The Value of a Suit ..of Clothes..

Depends to a great extent on the manner in which it is MADE and TRIMMED. Almost any reliable house can be depended upon for HONESTY so far as fabrics are concerned. FIT, STYLE and TAILORING require ABILITY, SKILL. You want fabrics of

QUALITY to be sure, but, you must have these other things too. You should not judge clothes ONLY by the fabrics. We'd like to show you OUR IDEA OF VALUE—you would better understand our argument.

I have Deeded Hay and Alfalfa land which I will sell at from \$10 to \$25 and will locate purchasers on a free Kinkaid homestead of 640 acres adjoining. A section of Grazing land with a quarter of Hay and Alfalfa land to raise Winter Feed makes an ideal Dairy Ranch of 800 acres which will keep from 80 to 150 head of cattle. My land is all from 4 to 9 miles from Lakeside, Nebr., on the main line of the Burlington, where there is an excellent market for cream, eggs and other produce.

\$500.00 in Gold for a Name

You May Win This Prize
Costs You Nothing to Try.

We want a good, distinctive name for a new bottled beer, we have brewed and stored in our cellars. We believe it is the best beer ever brewed—and we want the best name for it—a name as appropriate as the beer is satisfactory. It is a distinctive beer, brewed to meet the present day taste of the great American public, and we want the public to name it. Therefore, we will give \$500. in gold, to the person who submits to us, before May 21, 1906, the name that most nearly meets our requirements. This contest is open to every man, woman and child in the whole country. It costs you nothing to try. All you have to do is to send in the name. Somebody will get \$500. for just one idea. Why not you? Put on your thinking cap and get busy. Use the coupon, and mail promptly. You can send in as many suggestions as you like.

What It Is For.

The name is for a new bottled, pale beer that has been aging in our vats for several months—a beer which we are sure will meet popular taste as no other beer has since the art of brewing was discovered. When you drink it you will say: "Well, that's the best glass of beer I ever drank in my life!" And it will be, because:

- 1st. It is a pure beer, made from the best Wisconsin barley-malt, the finest Bohemian hops, high quality Indian rice, carefully selected by experts for this special use, together with yeast in absolutely perfect condition and pure, sparkling water from our own artesian spring.
- 2nd. It is a carefully made beer—brewed by one of the best brew masters in the world, with every facility at his command that modern science can supply.
- 3rd. And this is most important of all. It is not only a PURE beer; it is not only MADE RIGHT; but it is made especially to suit YOUR taste. We have brewed beer in Omaha for 50 years—long enough to learn what the public wants, and long enough to learn HOW to make the beer that PLEASES the public's taste EXACTLY. We are not trying to force OUR taste upon you, but are catering entirely to the public's taste.

The Kind of Name We Want.

We want a name that will express as nearly as possible in a single word all the chief characteristics of our beer:

- absolute purity,
- selected ingredients,
- the perfection of the brewer's art,
- the body, color and TASTE that pleases the public.

Remember it is an American beer made for American tastes. We do not want to use—as so many brewers do—such names as "Pilsener," "Bavarian," "Bohemian," "Hoffman," "Muenchener," "Old German," "Weiner," "Wurtzburger," etc., showing what foreign beer they have tried to imitate; for our beer is NOT made in imitation of ANY foreign beer; it is a BETTER beer than any of them—made for the American palate—combining all the best qualities of all the foreign beers, without their heavy, sticky substance.

It is light, easily digested, highly nutritious, and of a flavor to make you snack your lips.

Important: The name we select must be one that we can copyright or register, and therefore no proper names may be used. No dictionary names will do either except as to the name of a certain quality of beer such as "Valer" or "Sole" to indicate its smoothness. The name must be short, easily pronounced and suggestive. No names ending in "ine" will be considered.
