DEFECTS IN FRUIT SALADS

Too Often Combinations Are Put Together Solely with Eye to a Good Appearance.

Endive, which was considered delicious enough in itself with a good French dressing, is now often included in fruit salads.

The common defect in fruit salads is the mixing of incongruous ingredients. These salads could be made just as attractive to the eye, and yet as well as the old-fashioned simple salads.

When mayonnaise is preferred to the French dressing, the inside heart of celery cut into squares may be used, and served with heart of endive.

MOB CHASES "WHEAT KING"

Warm Reception Given James A. Patten on His Visit to English Exchange.

Chicago.—James A. Patten can't keep out of the limelight. Last fall he was thought there was going to be a shortage in wheat and he boosted the price to the sky. Then he was called the "wheat king."

Next we find Mr. Patten dallying in cotton, and it was announced that he had a corner on this important product. Shortly afterward it was announced that Mr. Patten was going to get out of active business and take a trip to Europe.

If it were not for that trip to Europe there would be no occasion for Mr. Patten's picture appearing on this page. When the "wheat-cotton king"

landed in England he naturally wanted to visit the cotton exchange at Manchester. He went. Now, if the telegraphic reports are true, he wishes he hadn't. They mobbed the American "wheat cotton king."

Those Brit-haters did not like it because Mr. Patten, honored citizen of Evanston, Ill., that select suburb of Chicago, had cornered cotton and made the price so high that some of the English mills have had to close down. It wasn't a gentlemanly thing to do, but they didn't take that into consideration.

They say Mr. Patten was indignant. It is predicted that his indignation may result in tacking a few more cents on to the price of cotton. Most anybody would get even if he could.

ON HIS WAY TO THE ORIENT William J. Calhoun Goes to China as Minister from the United States.

San Francisco.—William J. Calhoun, Chicago, the man who is to have the honor of representing the United States in China because another man talked too much, sailed with Mrs. Calhoun on the steamer Tenyo Maru, March 15 for the orient.

Mr. Calhoun was selected for the place after Charles R. Crane, also of Chicago, had been recalled just as he was about to leave this city for China as minister from the United States. Secretary Knox wasn't pleased with some of Mr. Crane's utterances about affairs in the far east so he let Mr. Crane go and called upon Mr. Calhoun to take up the duties.

Mr. Calhoun has made no such mistake as that credited to Crane and he has refused to discuss Japan, China, Russia or any other old country or its affairs. On April 2 Mr. Calhoun expects to land in Yokohama, Japan, where he

will remain about a week. Thence he will proceed to Shanghai, China, where the acting minister, H. B. Fletcher, who was recently appointed minister to Chile, will meet him. W. W. Rockhill, now ambassador of the United States to Russia, who was former minister to China, may also meet Mr. Calhoun in China.

NO MORE FOR MR. HALLORAN

Gentleman Had Had All the Experience with Insurance Companies That He Desired.

Mr. Halloran surveyed the insurance agencies with a dark and hostile countenance. The fact that one eye was concealed by a dark and grimy bandage did not add to the attractiveness of his expression.

"Haven't you made up your mind yet to insure with us?" inquired the agent. "You told me I might call again in a few days."

"There was two of you at me to get an accident insurance policy," said Mr. Halloran, breathing heavily. "I told you and him both you might call again, and he come first, day before yesterday, and I insured wid his company."

"That very night I met up wid Barney Casey on the way home, which was what I was expecting wid happen," continued Mr. Halloran, raising himself by grasping the arms of his chair with two capable although scarred hands, "and when we'd finished wid one another I was like this!"

"Yistherday morning I sent for the insurance chap, and says I to him, 'Look at me,' I says, 'and estimate the damages and pay them.'"

"He squirmed right out of the door, saying 'twas no accident I'd had.' Now if meeting wid Barney Casey, after keeping out of his way for six months, is no accident, I'm done wid insurance companies, and the sooner you lave this house the better 'twill plaze me."—Youth's Companion.

"I had suffered for seven years with very severe kidney and bladder trouble and ran down nervous system. I got so bad that I lost all hope of ever being any better. I was treated by all the best doctors I could hear of, but was gradually getting worse. At last I heard of the great cure being made by the United Doctors' new system of treatment and went to them. Now, after three months of their treatment, I am more than delighted with it. I had no idea that so great a change could be brought about in so short a time. Women who are suffering with some form of female illness should consider this. As such evidence read these two unsolicited testimonial letters. We guarantee they are genuine and honest statements of facts.

Cresson, Pa.—"Five years ago I had a bad fall, and hurt myself inwardly. I was under a doctor's care for nine weeks, and when I stopped I grew worse again. I sent for a bottle of Lydia E. Pinkham's Vegetable Compound, took it as directed, and now I am a stout, hearty woman."—Mrs. Ella E. Alkey, Cresson, Pa.

Baird, Wash.—"A year ago I was sick with kidney and bladder troubles and female weakness. The doctors gave me up. All they could do was to just let me go as easily as possible. I was advised by friends to take Lydia E. Pinkham's Vegetable Compound and Blood Purifier. I am completely cured of my ills, and I am nearly sixty years old."—Mrs. Sarah Leighton, Baird, Wash.

Evidence like the above is abundant showing that the derangements of the female organism which breed all kinds of miserable feelings and which ordinary practice does not cure, are the very disorders that give way to Lydia E. Pinkham's Vegetable Compound.

Women who are afflicted with similar troubles, after reading two such letters as the above, should be encouraged to try this wonderfully helpful remedy. For 30 years Lydia E. Pinkham's Vegetable Compound has been the standard remedy for female ills. No sick woman does justice to herself who will not try this famous medicine.
