

PLUMBING

is more seasonable now than at any other time in the year. If you have plumbing that should be done for the betterment of sanitary conditions, you ought to send for us at once.

WE WON'T OVERCHARGE

but we will guarantee to do your work as well, if not better, than you could have it done elsewhere.

ABOUT OUR NEIGHBORS AND FRIENDS CLIPPED FROM OUR EXCHANGES

CEDAR RAPIDS

From the Outlook.
Recent word received from Omaha states that Guy Bertie underwent an operation last Saturday. Since then he has been improving slowly with clean air good for a complete recovery, providing, of course, other complications do not set in.

Charles Autine of Belgrade was a Cedar Rapids visitor Sunday. Charley is going to get a tryout with Columbias in the Nebraska league, this season. If he makes good, which no doubt he will, both Belgrade and Cedar will be by a good ball player. Charley is speedy and has a fine fielder, and if he hits her out a little oftener he will win a berth with us.

GENOA

From the Times.
While shaving himself, George Durkee of Spaulding, cut his cheek. Within two hours crypsipelas set in and six days later he died.

The county board has voted to furnish enough plank for four King road drags to each township in the county. It is now up to the townships to make the drags and get busy improving the roads.

The friends of Chris F. Vogel who until recently resided seven miles northwest of Genoa but moved to a farm house from St. Edward March 1st, were surprised and shocked to hear of his sudden death which occurred last Saturday morning. Chris was in Genoa Monday or Tuesday and was apparently in good health. On Wednesday he was taken sick, and a physician summoned, who pronounced his ailment measles. As is sometimes the case in adults, the case was very severe, but no one expected Chris' sickness would result fatal. He grew rapidly worse Friday and on Saturday passed away.

LEIGHTON

From the World.
John Behrens hauled some cattle to market at Columbus last Friday, which is something unusual as they are generally driven.

Farmers have started to sow spring wheat and it seems that there is going to be more wheat sown this year than there has been for a number of years.

Rev. and Mrs. Miller of the Zion Creek Lutheran church celebrated their silver wedding anniversary on Wednesday. A large crowd was present and many beautiful gifts of silver were given the host and hostess.

While driving cattle at the home of Joe Filippi Saturday morning Norman Oehlser sustained a broken leg that will put him off duty for some time. The horse he was riding slipped and fell thus causing a number of breaks in the tail of the stallion and there being imminent danger that his barn would be destroyed.

Fred Ahrens who was unfortunate to destroy Mr. Smith attempted to close his barn door, thinking he would then run away had the same limb broken prevent the flames from reaching the engine again Saturday morning just as the engine was about to start. He was above the former break. He was from the former position through an opening. While engaged in this chase the cattle in the yard and during this he sustained the injuries as above the stampede. Mr. Ahrens was run over, however, and the dingers are getting along nicely at last reports.

BELLWOOD

From the Gazette.
A number of the farmers living along the rural free delivery lines of mail out of Bayneville, Kan., have pulled down their mail boxes and refused to accept mail from a negro carrier recently appointed.

Last week the Gazette erred in stating that the baby buggy presented Mr. and Mrs. E. Selzer, from the phone patterns west and north of Bellwood. Since we have learned that those east and northeast of Bellwood liberally donated toward the present, and therefore we believe in doing them justice by making this correction.

This old person in Nebraska, Aaron Bradford, was just died near Lisco at the age of 115. Bradford was a remarkable man and retained his mental faculties to the time of his death. He never married and is not supposed to have a relation living. Bradford never rode on a railroad train, steamboat, nor in an automobile; never saw an electric street car and never rode in a street car of any kind. Though able to read Latin and German he never attended school after he was 5. He never sat for a photograph, never was in a building in which there was an elevator and never had a razor put to his face, always trimming his beard with shears. Bradford cast his vote for Monroe for president. After that he voted at every presidential election, though never taking much interest in politics.

CENTRAL CITY

From the Neoparol.
The health officers quarantined John Hastings at his rooming place last Monday. John has a mild case of smallpox. He has been down to Omaha last week previous and it is presumed contracted the disease while in that city. As stated above the case is only a mild one, reports to the contrary notwithstanding.

Sheriff Her went over to Stromsburg, the latter part of last week and placed under arrest one Geo. Wright, who is wanted on a statutory charge at Erie, Kansas. Wright had been working in the vicinity of Hordville for a short time and had later gone to Stromsburg, where his arrest followed. The crime with which he is charged is a serious one and it is alleged was committed about a month ago. Sheriff Her took the prisoner over to Aurora Monday noon, where officers from Erie were waiting to return home with their man.
