SUPERVISORS' PROCEEDINGS.

Columbus, Nebraska, August 24, 1909. The board of supervisors of Platte county, Nebraska, met in special session in the court room in 'the court house in Columbus, Nebraska, at 2 o'clock p. m. for the purpose of providing all arrangements for a joint contract with the county boards of Polk and Butler counties, for the rebuilding and repairing of the wagon The obard of supervisors of Platte

bridge across the main channel of the Platte river south of Columbus. Hon. J. F. Schure, chairman, and

John Graf, clerk. Roll called and following members present:

cessful bidder for the work mentioned in section 2 hereof be required to give Supervisors Clother, Peterson, Pola similar bond in the amount of \$500 lard, Schwarz, Smith and Chairman before entering upon said work. Schure.

Section 7. That Polk and Butler Absent and excused Supervisor counties each be notified of the action Goetz. Chairman Eyestone and Commissionherein taken by serving upon the

ers Hahn and Herrmann, constituting the Polk county board were also present

The following resolution was intro-

duced by Supervisor Smith: Whereas The bridge over the m channel of the Platte river about two miles south of Columbus, in Platte, Polk and Butler counties, Nebraska, is badly out of repair and the counties of Polk and Butler have been duly no tified of such fact and requested to join in a contract for the needful repair of said bridge generally and by entirely rebuilding a portion thereof, and for said work and materials. Whereas, This time and place, viz.: August 24, 1909, at the hour of two o'clock p. m., in the court room in the court house, in the city of Columbus, Nebraska, has been fixed as the time and place for a meeting of the county office. boards of Platte, Polk and Butler for the purpose of adopting a plan and providing all arrangements for making a joint contract for the needful repair quired. and rebuilding of said bridge, and cap and one railing board. Whereas, Said county of Butler has failed and refused to be present at this meeting or to appoint a different time and place for a meeting for the purlong. pose of arranging for such joint contract, and long. Whereas, Polk county is present, but refuses to join in making the arrangements for the needful repair and reister brace loose. building of said bridge or for said joint contract, now, therefore, be it Resolved. By the county board of Platte county, Nebraska: Section 1. That Exhibit "A" hereof

John Brudney, road district No. 25. Grand Prairie township. Ches. A. Johnson, road district No. 31. Walker township. The following was presented: To the Honorable Chairman of the Board of Supervisors of Platte

4 00 1909, not later than September 18, 1909. in order that you may take action on said bridge contract as in the joint 4 00 contract between the aforesaid counties provided. In the event that said board of supervisors do not meet in time to adjourn as aforesaid, or having met failed to adjourn as aforesaid. we hereby petition the county clerit of Platte county, Nebraska, to call a special meeting of the board of supervisors of said county to meet at the time and for the purpose aforesait. Signed by J. P. Sekol and fifty-four others. 4 64 Moved by Supervisor Schwarz that the notice be placed on file and the road and bridge committee, including Supervisor Smith, be directed to pro-

ceed to Osceola on the 14th day of September, 1909, to be present at the opening of the bids. Motion carried. On recommendation of the judiciary committee the following bonds were, on motion, approved by the board:

C. C. Doody, overseer road district No. 23, Lost Creek township. Garrit Schulte, overseer road district

No. 24, Shell Creek township. Herman Lutzke, overseer road dis-

trict No. 22, Woodville township. Earl F. Ernst, overseer road district No. 32 Columbus township.

Arnold Nyffeller, overseer road district No. 32. Columbus township.

John Mostek, overseer road district No. 21, Burrows to anship.

Jos. Gaver, overseer road district No 19, Burrows township.

cirmin Dobbins, over eer road district No. 20, Burrows township.

vices as supervisor..... 13 10 Louis Schwarz, supervisor, ser-

vices as supervisor..... 26 10 Moved by Supervisor Schwarz that the local coal dealers present their blds: for the coal needed the coming vinter. next The following was presented: To the Honorable Board of Supervisors of Platte County, Nebraska: Gentlemen:---The undersigned owners of land to be benefited by the widening and deepening of the drainage ditch, in Lost Creek township, known and designated as "The Carrig and Jewell Ditch," hereby prays your honorable board to proceed and cause without unnecessary delay the widening and deepening of said ditch, as the law provides and in accordance with the survey, estimate and specifications heretofore ordered and made and now on file in the office 9 57 of the county clerk. Your petitioner is one of the largest land owners to be affected and benefited by the proposed improvement and he, together with other land owners to be benefited, are now and have been for several years past greatly damaged and our lands rendered almost valueless by the flow of waters thereon through the cropping season. Said lands comprising many hundreds of acres adjacent to the said ditch, could be brought to the highest productive capacity by the proposed improvement, while the cost to the land owners for making the same would be comparatively small to the benefits to be derived. C. J. CARRIG. Columbus, Nebraska, August 25, 1909. Accompanying said petition was a bond conditioned for the payment of the costs as by law provided. Moved by Supervisor Smith that the prayer of C. J. Carrig be granted by the board of supervisors and the clerk be instructed to advertise for proposals for doing the work, in the official papers of the county. Motion carried. On motion of Supervisor Smith the

Nickel Steel Formula Secret. "Essen is essentially notable for its erucible nickel steel," said Ernst Lange of Werden, A. R., Germany, who is making a tour of the steel mills of this country. "There is socalled crucible nickel steel made elsewhere in the world, but so far as known the Krupp material is unexcelled. This accounts for the large exportation of Krupp crucible nickel steel to the United States. In the case of engine parts, where heavy strains are exerted, manufacturers feel the necessity of acquiring the best steel obtainable, regardless of origin. The process of making crucible steel at the Krupp works is jeal-
