The marriage of Miss Edith Lillian Robbins to Warren F. Day was quietly celebrated Saturday at 12 o'clock at the home of the bride's sister, Miss Ida Robbins, 1931 B street. The marriage service was impressively read by the Rev. Lewis Gregory and included the double ring ceremony. At the appointed hour Miss Alice Towne played the double ring ceremony. The bride and groom were followed by the maid of honor, Miss Helen Day, sister of the groom. The bride entered with her brother, C. B. Robbins of Cedar Rapids, Iowa, who gave her away and was preceded by her niece, Vera Anderson of Genoa, who carried the wedding rings. Only relatives and close friends were included in the guest list. A wedding breakfast followed the ceremony. Mr. and Mrs. Day left in the evening for their home in Richfield, Idaho, where they will be at home to friends after December 1. The above is taken from the Lincoln Daily Star. The bride, who frequently visited in this city has made many friends, who wish her much success and happiness in her new home.

In a letter just received by P. J. McCaffrey from Charles Hudson, who left here a short time ago for Wilkeson, Washington, relates a thrilling adventure that recently happened to Mr. Hudson, and we tell it in his language: "About two weeks ago we went out hunting, and of all the rough countries—and timber so thick that it is dark at noon, and I got lost for two days and very nearly perished with cold, but the good Lord must have sent me the help I prayed for, for I was just all in, when I found a man on a creek, and he had the necessities of life with him that brought the kinks out of me. I had fallen in the creek and had to swim out, and I was so wet and cold that I do believe that if I had not found that man when I did I could not have stood it that night, for my matches and cartridges were all wet and I could not get a fire. So you see the Lord sent that man to me so I should be saved a little longer, and I promise that I will not go hunting in such a rough country any more."

H. B. Hall, the man who was struck by Union Pacific train No. 10 last Wednesday afternoon, is now a patient at St. Mary's hospital, having been taken there immediately after the accident. The injured man is suffering from a bad cut on the head, a bruised shoulder and a broken arm. At first it was thought that he might have received an internal injury, but we are pleased to state that this is not the case and although the injuries are very painful none of them are considered dangerous. When the accident occurred Mr. Hall was walking down the track, intending to come to Columbus and as the train neared he stepped aside to let it pass, but in all probability did not step far enough away and was struck by the beams of the pilot of the engine Mr. Hall has been employed by the Union Pacific company as watchman at the Loup river bridge for some time.

Myrtle Fay, little daughter of Mr. and Mrs. F. L. Hahn, who reside northwest of the city, passed away last Tuesday, death resulting from a stroke of paralysis, which she suffered a month ago. Interment was made in the Columbus cemetery.

The meeting was adjourned with prayer by Dr. Dibble.

Election returns were received from various sources Tuesday evening, but the Nebraska Telephone company handled most of them. Among the places they furnished returns for the three newspaper offices, where the telephones were arranged so they could receive all the returns. This was quite a stroke of enterprise on the part of the company and certainly appreciated by the newspaper men.

TAFT ELECTED.

A Landslide in the East for the Republican Ticket.

All the Eastern States are Against Bryan.

Returns from the east indicate a heavier vote for Taft, in many states, than was given Roosevelt four years ago. New York leads with a plurality of 200,000, and New Jersey shows republican gains. Taft will have over 300 votes in the electoral college, and 242 are required to elect. Hughes is re-elected governor of New York, and Lilley in Connecticut. Wisconsin, the home of Senator LaFollette, gives Taft 75,000, and Illinois also gives a heavy majority for the republican ticket.

Nebraska is very close, with Shallenberger running ahead of Bryan and the democrats claiming his election, and also that of Bryan. While the cities went for the democratic ticket, the country precincts are expected to show gains for Taft and Sheldon, and a good chance that they will win.

In this congressional district the result is doubtful, and democrats claim Latta by a small majority, but here the cities are for the democrats and the country for the republicans. One other democratic congressman, G. M. Hitchcock, is elected, and Omaha gives a small majority for Bryan with Shallenberger leading him.

Platte county goes democratic all the way from 900 to 1,200, and the city of Columbus gives Bryan about 300 majority. In this county the democrats had a splendid organization and got out their full vote.
