IMPORTANCE OF THE COMMA.

Getting Punctuation Mark in Wrong Place May Cause Trouble.

"Some lawsuits of the highest importance have hinged upon the right placing of a comma," said Judge F. C. Downing of St. Louis.

"When I first started to practice law a Missouri edtor came to me in a peck of trouble to defend him egainst a threatened libel suit growing out of faulty punctuation. He had not meant to give some innocent young woman the slightest offense when he wrote a story about 'two young men who went with their girls to attend a lecture and after they left, the girls got drunk.' Putting that miserable little comma out of its right place did the work, as it made the girls the ones who became inebriated instead of their escorts. I managed by proper diplomacy and the publication of a neat apology to stave off the damage suits, and afterward my editorial friend became an expert on punctuation."

With Eczema—Her Limb Peeled and Foot Was Raw-Thought Amputation Was Necessary-Believes Life Saved by Cuticura.

"I have been treated by doctors for twenty-five years for a bad case of eczema on my leg. They did their best, but failed to cure it. My doctor had advised me to have my leg cut off. At this time my leg was peeled from the knee, my foot was like a piece of raw flesh, and I had to walk on crutches I bought a set of Cuticura Remedies After the first two treatments the swelling went down, and in two months my leg was cured and the new skin came on. The doctor was surprised and said that he would use Cuticura for his own patients. I have now been cured over seven years, and but for the Cuticura Remedies I might have lost my life. Mrs. J. B.
