this family leave Humphrey, and we hope they will be happy and prosperous in their new home. Joe is a good workman and he ought not experience much trouble in securing all the work he wants.

The Democrat editor is in receipt of a letter from A. J. Langer formerly president of the First National Bank at this place, who is now located at Davenport, Oklahama, in which he says: "We are pleasantly situated here and our bank is doing exceedingly well. We have had no snow whatever here and farmers are through plowing and beginning to plant corn. Mrs. A. J. and son, Joseph, are in fine health. We enjoy the climax immensely."

G. B. Berhans Testifies After Four Years.

G. B. Berhans, of Carlisle Center, N. Y., writes: "About four years ago I wrote you stating that I had been entirely cured of a severe kidney trouble by taking less than two bottles of Foley's Kidney Cure. It entirely stopped the brick dust sediment, and pain and symptoms of kidney disease disappeared. I am glad to say that I have never had a return of any of those symptoms during the four years that have elapsed and I am evidently cured to stay cured, and heartily recommend Foley's Cure to any one suffering from kidney or bladder trouble." Genoa.

The notorious Ed. Fitzsimmons, who was to have appeared at Fullerton last Friday to answer the charge of having obtained money under false pretense, did not put in an appearance. Fitzsimmons' bondsmen sent Sheriff Babb to locate and arrest the fugitive.

Mrs. S. M. Rosenthal, a farmer resident of Genoa, who moved to Norfolk four years ago where Mr. Rosenthal is engaged in the mercantile business, recently underwent an operation for tumor, since which time she has been in a critical condition and an announcement of her death at any time would not be unexpected.

A dispatch was received in Genoa Thursday afternoon of last week, announcing the death of William Janning at his home in Purooli, Mo. Deceased was at one time a resident of Genoa. He left here in 1894 for Purooli, where he has since resided. He was a member in good standing of Genoa lodge of United Workmen, and carried a life insurance policy in the order to the amount of \$2000.

A message was received in Genoa Thursday morning announcing the death of W. W. Wilson at his home in Denver the evening previous. The remains are expected to arrive in Genoa Friday morning. Three daughters of the de-

ceased reside here: They are Mrs. S. A. Hawthorne, Mrs. J. P. Starr and Mrs. Thomas Baily. Mr. Wilson was a member of the Grace M. E. church of Denver, and also member of the Masonic lodge of Genoa, which order will officiate at his funeral.

The Burlington's Homeseeker's Information Bureau, which has been recently organized to assist homesteaders in getting hold of free homesteads of 640 acres in Nebraska for mixed farming and dairying, is proving a great success, and the operations of that person are now taking on useful and practical shape.

Mr. D. Clem Deaver, the agent of the bureau, has arranged to personally conduct excursions of homesteaders from and Omaha Lincoln the 1st and 3rd Tuesday of each month to the territory of these free Kinkaid lands, for the purpose of assisting desirable farmers to locate on the homesteads that are not available for a farmer to succeed by mixed farming.

Those who expect to succeed should have ready means for the immediate improvement of the land in the way of fences and buildings, and money enough to start with a herd of cows a hand cream separator. This ought to be a good opportunity for an energetic farmer of moderate means to secure a farm.

The Burlington makes no charge for the services of the agents, and Mr. Deaver has on file a complete plat of available lands in the sixteen counties along the Burlington road, where these homesteads are located.

Those desiring to obtain information relative to taking up a homestead, can obtain a folder free of cost, and further information, by calling on or writing Mr. D. Clem Deaver, agent of the Burlington's Homeseekers' Information Bureau, 1004 Farnam St., Omaha, Neb.

Do Not Be Imposed Upon.

Foley & Co., Chicago, originated Honey and Tar as a throat and lung remedy, and on account of the great merit and popularity of Foley's Honey and Tar many imitations are offered for the genuine. These worthless imitations have similar sounding names. Beware of them. The genuine Foley's Honey and Tar is in a yellow package. Ask for it and refuse any substitute. It is the best remedy for coughs and colds. McClintock & Carter.

A Food to Work On

Work! Work!! Work!!!
Lots of energy is needed to keep up the pace. In the struggle, the man with the strong body and clear brain wins out every time.
The man of to-day needs something more than mere food; he needs a food that makes energy—a food to work on.
Although some people may not realize it, yet it is a fact, proved and established beyond doubt, that soda crackers—and this means **Uneeda Biscuit**—are richer in muscle and fat-making elements and have a much higher per cent. of tissue-building properties than any other article of food made from flour.
That this is becoming known more and more every day is attested by the sale of nearly 400,000,000 packages of **Uneeda Biscuit**, the finest soda cracker ever baked. An energy-giving food of surpassing value—sold in a package which brings it to you with all the original flavor and nutriment perfectly preserved. *Truly the food to work on.*
