THINK HARD

It Pays to Think About Food.

The unthinking life some people lead often causes trouble and sickness, il lustrated in the experience of a lady in Fond Du Lac, Wis.

"About four years ago I suffered dreadfully from indigestion, always having eaten whatever I liked, not thinking of the digestible qualities. This indigestion caused palpitation of the heart so badly I could not walk up a flight of stairs without sitting down once or twice to regain breath and strength.

"I became alarmed and tried dieting, wore my clothes very loose, and many other remedies, but found no relief. be placed on the label. Slavonic Superstition.

A great risk runs the peasant of Slavonic lands if he carelessly wastes any of the bread that he daily munches, since every crumb is gathered up by evil spirits, and should their dust heap become heavier than the man's weight, on his death his soul is forfeit to the devil.

With a smooth iron and Defiance Starch, you can launder your shirtwaist just as well at home as the steam laundry can; it will have the proper stiffness and finish, there will be less wear and tear of the goods. and it will be a positive pleasure to use a Starch that does not stick to the iron.

Modern Solomon.

Two women who appeared before a Paris magistrate both claimed possession of a flatiron. The magistrate solved the difficulty by giving the iron to one of them, a laundress, and presenting the other with a theater ticket.
