FREE TO YOU—MY SISTER

Free to You and Every Sister Suffering From Women's Ailments.

I am a woman.
I know women's sufferings.
I have found the cure.
I will mail, free of any charge, my home treatment with full instructions to any sufferer from women's ailments. I want to tell all women about this cure—yes, my reader, for yourself, your daughter, your mother, or your sister. I want to tell you how to cure yourselves at home without the help of a doctor. My cure cures all women's sufferings. What do women know from experience, we know better than any doctor. I know that my home treatment is a safe and sure cure for Leucorrhoea or White Discharge, Irritation, Displacement or Falling of the Womb, Profuse, Scanty or Painful Periods, Ulcers or Ovarian Tumors or Growths; also pains in the head, back and bowels, bearing down feelings, nervousness, creeping feeling up the spine, melancholy, desire to cry, hot flashes, weakness, kidney and bladder troubles which caused by weakness peculiar to our sex. I want to send you a complete ten day's treatment entirely free to prove to you that you can cure yourself at home, easily, quickly and surely. Remember, that it will cost you nothing to give the treatment a complete trial; and if you should wish to continue, it will cost you only about 12 cents a week, or less than two cents a day. It will not interfere with your work or occupation. Just send me your name and address, tell me how you suffer if you wish, and I will send you the treatment for your case, entirely free, in plain wrapper, by return mail. I will also send you free of cost, my book "WOMAN'S OWN MEDICAL ADVICE" with explanatory illustrations showing why women suffer, and how they can easily cure themselves at home. Every woman should have it, and learn to think for herself. Then when the doctor says "You must have an operation," you can decide for yourself. Thousands of women have cured themselves with my home remedy. It cures all, old or young. To Mothers of Daughters, I will explain a simple home treatment which speedily and efficiently cures Leucorrhoea, Green Discharge and Painful or Irregular Menstruation in Young Ladies. Prudence and health always result from its use. Wherever you live, I can refer you to ladies of your own locality who know and will gladly tell any sufferer that this Home Treatment really cures all women's diseases, and makes women well, strong, plump and robust. Just send me your address, and the free ten day's treatment is yours, also the book. Write today, as you may not see this offer again. Address: DR. M. SUMMERS, Box 414 - - - - - Notre Dame, Ind., U. S. A.

Platte Center.

Last week Tom Howe raffled off his buggy and Will Bipp won it. Monday George Barrows raffled his shotgun and John Byrnes held the lucky number.

Mr. Roberts, agent for the Standard Bridge Co., has been here this week and with Supervisor Clothier has been looking over the work which the company is to do in this district. On Wednesday they went down and took measurements for the new steel bridge which is to succeed the wooden one across Shell Creek at the C. J. Carrig farm.

John Moffett took the school census of this school district last week. He found 184 children of school age, of which number 105 are males and 79 are females. The last year's census gave us 202, which shows a decrease of 19 this year. This is accounted for by the fact that a number of families who had school children have moved out of the district and their places are taken by families with less or no children.

The hitching posts on our main street are gone. A petition was circulated among the business men last Friday, asking the village board to have these posts moved to side streets and it was signed by all but one. A special meeting of the board was held Monday night and the petition favorably acted on. Tuesday, under the supervision of Street Commissioner Gentleman, the work was begun and two day's work completed the job. It is now proposed to require the telephone companies to remove their poles from the main street and place them in the alleys.

Humphrey.
(From the Democrat)
Jos. Cook of St. Bernard and Miss Celia Bruckner, daughter of Mr. and Mrs. John Bruckner, who reside east of town, were united in marriage at St. Francis church in Humphrey at 9 a. m. on Tuesday of this week. After the ceremony a large circle of friends and acquaintances gathered at the home of the bride's parents where an elaborate reception was accorded the young couple. In the evening a dance was given in the large barn where many young people danced till the small hours of the morning to the future happiness of the bride.

and groom.

Tuesday night's rain played havoc with the railroad track and wagon road bridges between Newman Grove and Bradish. About 700 feet of track was washed out and the west bound passenger train was unable to go farther than Newman Grove until near noon Wednesday. A liveryman from Newman Grove lost a valuable team by drowning. In crossing a bridge which was flooded with water, the team missed the bridge and was carried down the stream by the rushing waters. The driver had a narrow escape from drowning.

When applied and covered with a hot cloth Pinealve acts like a poultice. Best for burns, bruises, boils, eczema, skin disease, etc. Sold by McOlinock & Carter drug store.

Genoa.
(From the Leader.)
The trial of Henry Kretz for selling booze to minors came off before Judge Robinson Monday and resulted in a fine of \$40 and costs. We understand the case was appealed to the district court.

Mrs. August Olson of this city met with a serious accident Monday morning. The entrance to the cellar, which is through a trap door in the pantry, had been left open and on entering the pantry in a hurry Mrs. Olson walked into the opening. The fall resulted in the breaking of her arm near the shoulder and otherwise bruising her quite badly.

Who says George Hodge isn't lucky? On Tuesday night at about half-past ten he was awakened by a crash of thunder. The racket also awoke his little boy who asked for a drink of water. George tried to put him off, but not succeeding finally got up and went for the water. As he was getting it he noticed a light reflecting upon John Welton's house nearby and upon investigating the matter discovered his house to be on fire in one of the upper rooms. With the assistance of Mrs. Hodge he succeeded in putting the fire out without calling assistance. The lightning struck the chimney and set fire to some clothing. The damage was small, being principally to Mrs. Hodge's clothing.

ANOTHER EVENT Opening of the SHOSHONE INDIAN RESERVATION

Location—In Northwest Wyoming, adjoining the Big Horn Basin, southeast of Yellowstone Park Forest Reserve, and reached by the Burlington's new line to Worldland, Wyo.

Dates for Registration—July 16th to 31st.

Places for Registration—Worldland and Thermopolis, Wyo. Worldland is directly reached by the Burlington; Thermopolis by a stage journey of 32 miles south of Worldland.

Character of Lands—Of the 1,150,000 acres of lands to be opened for settlement, about 400,000 acres are agricultural lands to be drawn for. Such lands can be finely irrigated, according to surveys already made.

Excursion Rates—From points on the Burlington west of the Missouri River the excursion rates to Worldland are but one fare for the round trip, with a maximum of \$20 from Omaha, Lincoln and Nebraska territory. This unusually low rate gives everybody a chance to draw for the lands.

Dates of Sale—July 12th to 29th. Final limit August 15th.

Train Service—Two daily through trains during the registration from the Southeast to Worldland, Wyo. Go into that country over the Burlington through the Big Horn Basin, along the Big Horn River, passing thousands of acres of irrigated lands under cultivation; you will get an object lesson in irrigation and its possibilities.

Printed in Agencies will be supplied with rate circulars and special folders; descriptive of the Agency, method of drawing, etc.

Luxus

That's the Name We Paid \$500.00 For

Because it describes so well the unquestionable superiority of

Our New Bottled Beer

We give hearty thanks to all who were kind enough to send us a suggestion, but there could only be one winner. The lucky man is Mr. R. Kearney, of Sheridan, Wyo.

He suggested "Luxus," which is taken from the words luxury and luxurious, and the committee composed of R. H. Kastor of H. W. Kastor & Sons Advertising Co., Chicago, Ill., A. D. Mayo, General Advertising Dept. Record-Herald, Chicago, Ill., and Samuel S. Sherman, Business Mgr. of the Inter Ocean, Chicago, Ill., who were appointed to pass on all names, felt that nothing else was quite so good as this, though there were thousands of mighty good ones. Some of the names suggested could not be considered, as they were already in use by other brewers; others were repeated so often that, had any of them been selected, it would have been impossible to determine to whom the prize was to be awarded. Mr. Kearney says it's easy money, but it's worth every cent of it to us.

Watch for the appearance of

Luxus Bottled Beer

and ask for it at your dealer's about July 14th. It's ready now—Pure, Sparkling, Well Aged, Wholesome, Satisfying, Refreshing—but we can't get it on the market until the labels are ready.

Fred. Krug Brewing Co.
Omaha, Nebraska

It will be sold everywhere in the West and we have three shifts in our bottling department working day and night, getting ready for the enormous demand that is bound to come for

The Best Beer Brewed

It is light in color and is not heavy or sticky—but delightful with meals or for refreshments. It is not only a pure beer—it is not only made right—but it is made expressly to suit your taste. We have brewed beer in Omaha for 50 years—long enough to learn what the public wants, and long enough to learn how to make beer that pleases the public taste exactly. We are not trying to force our taste upon you, but are catering entirely to your taste.

We know how good "Luxus" Bottled Beer is now—you will know in a few weeks.

We thank you again for your suggestions, also for the interest you have taken in our name contest.
