GO TO THE RESCUE.

Don't Wait till it's Too Late—Follow the Example of a Columbus Citizen.

Rescue the aching back. It keeps on aching, trouble comes. Backache is a kidney ache. If you neglect the kidney's warning, Look out for urinary trouble. This Columbus citizen will show you how to go to the rescue. J. F. Brewer, 309 W. Eighteenth street, Columbus, Nebr., says: "The public statement that was given in my behalf in praise of Doan's Kidney Pills in 1907 still holds good. For three or four years I was bothered by pains

in my kidneys, and after my day's work I came home feeling all worn out. There was a constant ache across my loins, and the secretions from my kidneys annoyed me by their frequency in passage. Reading about Doan's Kidney Pills, I decided to try them and procured a box at Pollock & Co.'s Drug Store. Their use brought relief from the first, and before long the trouble from my back and kidneys have disappeared. I gladly give Doan's Kidney Pills the praise they deserve." For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and take it often.
