BLACK, ITCHING SPOTS ON FACE.

"About four years ago I was afflicted with black spletches all over my face and a few covering my body, which produced a severe itching irritation, and which caused me a great deal of suffering, to such an extent that I was forced to call in two of the leading physicians of ----. After a thorough examination of the dreaded complaint they announced it to be skin eczema in the worst form. Their treatment did me no good. Finally I became despondent and decided to discontinue their services. My husband purchased a single set of the Cuticura Remedies, which entirely stopped the breaking out. I continued the use of the Cuticura Remedies for six months and after that every splotch was entirely gone. I have not felt a symptom of the eczema since, which was three years ago. Mrs. Lizzie E. Text Somewhat Apropos. The Rev. J. B. Hammill, the eloquent preacher of the Hanson Place Methodist Episcopal church, Brooklyn, was preaching at Sayville, L. I., from the text "Look well to your foundations." After repeating the text he leaned heavily on the pulpit desk, which gave way and plunged over the altar rail, nearly hitting the laymen in the front seat and scattering the Bible and the preacher's notes among the holders of the pews. The aged preacher barely escaped a tumble over the altar with the heavy deak.

WORKING WOMEN. WHAT THEY SHOULD KNOW

MRS. SADIE ABBOTT

Women for the most part spend their lives at home, and it is these women who are willing and ambitious that their homes shall be kept neat and pretty, their children well dressed and tidy, who do their own cooking, sweeping, dusting and often washing, sweeping, dusting and often washing, ironing and sewing for the entire family, who call for our sympathy.

Truly the work of such a woman is "never done" and is it any wonder that she breaks down at the end of a few years, the back begins to ache, there is a displacement, inflammation or ulceration of the abdominal organs, a female weakness is brought on and a female weakness is brought on, and the struggle of that wife and mother to continue her duties is pitiful. Lydia H. Piskham's Vegetable Compound, made from native roots and herbs, is the exact medicine a

woman needs whose strength is over-taxed. It keeps the feminine organs in a strong and healthy condition.

In preparing for childbirth and recuperating therefrom it is most efficient. It carries a woman safely through the change of life and in making her strong and well assusts her to be a good wife and mother.

Mrs. Sadic Abbott, of Jeannette,

Pa., writes:

Dear Mrs. Pinkham—

"I suffered severely with pain every mouth and also a pain in my left side. My doctor prescribed for me but did me no good; a friend advised Lydia E. Pinkham's Vegetable Compound and I wrote you in regard to my condition. I followed your advice and am a perfectly well woman. The pains have all disappeared and I caumot recommend your medicine too highly."
