SILVER CREEK.

The remains of George Shotecki who died at Barwell Nov. 6 were shipped here Tuesday and taken to Oracow Catholic church where funeral services were held. Deceased was 103 years of age at the time of his death and was a native of Poland.

Mrs. H. H. Hudson left Tuesday to join her husband in their new home in Julesburg, Colo. The Hudsons had lived in Silver Creek for so many years that it almost seemed that they had become permanent fixtures here and they will be greatly missed in business and social circles. May they prosper and enjoy long life in their new home.

LEIGH.

Many old friends and neighbors of Charles Wesley Cornwell will be grieved to learn of his death on October 21, at Anaheim, California. Mr. Cornwell was born in Hancock county, Ohio, in 1844 and there he grew to manhood. In 1872, at the age of twenty-eight years, he emigrated to Nebraska and with his family settled on a homestead ten miles south of Leigh, which farm is now owned by Wm. Loeke. The struggles and hardships of those early days are best known and understood by those brave men and women who experienced them and who, by their keen perseverance and stability of character conquered all difficulties that came in their way. Mr. Cornwell bore his share of work in the upbuilding of Colfax county. He was a veteran of the civil war and will ever be remembered as an honest, upright citizen, a good neighbor and a kind and true husband and father.

HOWELLS

It is mounting higher and higher. We have reference to the price paid for Lincoln precinct farm lands. Up to Monday the record price was \$151.50, which was paid for the L. F. Folds farm of 80 acres; then there was the Benben Dickinson place of 240 acres which sold at \$150, and the Geo. W. Huen 80-acre for the same price. Now comes Theofil Glodovsky, who bought the latter place but a few weeks ago, and re-sells it for

GENOA.

A neighborhood row in the western part of the county has reached the courts. Sherman Baker was found by a neighbor last Wednesday evening in an unconscious condition and was cared for until Thursday afternoon when he regained consciousness and told how he had been assaulted. When nearing his home his team stopped and upon getting out of the wagon he found that a gate usually standing open was closed and securely wired. While endeavoring to loosen the wire he was struck in the back of the head with a hammer. He attempted to crawl under the fence to escape but was pulled back, his clothes being badly cut in the barbed wire and he was beaten until he became unconscious. Three young men, named Moore, Aye, Carlson and Miller, have been arrested and placed under bonds to appear for a preliminary hearing. Baker has been having trouble with the parties under arrest, and it is alleged that the assault was made for the purpose of "getting even" with him.

From the Leader.

Another case of spinal disease at the Indian school. The small son of Mr. and Mrs. Gillette is the victim this time.

Mrs. George Campbell, living eighteen miles west of Fullerton was instantly killed Saturday last by being thrown from the buggy. While driving down a hill the traces became unfastened letting the tongue drop to the ground, the team became frightened and ran throwing Mrs. Campbell and her baby out. The baby was uninjured while the mother's neck was broken.

In regard to our schools, parents have duties to perform, which they can ill afford to neglect. They should show to their children that they have an interest in the school. They should examine carefully the reports sent by the teacher, should see that their children are in school every day, and punctual; should assist and encourage their children to do all their school duties faithfully and well; should co-operate with the teacher in securing the prompt return of their children home after school is dismissed; should make a friendly visit to the school, and talk freely with the teacher and principal in regard to same.

MONROE.

Mr. and Mrs. Marvin Kuntzmann and children of Columbus spent Thursday at the island home.

Miss J. R. Alcock of Butte, Neb., arrived in Monroe Saturday to visit her daughter Mrs. Dave McWilliams.

Mrs. Mary Weber and two grandchildren of Columbus visited several days at the home of her daughter, Mrs. Geo. Island.

Freeman Hoppock is suffering with a large swelling on the jaw that came very near choking him to death, and he had to call medical aid.

Dave Thomas was up to his farm the first of the week, and while here the Thomas boys traded for his single driver, and Bob went to Columbus Wednesday and brought it home.

B. M. Obriet and family arrived Thursday morning from Centralia Wash., and will spend the winter in this locality. Mr. Obriet went to Washington three years ago, and is very much pleased with the country. He will return to Centralia in the spring.

Monday, while Mrs. Fred Hoare, who is visiting her father Geo. N. Lamb, was upstairs, her little daughter got hold of some iodine and drank it. She was discovered at once and an emetic given, and no bad effects, except some very sore lips resulted. It was a narrow escape for the child and only prompt action saved its life.

Rev. Wedge, leader for Wisconsin Monday where he will conduct evangelistic services for several weeks. The meetings will be Union services and already our pastor has received several letters from ministers of different denominations saying that they are making strong preparations for his coming. Those cities have seen Wedge in the ring now they are anxious to hear him preach.

HUMPHREY.

From the Democrat Bruno Zuerline and Miss Catherine Ripp, and Leo Braun and Miss Hurley of Omaha were announced last Sunday in St. Francis church as early matrimonial candidates.

Mrs. Frank German submitted to an operation for gall stones at St. Mary's hospital in Columbus yesterday morning. As we went to press yesterday afternoon we failed to learn just how Mrs. German's condition was, but her relatives here thought that inasmuch as they did not hear from her bedside, she was getting along alright.

A few of you doubting Thomases please read the following taken from the Leigh World: "William Wiese, a thirteen year old lad living near West Point has raised one acre of corn under the direction of the state board of agriculture, the yield of which is a little better than 113 bushels. This was raised on soil hitherto considered of poorest quality."

The large new barn of N. J. Maxwell about a mile this side of Creston was struck by lightning Wednesday night and burned to the ground together with about 60 tons of very valuable hay. The barn was valued at about \$1,500 and with hay worth close to \$600 and with only \$1,000 insurance on the barn, the loss to Mr. Maxwell is a severe one. In getting some stock out of the barn, Mr. Maxwell was overcome by the heat and for a while he was in a quite serious condition. The same evening lightning also killed a cow for Geo. Irwin on the farm of W. Lueschen in Grand Prairie township. Losses of this kind by lightning are quite unusual this time of the year.

BELLWOOD.

Potatoes are selling at a ridiculously low price in Wisconsin and Minnesota. Thirty-eight cents appears to be about the best price that the buyers are offering. There is no excuse for any farmer to sell potatoes in either of those states at less than sixty cents in car lots on track. The papers are full of reports of a large crop when as a matter of fact there is not as large a crop as last year. Look at the reports from first hands from other parts of the country.

B. Buffalo, one of Uncle Sam's faithful mail carriers, reached his 70th mile stone Tuesday. When he arrived home from his regular trip of delivering the missives he found his home invaded by his sons, his daughters and his grand children, who are almost without number and such a surprise almost brought tears. They were all loaded down with good things to eat and after enjoying themselves for some time presented the birthday a handsome gold watch fob, with the wish that he would live 70 more years.

Miss Julia Hengeler, only daughter of Mr. and Mrs. Fred Hengeler of the valley east of Bellwood, was united in marriage Wednesday morning to Frank D. Adams of Columbus. The marriage ceremony took place at St. Peter's Catholic church in Bellwood. Rev. J. J. Hogman, the pastor, conducted the services in a very neat manner. The bride was born and brought up in the valley and is a young lady who has a host of friends in this community. The groom is a young man whose home is near Columbus. He is highly spoken of and everybody in this community extend congratulations.

FOR AGED PEOPLE.

Old Folks Should be Careful in their Selection of Regulative "Medicine."

With advanced age comes inactive bowel movement and sluggish liver. Nature is unable to perform her proper functions and requires assistance. Other wise, there is constant suffering from constipation and its attendant evils. Old folks should never use physic that is harsh and irritating.

We have a safe, dependable and altogether ideal remedy that is particularly adapted to the requirements of aged people and persons of weak constitution who suffer from constipation or other bowel disorder. We are so certain that it will completely relieve these complaints and give absolute satisfaction in every particular that we offer them with our personal guarantee that they shall cost the user nothing if they fail to substantiate our claims. This remedy is called Rexal Orderlies.

Rexal Orderlies are eaten like candy. They have a soothing, healing strengthening, tonic and regulative action upon the dry mucous lining and the relaxed muscular coat of the bowel. They produce a natural, successive contraction and relaxation of the muscular fibres of the bowel walls, generating a wave-like motion which forces their contents outward; thus stimulating nature in perfect bowel movement. They tone up and strengthen the nerves and muscles and restore the bowels and associate organs to more vigorous and healthy activity. They may be taken at any time without inconvenience; do not cause griping, nausea, diarrhoea, excessive looseness, flatulence or other disagreeable effect. Try Rexal Orderlies on our guarantee, 36 tablets 25 cents and 12 tablets 10 cents. Remember you can obtain Rexal remedies in Columbus only at Follock & Co's. drug store on the corner.

NOTED RUPTURE EXPERT HERE

Seelye, who fitted the Czar of Russia, will be at the Thurston Hotel

F. H. Seelye of Chicago and Philadelphia, the noted truss expert, will be at the Thurston hotel and will remain in Columbus Sunday and Monday, Nov. 21 and 22 only. Mr. Seelye says: "The Spermatic Shield Truss as now used and approved by the United States government will not only retain any case of rupture perfectly, affording immediate and complete relief, but closes the opening in 10 days on the average case, and costs no more than common trusses." This instrument received the only award in England and in Spain, producing results without surgery or harmful injections. Mr. Seelye has documentary references from the United States government, Washington, D. C., for your inspection. If any interested will be glad to show the truss without charge or fit them if desired. Anyone ruptured should remember this date and take advantage of this unusual opportunity.
