## THE ONLOOKER

By WILBUR D. NEFFET

### Toot! Toot!

T. Tooles, a tutor, instructed a tooter. To tootle two toots on a flute. The tooter, T. Tooter, would tutter and teeter. And chew tutt-frutt, to boot.

"Two toots," said the tooter. To tootle, the tooter. "Are all the toots I would toot?" "Tut, tut," said the tutor, addressing the tooter. "\$2.00, then, to tutor to toot."

The tutor then tooted. To show how 'twas tutted; T. Tooter then tooted it, too. "You utter the meter," the tutor told tooter. "And tutted: 'To two toots, \$2.00.'"

\$2.00 to the tutor. T. Tooter, the tooter: "Then Tootles went out for a toot. This tutor who tooted. He tooted and tooted. While tooting his wild \$2.00 toot."

Came Tooter the tooter. To his tooting tutor. And went on the toot with him, too. Then tutted T. Tooter: "This toot's no repeater. A \$2.00-less tutor are you."

The two tooters tooting. At two were computing. "The toot left of \$2.00. 'Come, home let us tooter.' They sighed, 'for ice water—' We two need to end our toot, too."

### The Conundrum Man Again.

He edged into the office and faded quietly to the desk of the pale faced slaver with the belligerent fountain pen and observed:

"I don't want to interrupt you, but a neat little thought just came to me, and I—"

"Oh, it's you, is it?" interrupted the hiring, "I thought you had left town."

"I've been away for awhile," the man explained. "Often wish that you fellows might get out of town for a vacation. Think it would benefit you in your work—give you some fresh ideas. Now, this little quip that just occurred to me—you can fix it up to suit yourself. These little thoughts come to me right along, and I believe in passing them along. Of course, I never bothered myself to try to write—I've had more important things to do—but some day I think I'll—"

"What is the idea?" asks the slack led serif.

"As I said, I'll give you the gist of it, and you can frame it up any way you like. It's like this: Suppose there's a feud between two deacons of a church over a matter of architectural detail. One deacon wants the pews made of a certain wood, and the other wants the window sills made of another kind, and they get into a disagreement over it."

"Well?"

"And so, don't you see, you can have a third party say that it impresses him as a few-sill-animus proceeding."

"Yes? Go on."

"That's all there is—all you need. Few-sill-animus—musillanimus, don't you understand? Struck me as rather a novel idea—and of course you can work it up any way you choose."

"But suppose they used chairs instead of pews in the church? Modern architecture, you know, is making vast strides, and—"

"But that doesn't matter. That gets away from the point. One wants one kind of a pew, and the other—"

"Was the other fellow going to sit in the window?"

And the man walked out with a haughty tread which so impressed the office boy that he took his feet off the desk.

### Perfectly Natural.

"What a splendid portrait of Miss Gossom!" she exclaimed. "Is it done in oils?"

"No," answers her bosom friend. "It is lifelike because it is done in facial cream and a pastel of complexion powder."

### The Simple Life?

"Ah," sighed the rabbit to the spring lamb, "how I envy you! Yonder comes a poet who will write beautiful verses about you."

"Yes?" murmured the lamb, preparing to skip swiftly over the hills, "but behind him there comes a butcher who is figuring on how high the price of lamb chops ought to be."

### Every Little Helps.

"I think my oldest boy has the making of a great humorist in him," says the man with the pickle nose.

"That so?" asks the man with the zion eyes.

"Yes. Why, say, he can spell a great deal worse than Josh Billings ever could."

Hitched Up.

"Miss Newgill seems very gladdy this evening. Is this her first large lance?"

"Yes; and then she is wearing her first long train—that makes her head-light."

Meber Street.

## Sure.

"What is a co-worker?"  
"One who helps you work some body, of course."

Mrs. Winslow's Soothing Syrup for Children teething, softens the gums, reduces inflammation, allays pain, cures wind colic, &c. a bottle.

An institution must be propped up by precedent when it is no more upheld by sap.

Take Garfield Tea in the spring to purify the blood and cleanse the system.

# Before Having an Operation

Please Read These Two Letters.

The following letter from Mrs. Orville Rock will prove how wise it is for women to submit to the dangers of a surgical operation when it may be avoided by taking Lydia E. Pinkham's Vegetable Compound. She was four weeks in the hospital and came home suffering worse than before. Then after all that suffering Lydia E. Pinkham's Vegetable Compound restored her health.

### HERE IS HER OWN STATEMENT.

Paw Paw, Mich.—"Two years ago I suffered very severely with a displacement—I could not be on my feet for a long time. My physician freckled me for several months without success, and at last sent me to Ann Arbor for an operation. I was there four weeks and came home suffering worse than before. My mother advised me to try Lydia E. Pinkham's Vegetable Compound, and I did. To-day I am well and cured. My father suggested that I give my health to Lydia E. Pinkham's Vegetable Compound and advise every woman who is afflicted with any female complaint to try it."—Mrs. Orville Rock, R. R. No. 5, Paw Paw, Mich.

"There never was a worse case."

Rockport, Ind.—"There never was a worse case of woman's ill than mine, and I cannot begin to tell you what I suffered. For over two years I was not able to do anything. I was in bed for a month and the doctor said nothing but an operation would cure me. My father suggested that I try Lydia E. Pinkham's Vegetable Compound; so I please him I took it, and I improved wonderfully, so I am able to travel, ride horseback, take long rides and never feel any ill effects from it. I can only ask other suffering women to give Lydia E. Pinkham's Vegetable Compound a trial before submitting to an operation."—Mrs. Margaret Meredith, R. F. D. No. 3, Rockport, Ind.

We will pay a handsome reward to any person who will prove to us that these letters are not genuine and truthful—or that either of these women were paid in any way for their testimonials, or that the letters are published without their permission, or that the original letter from each did not come to us entirely unsolicited.

For 30 years Lydia E. Pinkham's Vegetable Compound has been the standard remedy for female ill. No sick woman does justice to herself who will not try this famous medicine. Made exclusively from roots and herbs, and has thousands of cures to its credit.

Mrs. Pinkham invites all sick women to write her for advice. She has guided thousands to health free of charge. Address Mrs. Pinkham, Lynn, Mass.

### We Might Have Earned a Vote.

Little Johnnie stood gazing solemnly on the decrepit form of an old countryman. Noticing the boy's attention the old man asked: "Well, what is it, son?"

"Say," the inquisitive youngster asked, "did the politicians kiss you when you was a baby?"—Success Magazine.

### An Individual.

The reason for the individual drinking cup had been explained again and again to the children and they had become sturdy supporters of the idea.

So it was not surprising to hear Henry calling: "Ma, ma! Melville's got my individual apple!"

Sold by Druggists, Harness Makers, or sent to the manufacturers, \$5.00 and \$1.00 a bottle. Agents wanted. Send for free book. Spahn Medical Co., Spec. Contagious Diseases, Goshen, Ind.

### FREE SAMPLE CURED OLD

### PERSON'S BOWEL TROUBLE

One of the most remarkable proofs of the unusual laxative merit contained in Dr. Caldwell's Syrup Pepsin is that it is effective not only in people in the prime of life, but at the extremes of ages. As many letters are received from mothers regarding the cures of children, as from men and women of sixty, seventy and eighty years of age. It must be truly a wonderful laxative.

In the cure of constipation and bowel trouble in old people it has no equal. It corrects the constipation, dispels the head-ache, biliousness, gas, drowsiness after eating, etc. People advancing in years should see to it that their bowels move freely, and if they do not take Dr. Caldwell's Syrup Pepsin, you can pro-

long your life by healthy bowel action. Clogged bowels invite disease. Women about to pass the menstrual period cannot do better than use Syrup Pepsin several times a week until the system has returned to its future condition.

Among the strongest supporters of Dr. Caldwell's Syrup Pepsin are Mr. W. G. Zorn of New Decatur, Ala., and Mr. George S. Spaulding of the National Soldiers' Home, Kansas, both elderly men. The regular size bottles can be bought of any druggist at fifty cents and one dollar, but a free sample bottle can be had by sending your address to the doctor.

For the free sample address Dr. W. R. Caldwell, 231 Caldwell Building, Montecello, Ill.
