COLUMBUS, NEBRASKA.

A husband who recently attended a church fair or social is still figuring out just where he is at financially. Here is what he says: "My wife was called upon to make a \$2 donation to the minister's salary. The ladies held a church ocial of which they took articles offered for sale and they were to be credited on freshments and presents, all of which the donation an amount equal to the constituted a happy period in the young price their respective articles should sell for. Now, my wife decided to take a Tuesday afternoon the Kensington cake. After some very deep mathematgirls swooped down on the parental do-micle and brought loads of useful and decided this cake cost 50 cents and wonless. But it didn't. I attended the social, not knowing the exact conditions. and thinking to make my wife (who was so tired she couldn't go) a present, priced paid it, thinking I could help the church
