The School Lunch and Dyspepsia. It is very important that the meal eaten at recess be a warm one, and whenever possible it should be prepared and eaten at home. Until a child is 10 or 12 years old it must have its dinner or principal meal of the day at noon. The rest of the household may dine in the evening, but for the youngster so heavy a repast near bedtime is certain to be deleterious. A bundle of cold sandwiches will not serve as a substitute for the midday dinner, for the child ueeds not only warm, home-cooked food, but also the walk home, the bit of play on the way and the hour's forgetfulness of lessons.-Leonard Keene Hirshberg, M. Remedies are Needed

Were we perfect, which we are not, medicines would not often be needed. But since our systems have become weakened, impaired and broken down through indiscretions which have gone on from the early ages, through countless generations, remedies are needed to aid Nature in correcting our inherited and otherwise acquired weaknesses. To reach the seat of stomach weakness and consequent digestive troubles, there is nothing so good as Dr. Pierce's Golden Medical Discov-

ery, a glyceric compound, extracted from native medic-inal roots—sold for over forty years with great satisfaction to all users. For Weak Stomach, Biliousness, Liver Complaint, Pain in the Stomach after eating, Heartburn, Bad Breath, Belching of food, Chronic Diarrhea and other Intestinal Derangements, the "Discovery" is a time-proven and most efficient remedy.
