Mrs. R. Jenkinson and Mrs. C. E. Pollock, Misses Vivian Jenkinson and Maud Galley went to Julesburg, Colorado, Tuesday to attend the Winter-bothen-Labee wedding, which occurred Wednesday.

Miss Emily Rorer left Tuesday for Omaha, where she will meet a party with whom she will tour Europe. They expect to sail from Montreal about the 24th, going straight to Glasgow. The party will be gone until September touring Scotland, England, Germany, Holland and Switzerland.

A double wedding took place today noon at the home of Mrs. M. K. Turner, 118 West Ninth street, when Miss Hulda Malm, of Wahoo, was married to Ralph Turner and Miss Rena Turner became the bride of Alfred J. Anderson, of Omaha. The ceremony was performed by Dr. C. W. Ray, of the Methodist church, and was witnessed by the relatives only. The Lohengrin bridal chorus was played by Miss Martha Turner just before the ceremony, and as the wedding party took their places in the parlor before a bank of greenery. The beautiful and impressive ring ceremony was used. Following the ceremony a three-course luncheon was served. Mrs. Mary Phillips and Mrs. Axel Lindblad presided at the table and Misses Alice Craig, Minnie Anderson and Clara Brown served the luncheon. The decorations in the dining-room were pink and green, the room being darkened and illuminated with pink candles. Mr. and Mrs. Anderson and Mr. and Mrs. Turner left during the afternoon for Wahoo, where a reception was given in the evening by the relatives of Mrs. Turner. Both brides wore white and carried pink roses. Miss Malm and Miss Turner are graduates of the Peru state normal, the former in the class of 1904 and the latter in the class of 1909. Both have taught school in Columbus and other places. Mr. Anderson is a railway mail clerk between Omaha and Cheyenne. Mr. Turner is associate editor of the Practical Engineer, Chicago. The out-of-town guests were, Mrs. Olof Anderson and daughters, Emily and Minnie, Mr. and Mrs. F. G. Karlson, Mrs. Axel Lindblad, Mr. and Mrs. W. S. Craig and daughters, Alice and Clara, and Mrs. Mary Phillips, of Lincoln, Mrs. Howard Rowe, of Omaha, Mrs. G. M. Brown and daughter, Miss Clara, of Cedar Rapids.

The next and last number on the program was the valedictory oration, which was delivered by Miss Nellie Ryan. This oration is printed in full in another column.

We wish we were able to present each of the orations at length to our readers, but this would be impossible at this time. Those who were fortunate enough to be present and to hear them, however, know that each of the young ladies in the class, whether in oratory or music, acquitted themselves in such a manner as to reflect great credit not only upon themselves, but also in the magnificent institution of which they are now alumni.

Following the regular program, Father Marcellinus appeared on the rostrum and made a few remarks appropriate to the occasion and of advice to the young ladies who were about to leave the school and enter actively into a broader field. He then delivered the diplomas and medals to the graduates, and made the announcements of the pupils in the school who had passed from their respective grades to be next higher, presenting each with a medal and a certificate of promotion.

After this had been done, the graduates and their parents repaired to the spacious dining hall of the Academy, where a sumptuous repast had been prepared in their honor. The tables were tastefully decorated with foliage and candles were placed at each place. In the center of the table was placed a large mirror, representing the sea of life, on which the guests of honor were embarking, while small gondolas represented the ships in which they were to set sail.

The alumni of the Academy have never organized into an association as such, although each year at commencement a considerable number of the graduates of former years are present to extend welcome to the new members. The Sisters in charge announce that it is their purpose to organize an alumni association within the next year, and such an organization cannot but stimulate and keep alive among its members the memories of the most pleasant period of their lives—the days of the sweet and innocent associations of childhood and youth.

ST. FRANCIS COMMENCEMENT.

A crowded house greeted the class of 1911 of St. Francis Academy in the auditorium last Monday evening, to witness the commencement exercises.

The class numbered six young ladies, three of whom, Misses Nellie Ryan, Nora Tomas and Anna Ladenburg, graduated from the academic course, while Miss Ryan, together with Misses Clara Abts and Angelina Shields graduated from the piano class of the music department and Miss Margaret Snyder from the violin class.

The program opened with an entrance march, played by an ensemble, consisting of Misses Lauretta Jungles and Clara Jonas at one piano and Misses Mabel Reinhard and Antonia Willenbring at another. This was followed by a class song of welcome by the school, and this in turn by a much appreciated piano solo by Miss Angelina Shields.

An oration on the subject of "Belles-Lettres" was then delivered by Miss Anna Laudenburger. She divided the subject into three divisions, history, poetry and literature, giving at the same time a brief descriptive illustration of each, and making short references to some of the leading exponents of the several sub-divisions in which she divided her subject.

A piano solo by Miss Nellie Ryan was the next number and it was well rendered and enthusiastically received by the audience.

"Successful Failures" was the subject of an oration by Miss Nora Thomas. She deplored the methods of some people in their scramble for wealth, which was used to no good purpose, and which added nothing to the things which were worth while to its possessors. She also referred to some of the people which the world has called great for the time being, but when put to the test were found to be sadly lacking. On the other hand, she also made references to some people who went about doing good in a quiet, unobtrusive way, and while the world called them failures it was because the world did not know of the good deeds done by them.

The next number, a violin selection by Miss Margaret Snyder, showed well the training received, and also that the young lady possesses considerable talent in handling her chosen instrument. Following this was another class song, a tribute to "Our Flag," and a piano solo, by Miss Clara Abts, each of which received hearty and merited applause.

The next and last number on the program was the valedictory oration, which was delivered by Miss Nellie Ryan. This oration is printed in full in another column.

She became a member of the Christian church at the age of thirteen, and since that time had been a faithful and devoted follower of her Savior. The young people will reside in Omaha.

The Y. M. C. A. baseball team went to Central City last Thursday and there is a hard hitting contest trimmed their opponents, 11 to 10. Both teams fielded well and it was not until the 12th inning that the winning run was shoved over the pan. Central scored three times in the opener, while Columbus got two in the first and one in the second. The home boys did not get any more until the eighth. At the end of the seventh the score book showed 8-3 in Central's favor. Then the balloon started and Columbus commenced to crawl, not on errors but hits. Three runs in the eighth made it 8-6, but Central got two more in her half. However, the home team was not to be denied and by hard hitting pushed four runs over in the ninth and tied it up. Todenhoff tightened in the extra innings and Central could not hit him to any extent. In the 12th Beck walked, stole second and scored at Todenhoff's single to left. Central went out one, two, three in their half and the game was won. Not satisfied with losing the first game the C. C. bunch invited us over to stay and play the next day. We did play on a diamond ankle deep in mud and lost in seven innings, 5-2. Viergutz threw a dandy game for the home boys, the only inning they touched him being the 5th and that told the tale. Linstrum and Westbrook scored the home boys' runs. Both teams hit pretty hard, the Columbus outfield shutting off several runs at the plate by good throws. Considering the fact that the boys played the best they had at Central City, half of them salaried players, the "Y" sure did show them where to go to find a bunch of worthy opponents. Those making the trip were Abts, Viergutz, Nelson, Todenhoff, Rector, Westbrook, Frankfurt, Weaver, Linstrum and Becker.
