### LINDSAY.

From the Post.  
O. C. Crowell, president of the Crowell Elevator Co., died at Los Angeles, Cal., Monday. The Crowell yards of this place were closed Tuesday afternoon.

A deal has been closed in which Frank Connelly purchased W. H. Deegan's interest in the hardware store. They have been busy invoicing this week. "Billy" says he has been in business long enough, so thinks it time to retire.

### STROMSBURG.

From the Herald.  
Mrs. Clamur McCune and Mr. and Mrs. J. W. Wilson and son will start next week for New York stopping a few days in Chicago to visit Mrs. McCune's daughter, Mrs. R. A. Harrison. They will sail on the Lusitana April 29, landing at France. They will visit France, Italy, Switzerland, Austria and Germany and will meet Jas. Bell of David City at Ober Ammergau. They will see the passion play July 3rd, and continue their trip to the Netherlands, Denmark, Sweden, England, Scotland and Ireland. In August they attend a birthday anniversary gathering in honor of Mrs. McCune's oldest sister who lives in Ireland. They expect to return home about October.

### LEIGH.

From the World.  
August Borgelt tells us that he came near losing one of his valuable horses last Friday evening. The animal was taken with a severe attack of colic and had it not been for the timely arrival and expert work of Dr. L. P. Carstenson, of Columbus, it would have been dead in a very short time.

Last Saturday evening Walter Matzen and his three sisters came over from Columbus for a few days visit at the home of their brother, Chris. Having recently had one of his toes removed because of a bad corn, Walter thinks he had better stay here until he can walk straight and, perhaps to a certain extent, avoid being asked so often, "What is the matter?"

### CENTRAL CITY.

From the Nonpariel.  
Carl Schuetter, an old resident of Merrick county and well known to all the old settlers, died at his home in Grand Island last night at six o'clock of pneumonia. Mr. Schuetter came to this county in 1872 and located on a farm one mile west of Archer, where he resided for many years. He was about 70 years of age at his death.

Mrs. J. F. Landon leaves next Monday night for Lakeview, Oregon, to join Mr. Landon who went out about a month ago. In letters she has received from him he expresses himself as more than pleased with that country. He has purchased and filed on 400 acres and the boys will file also. It is now practically certain that there will be a railroad through that section before many months have passed and after that much needed improvement is secured Mr. Landon believes his land will be worth as much as land here.

### HUMPHREY.

From the Democrat  
Miss Clara Ratterman of Columbus spent the latter part of last week at the home of her uncle, I. W. Zavidi and family.

August Weiser and Miss Annie Brockhaus went down to Columbus last Saturday and secured a marriage license. The wedding will take place April 19.

Last Saturday a deal was closed whereby August Widholm became owner of a quarter section of the Sheldon land one and one half miles north of Humphrey. Mr. Widholm paid \$93.95 per acre for the land.

Last Saturday while roller skating Cassie Karthaus skated off the sidewalk in the rear of the Commercial hotel and broke his leg below the knee. Roller skating on the sidewalks is dangerous business and it is a wonder to us that more accidents of this nature have not happened. Most any little fall can result in a broken bone of some kind and the children cannot be too careful to prevent them.

### PLATTE CENTER.

From the Signal.  
Mrs. Wm. Nay came up from Columbus Monday evening for a short visit at the home of her son Robert and family.

Who ever before heard of plum trees blossoming in March in this country? Or grass far enough advanced that cattle could pick a living on it?

Mrs. Alice Sullivan and children came up from Columbus last Saturday for a short visit at the home of Mr. and Mrs. Dennis Sullivan and family.

Dr. Benthaek received a fine young colt from Norfolk on Saturday evening's freight. She is a pure-bred Percheron, but ten months old, and weigh a thousand pounds.

After a sickness of four weeks with typhoid fever in St. Joseph's hospital in Omaha, Harry Gentleman died at 11 o'clock last Wednesday. The remains arrived here Thursday evening, and the funeral conducted from St. Joseph's church Friday morning.

Emil Schoen lost a horse Saturday morning which he valued at \$250. There seems to be a sort of contagion among horses around here this spring and many of them are dying. They are taken with what appears to be colic and die within a few hours, despite the ministrations of the best veterinarians.

On last Thursday's south bound freight train were nine car loads of stock, machinery, household goods and grain belonging to a colony of people from Carrol and vicinity, on their way to Idaho. Among the lot was Dan Maher. These people all bought land out there last fall and are going out to make their homes. As the land is unimproved none of the families of these men will go until houses for them to live in have been built.

### MONROE.

From the Republican.  
Mrs. John Lammers arrived Saturday from Oklahoma where she has been visiting relatives.

E. D. Jenkinson who was taken very sick last week and at one time was quite low, is now convalescing.

Kenneth Strother and Lloya Matson came up from Columbus Friday to spend the week at the A. E. Matson home.

Isiah Lightner was in Lincoln from Friday until Tuesday of this week, attending Friends' half yearly meeting.

At the election of the village board Tuesday the following trustees were elected for the village of Monroe: Wm. Webster, D. H. Gipe and Obas Christner.

Chas. Snyder, Gordon Hill and Miss Mande Hill who have been attending college at Columbus during the winter returned to their homes this week to spend the summer vacation.

W. A. McWilliams has purchased the R. J. Pugsley residence, which was owned by H. B. Robinson of Columbus, who intended to move it to that city. Mr. McWilliams expects to move into it.

Albert Carper of Genoa has rented the Commercial hotel and will be ready for business Saturday morning. Mr. Carper has been refurnishing and retinting the hotel and will endeavor to run it as a first class hotel. He is a barber and contemplates running a shop in connection with the hotel.

Two prominent young Postville people, Will Williams and Miss Anna Williams, were married at the residence of the bride's parents, Wednesday evening, only a few intimate friends being present. They will go to house-keeping on the farm near Mrs. J. D. Williams, mother of the groom.

Lester Kelley is moving down from Fullerton and will occupy the same house with his father. Ever since his sickness last winter Lester has been unable to work on the railroad, and for the summer will be compelled to find lighter employment. At present he is under the care of the company physician and when he regains his health will again go to work for the railroad.

Monday evening the board of education will hold their regular meeting and one of the important matters to come before them will be the election of teachers for the coming year. So everyone seems to be well pleased with the present teachers and it is quite likely that they will all be re-elected. Monroe schools enjoy a good reputation for efficiency and this is due in a large measure to the teachers and their re-election is a recognition of this by Monroe people.

### GENOA.

From the Times.  
Married, at the home of the bride's parents, near Genoa, on Wednesday evening, March 30, 1910, Mr. Victor Battles to Miss Sabra Starr, Rev. Milo Ross officiating. The couple have gone to house-keeping at the country residence of the groom east of town.

Word has been received in Genoa that a prairie fire which swept through Dawson county destroyed the house, barn, granary and hay on the farm of H. W. Cuddeford. All that was saved was the clothing of Mr. Cuddeford and his family were wearing at the time the fire occurred.

Mrs. Cynthia Thurston has been transferred to White Earth, Minn. She was the oldest employe here in point of service, having been connected with the school for seventeen years, and being in charge of the hospital the greater part of the time. The sick and afflicted will miss her kindly ministrations.—Indian News.

Nearly every town has a man who is selected as officer-of-the-day at Fourth of July celebrations and on other like occasions. He rides up and down the street wearing a red sash and mounted on a prancing horse. Since Hiram Lewis left Genoa the officer-of-the-dayship has, by common consent, been bestowed upon "Bill" Irwin. In Fullerton the privilege of wearing the red sash and riding a prancing steed is still retained by Joe McClelland.

### SCHUYLER.

From the Sun.  
John O. Sprecher, who has been publishing the Schuyler Free Lance, announced in his last issue that he had suspended business. The relations of the editor and Mr. Sprecher have been very friendly and we regret that such a congenial competitor has quit the field.

Last Monday Frank Sindelar was re-committed to the Lincoln Insane Asylum. Early in the winter he was sent down there by the insanity board and placed in the Dipoo-ward and was recently discharged. The treatment failed to do him good so he again began to drink and it became necessary to send him back for treatment.

The funeral of Mr. Chas Sult, section foreman at the siding west of Schuyler known as Lambrecht, was held last Saturday afternoon. Mr. Sult was 35 years of age and the cause of his death was pneumonia. He was formerly a barber in Richland and also at Rogers but for some time has lived at Lambrecht siding. A brother from Binsfield, West Virginia was here to attend the funeral. Mr. Sult leaves a wife and three children to mourn his loss. Interment was made in Schuyler cemetery.

Killed by Fear.  
Frederick I. of Prussia was killed by fear. His wife was insane, and one day she escaped from her keeper and, dabbing her clothes with blood, rushed upon her husband while he was doing in his chair. King Frederick imagined her to be the "white lady" whose ghost was believed to invariably appear whenever the death of a member of the royal family was to occur, and he was thrown into a fever and died in six weeks.

### HAIR HEALTH.

If You Have Scalp or Hair Trouble  
Take Advantage of this Offer.

We could not afford to so strongly endorse Rexall "93" Hair Tonic and continue to sell it as we do, if we were not certain that it would do all we claim it will. Should our enthusiasm carry us away, and Rexall "93" Hair Tonic not give entire satisfaction to the users, they would lose faith in us and our statements, and in consequence our business prestige would suffer.

Therefore, when we assure you that if your hair is beginning to unnaturally fall out or if you have any scalp trouble Rexall "93" Hair Tonic will promptly eradicate dandruff, stimulate hair growth and prevent premature baldness, you may rest assured that we know what we are talking about.

Out of one hundred test cases Rexall "93" Hair Tonic gave entire satisfaction in ninety-three cases. It has been proved that it will grow hair even on bald heads, when, of course, the baldness had not existed for so long a time that the follicles, which are the roots of the hair, had not become absolutely lifeless.

Rexall "93" Hair Tonic is vastly different from other similar preparations. We believe that it will do more than any other human agency toward restoring hair growth and hair health. It is not greasy and will not gum the scalp or hair or cause permanent stain. It is as pleasant to use as pure cold water.

Our faith in Rexall "93" Hair Tonic is so strong that we ask you to try it on our positive guarantee that your money will be cheerfully refunded without question or quibble if it does not do as we claim. Certainly we can offer no stronger argument. It comes in two sizes, prices 50 cents and \$1.00. Remember you can obtain it only at our store, Pollock & Co. the druggists on the corner.

## Better Plumbing

MANY homes should have better bath rooms than they now have. We have always tried not only to do better plumbing than we ever did before, but better than anybody else can do. The volume of work we are now doing shows how we are succeeding.

We use only genuine "Standard" plumbing fixtures and employ only experienced workmen. Our repairing service is prompt and reliable.
