**The South Omaha Way of Doing It.**  
Tony Gubick and Frank Zariok were arrested on a charge of being drunk and indecent on the streets yesterday afternoon. Their conduct was particularly offensive to Mrs. L. E. Williams who was in a buggy at Twenty-sixth and N streets, while her husband was making a purchase. She complained and he pursued the two and brought them back. He told his wife to give them what she thought they deserved, whereupon she gave Tony Gubick five or six upper cuts in the face which left it a practical wreck. His left eye was closed, his nose puffed like a mushroom and his lips misshapen before the police arrived. Mrs. Williams was once a clever boxer in an athletic class and did not spare her knowledge. Mr. Williams is a very powerful man and told the police he did not dare to strike the men for fear he would lose his head and maim them. He said he knew his wife could administer plenty of punishment so he made them stand and take their beating.

**District Court.**  
The trial of Wm. Severn, charged with hog stealing, resulted in a verdict of guilty, and he is now in jail awaiting sentence, or a new trial, if one is granted.

The trial of his companion in the trouble, Samuel Grover, was set for this week, but when it was called Grover could not be found and in all probability will forfeit his bond.

The criminal libel suit against Dr. C. J. Alger of Leigh, was continued on account of the serious sickness of the doctor.

The case on trial today, Wednesday, is the damage suit of Peter Ketselson vs. Fred Baumgard, all parties being from Humphrey. The suit is the result of young Ketselson losing his foot in a brick machine.

**Route No. 5.**  
Joseph Chlopek is building an addition to his house.

Robert Kummer is hauling lumber for the new barn which he is building.

Miss Ellen Person, teacher in the Kuenzli district, closed the term last Friday.

O. A. Church is breaking prairie for Albert Kummer, using a traction engine and four plows.

Farmers are trying to cultivate their corn, but are not making much headway on account of the heavy rains.

Mr. and Mrs. H. D. Hahn and family of Hartford, Kas., arrived Tuesday evening, enroute to St. Edward to attend the Hasselbalch-Kennedy wedding at St. Edward. The will return to Columbus the last of the week and visit relatives for some time before returning to their Kansas home.

**Route No. 3.**  
John Brunken, jr., is building quite an addition to his house.

Gus Hageman marketed several loads of hogs at Platte Center Monday.

A. J. Mason is at Lushon, this state, in the interest of the Modern Woodmen of America.

Henry Brunken and Miss Julia Bonk were guests at the home of J. F. Godekin Saturday evening.

Chris Mickelson and Miss Emma Krumlauf attended the party at Fred Loecke's Sunday evening.

Miss Lillian Godekin invited her friends to a party Sunday evening, and all enjoyed a pleasant time, card playing being the amusement.

Miss Martha Jagdman of Columbus is the guest of friends on the route this week. She expects to leave for her home in Chicago the first of the week, where she will remain.

Letters received from Peter Coupons say that he has been visiting at the old home in Belgium. He arrived on the other side safe and sound and is enjoying his stay very much.

John Dineen of Madison, the irrepressible Johnny, came down from Madison last Friday with a party of land seekers, and they were joined here by J. F. Godekin, who went to Box Butte county with them. The Madison people bought land and as Mr. Godekin thought it was not exactly right that they should have it all, made a purchase for himself.

**Our Polk County Friends.**

They say, that the only thing that Platte county has to mourn over is that Pastor Parker failed to go to Columbus, and go into the real estate business. The real estate business is so good, and thousands of dollars change hands every day.

Little Polk is pretty well satisfied that she can run her schools without the aid of any licensed saloon money, when she can get plenty of school children, for she has within her borders just now, 3,560 children and the semi-annual appropriation is \$3,290.51.

The fellows that look after such things say there will be fifty-three Sundays this year and it will not happen again in 110 years. We have not looked up the matter but we know that in 1903 it occurred. But then what's the use. Most every day is like Sunday in some places.

O. N. Harris was the editor of the Polk Progress. The towns and paper progressed so fast that the editor sold out and has bought out a paper in Custer county, where it won't be quite so necessary to progress, or wait for progress, for they are always progressing over north.

It is wonderful how many go from here to the north, Columbus, Central City, Duncan, and other live towns get there share of shoppers and more ec-

**Moscow's Many Beggars.**

Of the beggars so characteristic of Russia's ancient capital a writer says: "The old city of Moscow could not easily be disassociated from the 50,000 beggars who haunt its snowy streets. The city belongs to them; if the city rats own the drains, they own the streets. They are part of the city, they are in perfect harmony with it; take away the beggars and you destroy something vital. Some are so old and weather battered that they make the Kremlin itself look older, and of those who lie at the monastery doors some are so fearfully pitiable in their decrepitude that they lead power to the churches."

**California Tourist Cars.**

The idea that an inferior class of people patronize the tourist sleepers is an error. On many trips only the best class of travelers are found. They are merely men and women of good sense who would rather travel to California in this manner and save a snug run of money. It is beginning to be understood that it is by no means necessary for the traveler to spend a large sum of money in order to enjoy a trip to the Pacific Coast.

If you cross the continent in one of the tourist sleepers of the Union Pacific you will enjoy your trip and save considerable money. Inquire of E. G. Brown, Agent.

people over there next Sunday, and his friends over here at Osceola know that Lew will give them the very best he has in the barrel, if he has to go clear to the bottom to get it out.

Rev. L. G. Parker, just before he left Osceola as pastor for keeps, performed the marriage ceremony in the Brotherhood of Saint Paul parlors for Mr. Archibald W. Emery and Miss Vernie H. Timm. The bride is the daughter of Mr. and Mrs. Christopher Timm. Mr. and Mrs. Emery are well known through the county and are respected by all who know them and congratulations are coming in by the train-load.

Rev. L. G. Pastor late of the M. E. Church, pulled out for his new field of labor, the real estate business, at Lincoln last Wednesday. The Brotherhood gave him a good send-off the night before he went. Speeches were made, refreshments served, and just such a high old time as Osceola citizens like to have was enjoyed by the large crowd present, and they are singing "We shall meet, and we shall miss him, there will be a vacant chair."

"Do you believe it? Polk county is to have a Prohibition mass convention and put up candidates. The call for the convention is for Saturday the 8th day of June. The callers must have been too "full" for utterance, for Saturday is the sixth day of June and Monday is the 8th. The president of the association is the partner of Hon. E. L. King, present republican state senator, Max E. Bittner, and the secretary is Mrs. Frances Reveridge Heald. Don't forget that next Saturday is the 6th, and be sure and be out at 2 p. m.

**A BARGAIN**

In an Elegant Northeast Nebraska Farm—Must be Sold Soon.

On account of the accidental drowning of Wm. This is more than I can pay for, so I must sell. Would take small property.

**A Set-Up Job.**  
"Are you the man from Sodder & Co.'s to do the repairing of the water pipes?" asked Mr. Subbaba.  
"Yes," replied the plumber, "and Mr. Sodder says it'll cost you \$60."  
"What? Why, he hasn't seen the job; he don't know how much I want done."  
"Mebbe not, but he told me how much to do."
