## Four Patterns Free.

**A Special Offer  
to all Women**

We will give four dress patterns free to any lady who will bring to our pattern counter a club of two yearly subscriptions to the Ladies' Home Journal at the regular price, \$1.50 each.

At least one of the names in the club must be a New Subscriber to the Ladies' Home Journal. The second name may be the club-raiser's own subscription, whether new or renewal.

The two subscriptions accompanied by \$3 must be mailed or delivered at the same time to our Ladies' Home Journal pattern counter. Four pattern orders will be issued to those who wish to select their patterns later.

Get some friend to give you \$1.50 for her New subscription to the Ladies' Home Journal. This new name with your own subscription at \$1.50 makes the club of two yearly subscriptions, which entitles you to any four Ladies' Home Journal Dress Patterns.

## Beckwith's Genuine Round Oak Stoves.

Everybody who has happened to look into the oven of the Round Oak Chief steel range has exclaimed in real surprise, "what a beautiful oven," "It is a fine oven, the best we have ever seen." It is 14 and one-half inches high. The top and sides are in one piece. The bottom needs to be much heavier, so is separate. The good workmanship on this oven shows for itself, in fact, good workmanship shows all over the Chief, every part fits, and these essentials enable the range to do its work economically and well. It has a duplex grate—Wood or coal can be used with no change of grate. The back flue is made entirely of cast iron and will last a live time. If this flue is made of steel it soon rusts out. The Chief is the range of the year and we would be pleased to show it to you. After you have examined every range handled or demonstrated in Columbus, let us show you a ROUND OAK CHIEF STEEL RANGE. Let us pull it to pieces so that you can see with your own eyes the difference and superior construction over any other range made. Then let us quote you the price.

### BELLWOOD

From the Gazette:

C. Meister and Geo. Wadsworth, the two candidates who tied on the race for township clerk, settled the matter last Friday by drawing matches, Geo. coming out victorious.

The cold wave, which lasted from Saturday to Tuesday, struck us pretty hard, coming so early and so suddenly. Ice froze to the depth of about two inches Sunday night. The weather is now mild again.

The editor of the Brainard paper says that village has had but one car load of coal this fall and that was parceled out in ten pound lots. As Brainard has four booze shops perhaps the coal king thinks the inhabitants don't need any more "fuel."

The other day we struck a man who was worrying about the future. He said that things looked ominous to him. Thought that the country was going to hades politically and maybe financially. Then he heaved a sigh that was so heavy that it made him grunt to raise it and said that it might not be as bad as it looked to him but that he was afraid that there were mighty serious times ahead. Well, there may be. We don't pretend to know but we are not going to lie awake nights worrying about something that we don't know anything about and couldn't help if we did know. There are enough things right at hand to look after to keep the average man tolerably busy without taking on the future. About the most disagreeable man we know of is the man who puts in his time worrying about things that haven't happened yet but which he figures are liable to happen.

### CRESTON.

(From the Statesman)

### G. R. Burbank Testifies After Four Years.

G. R. Burbank of Carle Center, N. Y., writes: "About four years ago I wrote you stating that I had been entirely cured of a severe kidney trouble by taking less than two bottles of Foley's Kidney Cure. It entirely stopped the brick dust sediment, and pain and symptoms of kidney disease disappeared. I am glad to say that I have never had a return of any of those symptoms during the four years that have elapsed and I am evidently cured to stay cured, and heartily recommend Foley's Kidney Cure to any one suffering from kidney or bladder trouble."

### Fire Station Without Stable.

The man who built a house and forgot to put in the stairs has been overshadowed by the Swansoo corporation. They are building a fire brigade station and have just discovered that they have forgotten to provide room for the horses!—London Builders' Journal.

### Don't Be Impressed Upon

Foley & Co., Chicago, originated Honey and Tar as a throat and lung remedy, and on account of the great merit and popularity of Foley's Honey and Tar many imitations have similar sounding names. Beware of them. The genuine Foley's Honey and Tar is in a yellow package. Ask for it and refuse any substitute. It is the best remedy for coughs and colds. C. H. Deck.

### His Religion.

"Money is his religion."  
"Yes; his wife is afraid to ask for any. It's a subject too sacred to mention."—Illustrated Bits.

### No Case of Pneumonia on Record.

We do not know of a single instance where a cough or cold resulted in pneumonia or consumption when Foley's Honey and Tar had been taken. It cures coughs and colds perfectly, so do not take chances with some unknown preparation which may contain opiates, which cause constipation, a condition that retards recovery from a cold. Ask for Foley's Honey and Tar and refuse any substitute offered.

Doctors said H. W. Walden lived. Peter Fry, Woodruff, Pa., writes: "After doctoring for two years with the best physicians in Waynesburg, and still getting worse, the doctors advised me if I had any business to attend to I had better attend to it at once, as I could not possibly live another month as there was no cure for me. Foley's Kidney Cure was recommended to me by a friend, and I immediately sent my son to the store for it, and after taking three bottles I began to get better and continued to improve until I was entirely well." C. H. Deck.
