Mr. Cunningham was at Overton and had arranged to take an automobile trip to the next town in company with O. Bleau, another traveling man. Just at the last moment he decided to abandon the trip and wait for a train. Mr. Bleau got into a machine and started, and in attempting to cross the railroad track in front of a fast train was run down and instantly killed. The driver was picked up and taken to Grand Island to a hospital, but died while being taken from the depot in an ambulance.

They're Off.

The time for filing applications for places on the ballots for the primary election has expired. As a result the republicans will have to select three names from among a list of eight names to be their candidates to head the ticket at the fall election. The entire list is as follows: Francis G. Hamer, Kearney; Charles B. Letton, Fairbury; Joseph E. Cobbe, Beatrice; William B. Rose, Lincoln; Jesse L. Root, Plattsmouth; Ambrose C. Epperson, Clay Center; Samuel R. Davison, Tecumseh; John M. McFarland, Omaha.

Of these eight men, Judges Letton, Root and Rose are now on the bench, and their term of office will expire next winter. Outside of these three, perhaps Judge Cobbe is the best known, as he has for many years been the compiler of the statutes, and his name is well known wherever a law book enters. Judge Hamer is also well known through his record as a prominent criminal lawyer.

Six democrats have filed for the place, those being John Everson, Holdrege; James R. Dean, Broken Bow; I. L. Albert, Columbus; Willis D. Oldham, Kearney; Joel West, Omaha; and William L. Stark, Aurora.

Judging from the number of filings made for the office of railway commissioner, this must also be a very desirable position. The office is now held by W. J. Furse, of Alma, by virtue of an appointment by Governor Shallenberger, shortly before he left the office of governor last winter, the appointment being made to fill the vacancy caused by the death of Commissioner Cowgill.

To fill this vacancy, six republicans and four democrats have signified their willingness to serve the state. The republicans are H. C. Beebe, Osceola; James B. McGrew, Bloomington; Joseph J. Langer, Wilber; Thomas L. Hall, Lincoln; Earl O. Eager, Lincoln; E. Z. Russell, Blair.

The democrats who have filed are William J. Furse, Alma; Clarence E. Harman, Holdrege; G. S. Upton, Union; B. M. Simms, Alma.

For regents of the state university, the only republicans to file are the present incumbents, Victor G. Lyford, Falls City; and Frank L. Haller, Omaha; while J. E. Miller, Lincoln Otto Katoue, Humboldt Charles L. Anderson Oxford and Charles T. Knapp, Lincoln; are the democratic candidates.

Only two candidates have filed for judge of the district court in this district, these being the present judges, Conrad Hollenbeck, of Fremont, and George H. Thomas, of Columbus, both democrats.

In county politics, the republicans have no candidates for any of the county offices. Among the democrats, however, there are several keen contests, there being seven candidates for county treasurer, four for judge, four for clerk and two for clerk of the district court. A complete list of those who have filed for nomination is given below: for treasurer: Otto E. Heuer, Louis Schwarz, William J. Voss, W. F. Dodds, and Shell Clark, of Columbus; Edmund Miles, of Joliet township, and E. J. Ernst, of Duncan. For county clerk, John Graf, J. L. Brunken, and Adolph Luers, of Columbus, and Frank Kierman, of Woodville township. For county judge, John Ratterman, William O'Brien and W. N. Hensley, of Columbus, and T. DeWitt Robinson, of Humphrey. For clerk of the district court, Christian M. Gruenther, of Platte Center, and Louis Heid, of Columbus. For sheriff, Henry C. Lachnit, for superintendent, Fred S. Lecron; for coroner, Henry Gass Jr.

Joseph Muff, of Humphrey, will contest with Supervisor Schure for the nomination of supervisor in the Humphrey district; Supervisor Daniel Wilson seems to have clear sailing in Monroe district, and Adam Smith appears to have no opposition in the Columbus district.

The Owls and Eagles crossed bats down at the lot Sunday afternoon. That is, they started a game, but when the rain commenced falling in the fifth inning the game was called, and as five innings had not been played, of course it could not be called a game. When the game was called the score stood two to one in favor of the night birds.

J. F. Brewer, 309 W. Eighteenth street, Columbus, Nebr., says: "The public statement that was given in my behalf in praise of Doan's Kidney Pills in 1907 still holds good. For three or four years I was bothered by pains

in my kidneys, and after my day's work I came home feeling all worn out. There was a constant ache across my loins, and the secretions from my kidneys annoyed me by their frequency in passage. Reading about Doan's Kidney Pills, I decided to try them and procured a box at Pollock & Co.'s Drug Store. Their use brought relief from the first, and before long the trouble from my back and kidneys have disappeared. I gladly give Doan's Kidney Pills the praise they deserve."

Our treatment will tell you its own plain story that has meant comfort, health and happiness to thousands. The curable cases of today become the incurable of tomorrow and all afflicted people should heed the warning in time.

Extraordinary treatment. It is easy to cure chronic disorders. Most any ordinary doctor or medicine will. Complicated cases that defy ordinary treatments require extraordinary remedies to vanish them. Our treatment as compared with others differs as does the sunlight from a tallow candle. It does not take FAITH, does not take CONFIDENCE, does not take even hope to get cures. IT TAKES ONLY A TRIAL—all we ask. It cures whether the sufferer believes in it or not.

NO KNIFE OR PAIN. You will realize how easily these cures are possible when you become fully informed concerning our new methods.

Our specialists are always busy. To save time, write, call or phone for date. Phone 177.
