

Every Niece and Nephew of Uncle Sam

should be deeply interested in what he has said about soda crackers, because they are the one food with which all of them are familiar.

Uncle Sam has given out figures showing that soda crackers are richer in nutriment and body-building elements, properly proportioned, than any food made from flour.

This is saying much for common soda crackers, and much more for **Uneeda Biscuit**, because they are soda crackers of the best quality. They are baked better—more scientifically. They are packed better—more cleanly. The damp, dust and odor proof package retains all the goodness and nutriment of the wheat, all the freshness of the best baking, all the purity of the cleanest bakeries.

Your Uncle Sam has shown what food he thinks best for his people. His people have shown that they think **Uneeda Biscuit** the best of that food, nearly 400,000,000 packages having already been consumed.

This is surely a land of big apples this season at least. Robert Anderson brought in some apples Monday for Mary & Alfreds one of which measured 13 1/2 inches around and several others that measured better than 13 inches.

Fannie Elizabeth Pearson, aged 7, daughter of Mrs. Andrew Pearson of Monroe township, died on Friday last from typhoid fever and spinal trouble. The funeral was held on Sunday at the Friends church east of town. The Leader joins the entire community in expressing sorrow with the bereaved relatives.

Although the news of his death had been expected the announcement on Saturday morning last that L. L. Green had passed away the preceding night caused a wave of sorrow to pass over the entire community. We clip the following biographical sketch from a Biographical Dictionary of Illinois.

Leander Livingston Green, a successful farmer and late member of the Illinois legislature, is a son of Caleb and Mary Green, and was born in the town of Sweden, Monroe county, New York, January 24, 1825. His father was a grandson of a brother of Nathaniel Green revolutionary fame. Caleb Green was the first member of the family to spell his name without the final (e). In 1830 he brought his family as far west as Ashtabula, county, Ohio.

In 1847 the deceased was married to Miss Marilla Randolph and in 1855 moved to Illinois where he resided until he came to Nebraska in 1866. In 1880 he was elected to the Illinois legislature, serving one term, and being elected by the largest majority ever given a candidate in that county.

The deceased had been a resident of Genoa for about twenty years during which time he had thoroughly won the respect and confidence of all who know him and when death, through old age, claimed him there was genuine sorrow expressed on all sides.

He leaves a widow and three sons and one daughter, namely Gurley J. Fradkin H., Oakley E. and Mrs. Will Piggley.

The funeral was held at the residence on Sunday last and the remains laid at rest in the Genoa cemetery.

Men Past Sixty in Danger.

More than half of mankind over sixty years of age suffer from kidney and bladder disorders, usually enlargement of prostate gland. This is both painful and dangerous, and Foley's Kidney Cure should be taken at the first sign of danger, as it corrects irregularities and has cured many old men of this disease. Mr. Rodney Burnett, Rock Fort, Mo., writes: "I suffered with enlarged prostate gland and kidney trouble for years and after taking two bottles of Foley's Kidney Cure I feel better than I have for twenty years, although I am now 91 years old." Dr. Finn's Testimony Interesting.

Dr. Thomas Finn, of Booneville, Mo., who has practiced medicine for 23 years, says he has used every prescription known to the profession for treatment of kidney and bladder disease, and says he has never found anything so effective in both chronic and acute kidney and bladder trouble as Foley's Kidney Cure. It stops irregularities and builds up the whole system. Chas. H. Dack.

LINDSAY

From The Opalon.

A very beautiful wedding occurred, last Thursday afternoon at three o'clock at the M. E. church of Looking Glass when Julia, the daughter of Mr. and Mrs. A. F. Fredrickson became the wife of Alfred Olson. As the hour was chimed the bride and groom accompanied by Miss Esther Swanson and Miss Olson and Messrs. John Olson and Walter Fredrickson entered the church. They were met by the Rev. Stromberg, who read the marriage service most impressively, using the ring ceremony. At the conclusion of the service the guests extended congratulations to the bride and groom.

The happy couple will reside one mile south and four miles west of Lindsay where the groom has a beautiful home prepared for his bride and they will be at home to their many friends after October 15th.

A crowd of about twenty made things unpleasant at the Olson-Fredrickson wedding Wednesday night. Mr. Olson kindly asked them in for refreshments but that did not suit them as they wanted \$5 and a box of cigars. On being refused it is reported they broke in the door and threw missiles on the table. Warrants were issued for their arrest that night, but yesterday morning the warrants were withdrawn and the case dropped.

Humphrey.

[From the Democrat]

The Democrat unintentionally neglected to make mention last week of the arrival of Mr. and Mrs. D. T. Robinson from California, who have returned to again make their residence in Humphrey. The many friends of Mr. and Mrs. Robinson are glad to see them back.

The Democrat is reliably informed that Miss Lizzie Hochstet and Matt Ripp were married at Fremont on Tuesday of this week. The young couple left for Fremont a couple of weeks ago and it was surmised by their friends at that time that they would soon be married.

Henry Fohs drove to Columbus Monday with his daughter, who has been receiving treatment at St. Mary's hospital for a diseased hip.

Miss Lena Weber went down to Columbus Monday and purchased a Tryber piano of R. W. Saley. She was accompanied by her sister Lizzie who remained for a few days to do some sewing for Mrs. F. T. Walker.

The Democrat editor in receipt of a letter from A. J. Langer, of Davenport, Okla., in which among other things he says, "We are all well, except little Joseph who one week ago Sunday fell out of a small express wagon and broke his arm. He is O. K. now and we expect the doctor will take the splints off in a few days. We have had rain daily here for five weeks. Corn and cotton crops immense and prosperity reigns supreme."

According to the following from last Saturday's Norfolk News, the wily Ed is again up to his old tricks: "Ed Fitzsimmons was brought here last night Sheriff Clemens, charged with passing a worthless check on Frank Jarner. Fitzsimmons was captured at Nelson, Neb., where he had been serving a thirty day sentence for a similar offense. He is charged with having passed the check here some time ago. His case was called before Justice Lambert this morning and was continued until tomorrow. Sheriff Clemens took the prisoner to Madison today to keep him over night."
