CONFLICT MUST BE CONFINED TO MEXICAN TERRITORY.

President Notifies Authorities that War Must Not Get Over the Rio

Grande.

Washington.-President Taft is determined that battles between Mexican federalists and insurrectos shall not be fought on American soil. He is equally determined that the lives of American non-combatants shall not be endangered by the forces of President Diaz and those of General Madero. Future combats between the rebels and the forces of the Mexican government must not be fought out so close to the American line as to put in jeopardy the lives and proper-

ty of Americans. Through the state department the president notified the Mexican government that it must see to it in the future that no such unfortunate incident as that of Thursday at Agua Prieta, near Douglas, Ariz., when two National negro democratic executive | Americans were killed and eleven through the department of justice the president sent the same sort of warnat Agua Prieta.

The view was expressed at the more battles will be fought in the vicinity of the boundary.

Neither the president nor any of his advisers whom he called into consultation, was inclined to regard the inof anything more serious, but they did

conclude that it must not be repeated. President Taft feels that his order sending the troops to Texas has been entirely justified by the developments \$500 commuted a few weeks ago, to a ent tariff bill, is in a serious condi- of the last few days.
