4 1/2 Hours Cut from the Time TO CALIFORNIA

New schedule for the San Francisco Overland Limited, in effect Monday, May 29, saves half a business day between Missouri River Points and San Francisco.

This record-breaking time is made possible by the short line, double track, few curves and low grades of the

Union-Southern Pacific

Standard Route of the West

Protected by Electric Block Signals
Excellent Dining Cars

Ninety-pound steel rails and a Sherman ballasted roadbed, smooth and solid as a rock, further contribute to speed. These are the essentials of travel comfort.

The San Francisco Overland Limited is the finest train in service to California—and now the fastest.

ITEMS OF INTEREST

ABOUT OUR NEIGHBORS AND FRIENDS CLIPPED FROM OUR EXCHANGES

HUMPHREY.

From the Democrat.

Mrs. Frank German was 64 years old last Sunday and in commemoration of the event, the children of the lady arranged a surprise party for her. In the afternoon of the day the children and their families and other relatives and a few close friends unceremoniously gathered at the parental home and a few hours were very pleasantly spent. And with the children and their families there, it may be said, that the crowd would not have been small with them alone, because Mrs. German is grandma to 39 children, the greatest number of whom live in Platte county. Mrs. German was presented with a beautiful rocking chair.

The moving of the buildings in the rear and excavation for the enlargement of Steffes Bros. store was begun this week and the work of enlarging will be pushed to completion as rapidly as possible. The present building will be enlarged to extend to the north forty feet, the new part to be the same width as the old building. Changes will also be made in the old building to conform with the new part, and a fine cement basement will be put under the entire building. It is safe to say that with the added improvements, Steffes Bros. will have one of the most convenient and up-to-date merchandise stores in this part of the country, and a store which the people of Humphrey and vicinity can be proud of. The plans were drawn according to Steffes Bros. idea of a modern store, and Miss Mary Ottis, the owner of the building, will see that the plans are fully carried out.

Mrs. Geo. Russell died at the home of her daughter, Mrs. L. D. Diers, yesterday morning at 5:29 o'clock, following a second stroke of paralysis which afflicted her late Monday evening. Mrs. Russell, who was 75 years of age, sustained her first stroke of paralysis about two months ago, since which time her health has been very poor. Mrs. Diers went to Elkdale at that time to care for her mother, and last Friday accompanied by both her parents returned home. The old couple expected to make their home here for some time, and for a few days the change seemed to make a great improvement in Mrs. Russell's health. The second stroke came almost without warning and she never regained consciousness until the end came. The remains were taken to their home at Elkdale today, and the funeral will take place Sunday. Mrs. Russell leaves besides her sorrowing husband, four children, two sons, Frank Russell, of Murdo, South Dakota, and Chas. Russell, of Mound City, South Dakota, and two daughters, Mrs. Geo. Perry, of Cedar Rapids, Iowa, and Mrs. L. D. Diers, of this place. Mr. and Mrs. Diers and daughter, Vera, accompanied the bereaved husband on his sad journey home. The family have the sympathy of all in their time of sorrow.

PLATTE CENTER.

From the Signal.

Miss Gertie Mylet arrived here from Scotia last Saturday evening for a visit with relatives. Miss Mylet is assisting her sister, Sarah, in telephone work at Scotia. She returned Tuesday evening.

Relatives have been advised recently of the death on May 7th of Edward, youngest son of Mr. and Mrs. John Ripp, at their home at Hamill, South Dakota. The little fellow died from an ailment which baffled the skill of several prominent physicians.

The many friends of Mr. and Mrs. Robt. Rupperecht, who left here several months ago, and located in Cedar Rapids, will learn with regret that this estimable family has had serious sickness in their household, every member having been afflicted since they left here. For a time fears were entertained that Mr. Rupperecht would not survive. We are pleased to note that his condition is much improved.

The news reaches us that Albert Lottes, who formerly resided a few miles south of Iowa, but who was a resident of Aberdeen, Idaho, the last year, died at that place on May 6, from tuberculosis. Mr. Lottes is survived by a wife and three small children.

SILVER CREEK.

From the Sand.

Byron Bond has purchased a lot in D. J. Towhee's addition, and will build a house there before fall. Allen Davies has bought the lot adjoining Bond's, but he don't want anybody to know it, so we have promised him not to say a word about it.

Robert Murray, Jr., who was seriously injured a week ago Thursday in the hospital. He has the best of care, the doctors in attendance say that they have the best of hopes for him, while they will not say he is out of danger yet. They feel hopeful, however, and so do we all.

Mrs. S. F. Frizell, living south of the river, was quite badly shaken up and bruised Wednesday morning by being thrown from a buggy as she was driving to town. The accident happened near Clyde Cannon's, the horse being frightened by a dog. The horse and buggy were but slightly damaged, and Mrs. Frizell is doing as well as could be expected.

Wednesday afternoon the barn on the William Mason farm was destroyed by fire. A horse in the barn belonging to Adam Mason perished in the flames. None of the men folks were home at the time and nothing was saved. Children playing with fire were supposed to have caused the trouble. Besides the barn and horse, harness and other articles usually kept around a barn were burned. The barn was not insured, if our informant is right, but the horse was. Adam Mason was working in his cornfield about a half mile from home when he saw the fire. He ran to it, suffered heart failure and has been a very sick man since, but the latest we have is that he is recovering.

Bellwood.

From the Gazette.

A young man named Nordgren, of Newman Grove, was hired this week as principal of our school.

Mr. and Mrs. J. J. Meysenburg are feeling happy over the arrival of a new baby girl at their home last Saturday.

The baby boy that was born to Mr. and Mrs. Sam Flemming on Thursday of last week, died on the following day.

Adolph Selzer dropped into Bellwood Saturday evening from Clay Center and spent Sunday with his parents.

Mrs. Fred Burch and babies came into Bellwood Monday evening from Dakota to visit with relatives.

The Rising City paper was sold last week to R. P. Showalter and came to our sanctum newsier than ever. Owing to poor health Mr. Kaempher retires from the newspaper field, at least, for a while.

Mr. and Mrs. Wesley Miller dropped into Bellwood Tuesday evening from Edwardsville, Illinois, and are visiting with Mr. and Mrs. U. G. Nantkes and Mr. and Mrs. H. W. Nantkes. Mrs. Miller is a sister to U. G. and H. W.

The Seward Independent says that Henry Buller has left Tamora and about the 1st of June will leave for Nicaragua, Central America, where he will be assistant overseer of a banana plantation. Henry formerly ran a harness shop in Bellwood.

West Hill.

School closed in District 68 last Friday with a picnic at Albin Pearson's. Owing to the busy time of year the crowd was not large, but the day was ideal for a picnic and everyone present enjoyed their outing as well as the bountiful dinner served under the trees.

Mrs. Worden came up from Columbus last Wednesday to attend the closing exercises of Miss Neta Worden's school.

T. B. Dunlap, who has been visiting his daughter, Mrs. Myra Gillespie, for

6. W. PHILLIPS, Cashier

several weeks, went to Lincoln last Wednesday for a short visit with relatives.

Dan Pearce and Miss Lillian Pearce were called to Geneva, Illinois, last Wednesday by the death of a cousin, Miss Agnes Slothower. Miss Agnes will be remembered by many in the neighborhood, as at one time she resided here and attended the district school. She has been in poor health for a long time, but her friends regret to learn of her death.

A baby boy was born to Mr. and Mrs. Robert Thomazin, Thursday, May 11, 1911.

Mr. David Johnson and Miss Hilma Gustafson surprised their friends last Wednesday when they were quietly married at the Gustafson home in the presence of the two families. Rev. Freeman, of the Swedish Methodist church, performing the ceremony. The newly married couple left that evening for Holdrege for a short visit with relatives. Mr. and Mrs. Johnson will reside on the Claus Johnson farm. Their many friends extend congratulations and best wishes for a long and happy life.

A very pleasant home wedding took place at the home of Mr. and Mrs. H. C. Christensen, of St. Edward, on Wednesday, May 17th. The occasion was the marriage of Miss Mary Christensen and Mr. Leslie Irwin, of the West Hill neighborhood. About thirty-five guests assembled to participate in the pleasure of the happy event. The marriage ceremony was solemnized at twelve o'clock, Rev. Rasmussen, of the Danish Lutheran church, northeast of St. Edward, being the officiating clergyman. After the friends had expressed their sincere congratulations they were invited to the dining room to partake of a bountiful dinner. Many beautiful gifts to the happy young couple attend the esteem in which they are held by their acquaintances. The bride needs no introduction to the West Hill people, having taught in the school for two years, and all will be glad to welcome here as a resident in the neighborhood. Mr. and Mrs. Irwin will be at home to their friends after June 1, 1911, on the farm recently purchased by Mr. Irwin.

Real Estate Transfers.

Becher, Hockenberger & Chambers. Real Estate Agents, report the following transfers filed for record in the office of the County Clerk during the week ending May 20, 1911:

"IN A BAD WAY."

Many a Columbus Reader Will Feel Grateful for This Information.

When your back gives out; Becomes lame, weak or aching; When urinary troubles set in, Your kidneys are "in a bad way." Doan's Kidney Pills will cure you. Here is local evidence to prove it: Mrs. C. A. Beardsley, 1710 Olive street, Columbus, Nebraska, says: "In July, 1907, I gave a public statement in favor of Doan's Kidney Pills, saying that a member of our family who had suffered from lame back and disordered kidneys, had used this remedy with

marked success. For some time this person had been troubled by sharp pains in the sides and loins and no doubt, the misery was caused by a strain. Doan's Kidney Pills, procured at Pollock & Co.'s Drug Store, proved to be just the remedy that was needed and it did not take them long to bring relief. The person of whom I am speaking, has taken Doan's Kidney Pills since then and they have always proven effective. I, too, have used Doan's Kidney Pills and think very highly of them."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

Stray Notice.

Came to my place Wednesday, May 11th, a heifer about six months old. Person proving property and paying for add and expense of keep may have the same.

JOHN MURCEK,
Route 4.

Need for New System.

Even in the kindergarten it would be well, while playing, to endeavor to mold the character of the dear little ones. A system of education which is a century behind needs to be revolutionized, and whoever devotes himself to the task of bringing about this change and solves it will secure a most beautiful and everlasting monument, the eternal gratitude of all humanity.

Profit in Cattle Raising.

Prices paid to Argentine cattle raisers have been rising steadily for the last twenty-five years.

wishing good paying positions for summer may learn of some by addressing Miss Laura Reed, General Delivery, Lincoln, Nebraska.

COLUMBUS MEAT MARKET

We invite all who desire choice steak, and the very best cuts of all other meats to call at our market on Eleventh Street. We also handle poultry and fish and oysters in season.

S. E. MARTY & CO.
Telephone No. 1. - Columbus, Neb.

DO YOU WANT TO BUY

The best irrigated land, with the best water rights. Which has produced bumper crops for the past 20 years. Price reasonable. Terms very easy. For particulars write Isaac Conner, Omaha, Neb.

Future of Cheesemaking.

Cheesemakers of the next century, maybe sooner, will have a good germ laboratory attached to their factory, in which pure cultures of the cheese bacteria, germs responsible for the flavor of each kind of cheese, will be grown and nursed, and instead of fromage de Erie, Stilton or Gorgonzola, coming from different parts of the world, they will all be turned out from one factory, and no telling how cheap.

Getting Even.

Baby Tim had tried his mother's patience beyond endurance, and, declaring her intention of administering immediate corporal punishment, she snatched up the nearest available weapon, which happened to be Tim's big rag doll. Tim, though little hurt howled lustily, and that night, tucked the doll to bed with his arm about sternly exclaimed: "It's your turn now, Topsy. You whipped me this afternoon, but you'll sure get yours now!"

A Grand Climax.

It was the cub reporter's first assignment—the obituary of a prominent city man who had been fatally injured in an automobile accident. In his write-up he vividly described the tragic circumstance, referring to the bereavement sustained by the family. "The widow," he concluded, "is almost grief-stricken."—Success Magazine.

Underwood Standard Typewriter

A LEADER

The principal of construction in the Underwood was found first in the Underwood, and every typewriter seeking business in the same field with the Underwood which has been put on the market since the advent of the Underwood, has been an imitation of, and in general appearance like, the Underwood.

The last "Blind" advocates of importance have now fallen into line, and there is not to-day a single "blind-writing" typewriter actively on this market. Recall all the arguments you have heard in past years by Underwood opposition, and you will realize what an advance agent of progress the Underwood has been; then bear in mind that the Underwood was the first fully "visible," has had time to develop and improve, and is to-day the most perfect typewriter made.
