The greatest Automobile Show ever held west of Chicago, will open at the Omaha Auditorium on April 4th and continue four days, closing on Saturday night, April 7th.

Something like fifty different factories will be represented at this great show, and machines of every description will be exhibited.

Automobiles run by steam and gasoline and electricity and compressed air, will be there and people who own machines, or who intend to buy, will find this show a regular school of education in the science and art of handling the autymobile.

The show will be open each afternoon and evening, and there will be fine orchestral music. Numerous affable Automobile dealers and salesmen will be present. There will be plenty of comfortable seats and a good time for every body who attends.
