Columbus 12 Madison 0.

Bewildering their opponents with a combination of forward passes, end runs, tackle smashes and fake formations, the Columbus high school football team won its first victory of the season at Madison last Saturday, 12 to 0. It was a disagreeable day for football, and the spongy fields, together with the drizzle, which during the last half of the game turned into a steady downpour, made good, steady gains almost an impossibility. As it was the home team played a better game on both the offense and defense than did their opponents, and the greater part of the game being played inside of Madison's 35 yard line, Madison made first down but three times and undoubtedly the mud saved her from worse defeat.

Madison seemed to lack the dash and spirit characteristic of her opponents, although Bates at quarter ran the team well. Captain Schmidt also played a good game, his kick-off being nice. There wasn't a weak spot in the home team, at least Madison could not find it. Kinsman only had to punt twice, which shows that the home goal was not in danger. One of the offense and Kaufmann on the defense played the best game, and Madison has concluded that they don't make an any better in good old Nebraska. The coach says that's true of the whole team.

York high school at Columbus. (Probably)

Communication has also been held with several of the other teams in the state, among them being Omaha, Lincoln, Hastings, Grand Island and Osceola, but so far no date given them. The locals want the Thanks-giving game on the home grounds this year, they having played away from home for the last few years. Grand Island was one of the teams invited to come here and in reply stated they would like to schedule the game for their second team. If Grand Island, or any other team thinks their first team is too good for Columbus High School, they can keep their second team at home. Don't forget the Fremont game on October 7th. It's going to be a dandy.

Y. M. C. A. Notes.

The state committee that was appointed at the conference at Omaha some time ago to organize a state federation to govern the athletics of the state of Nebraska met here last Saturday and drew up the constitution and by laws and also appointed officers for the coming year.

The meeting was a success all through and a very good federation was organized. The rules and bylaws were drawn up in a manner that makes it possible for all the schools, colleges and clubs that are not members of this organization to compete with the Y. M. C. A., which compose the organization.

The following officers were appointed: president, O. B. Anderson, Columbus; vice-president, G. L. Rathbun, Beatrice; secretary-treasurer, J. T. Maxwell, Omaha; executive committee, George Pinner, Lincoln, and Robert McLean, Hastings. The officers also are on the executive committee.

Republican County Convention.

The attendance at the republican county mass convention called for last Saturday was very small, owing to the fact that the rain kept the farmers at home, and few even of the city people turned out on account of the heavy down-pour in progress at the time of the meeting.

The convention was called to order by Chairman Laesch, and R. P. Drake of Humphrey, was chosen chairman, with E. H. Tiffany secretary. Frank Schram moved that the delegates chosen to the congressional convention be instructed to vote and do all in their power to secure the nomination of Judge A. M. Post for congress. Judge Post announced that he had been very reluctant to allow his name to be considered in connection with the nomination, but at the earnest solicitation of friends, both in Platte county and in other counties in the district, had finally decided to become a candidate. After this announcement, the motion was unanimously carried.

The convention then proceeded to select eleven delegates to Fremont, and the following were chosen: Frank Schram, Carl Kramer, R. P. Drake, Fred B. Nelson, S. T. Fleming, Frank Wardenman, Frank Gornier, Charles Todenoff, J. G. Rosler, Charles E. Davis and A. J. Mason.

Professor Gordon Braun, the republican candidate for county superintendent was then called on for a speech, and responded in a few well chosen words. At the close of his remarks, the chairman, looking carefully around the room, called for a few remarks by our candidate for clerk of the district court, Hon. C. M. Gruenther. Mr. Gruenther addressed the convention as follows: "Follow republicans," and assured them that he was glad to know that there was one man on the ticket who had reasonable assurance of election.

Before the meeting adjourned, the following resolutions were presented and unanimously adopted: We, the republicans of Platte county, in mass convention assembled, loyal to the teachings of the Grand Old Party which has, since its organization reserved and commanded the respect and admiration of the American people, since they have discovered that through it and it alone, could the nation maintain its standing at home and abroad, take special pride at this time in reaffirming our allegiance to and confidence in the republican party.

We send hearty greetings to the president of the United States, who is soon to enter our state on his second trans-continental trip as president, and bespeak for him a welcome commensurate with the exalted position he holds.

We learn with sorrow of the death of General Charles E. Manderson, who, for twelve years was a commanding figure in the senate of the United States, while representing Nebraska, and who for a portion of this time occupied the exalted position of president of that august body.

We regret exceedingly the death of our congressman, Honorable James P. Latta, who had but entered upon his second term as our representative. To his family we extend our sincere condolence and in this hour of their severe trial.

J. C. Ebnols accompanied by his brother F. G. Ebnols of Hartford, Connecticut, left Tuesday morning for Denver. They will return the last of the week and Mr. Ebnols will make an extended visit in this city before returning to his eastern home.

The young people of the Christian Endeavor of the Presbyterian church tendered a surprise to Mr. and Mrs. W. L. Chenoweth last evening at the home of W. T. Rieckley. A business meeting of the society was held at the church, after which the young people marched to the Rieckley home. In addition to having a jolly good time, the guests tendered the bride a granite shower, and many useful gifts of this were presented. Light refreshments were served and every one departed with a pleasant memory of the occasion and hearty good wishes and good will for the happy couple in whose honor the affair was held.

After an illness of about six months, Charles Frederick Curtis died at ten o'clock yesterday forenoon, at the hospital, where he had been for about the past two months. He was born in Chillicothe, Illinois, June 27, 1862, and lived in Stark county Illinois, until 1883, when he came to Columbus. On June 24, 1888, he was married to Miss Jennie Lohr, who, with one daughter, Mrs. Mamie Marsh, and two sons, Ralph Harold and Clifford, survive him, besides one brother, J. M. Curtis, of Mahtowa, Minnesota, and one sister, Mrs. A. L. Beatty, of Cedar Rapids. For more than twenty years he had been in the employ of Dussell and Son as a plumber and steam fitter, and his work had given him a wide acquaintance in numerous surrounding towns. He was a member of Porter Nest, No. 1107. Order of Owls, the members of which will attend the funeral in a body. The services being held at the Methodist church at three o'clock, and interment will be made in Columbus cemetery. Mr. Curtis had always been a hard working man, and was deservedly popular with his employers and with whomsoever he had occasion to deal, and died at peace with his fellow-man and with his God.

GOOD PAINT—True Economy

THE REAL COST of paint is the average cost of protecting and beautifying the surface. The paint that costs the least per gallon is not the cheapest. It's the paint that covers the most surface and wears longest,—and that's

Among the Columbus people who are spending the day in Omaha are Mrs. E. Rinsmith, Mr. and Mrs. J. Nichols, Mr. and Mrs. Frischholz and Mrs. Cummings.

Mr. and Mrs. Fred Sawyer and Mrs. Roberson left Tuesday for Kearney for an extended visit with Mr. and Mrs. L. Wernert. Before returning home they will visit in North Platte.

Mrs. W. J. Walter and little daughter Helen will leave Thursday for Dixon, Illinois, where they will visit relatives for two weeks. They will be accompanied by John Odenthal, of Oklahoma City, Oklahoma, a brother of Mrs. Walters.

Miss Maude Hinman spent Tuesday with Miss Margaret Willard. Miss Hinman was enroute to Omaha where she will enter the hospital preparatory to having an operation. She was accompanied by her father S. Hinman and Mrs. J. McCullough.

Albert Newman while horse back riding Monday had the misfortune to be thrown from his horse and fell in such a way as to throw his shoulder out of joint. Last week Lewis Newman was thrown from a horse which he was riding and suffered a sprained ankle. The boys are having more than their share of trouble.

Not only were the Omaha disappointed in the fact that President Taft did not arrive in the metropolis until six o'clock Sunday evening but a number of Columbus people, who had planned on welcoming him to that city came home very much disappointed. Among the number was Mrs. LaBook, who had made the trip especially to greet the President.

The patrons of the city schools tendered a reception to the teachers at the high school building last Friday evening, at the invitations of the school board. Columbus has an unusually large number of new teachers this year and the purpose of the reception was to give parents an opportunity to meet the teachers. A short program was rendered in the assembly room, after which a light luncheon was served on the second floor.

Friday evening twenty-four young people in a response to invitations issued by Misses Alice Newman and Enola Hall, gathered at the home of Miss Newman for a jolly evening. The guests of honor were Miss Ruth Raney, of South Omaha and Miss Berthe Bode, of Keokuk, Iowa. Progressive Some-Set was played during the evening, Miss Opal Snyder and Earl Westbrook caring off the favors. A dainty two course lunch was served by the hostesses.

The Seven Modern Wonders of the World

Excepting the Pyramids all of the seven ancient wonders of the world are now dust. Not any of them were ever much benefit to man. The seven modern wonders of the world if I should name them I should say the telephone, the incandescent lamp, the electric trolley car, the automobile, the flying machine, the use of concrete and the Icy Hot or Thermo Bottle.

The Icy Hot or Thermo Bottle is one of the greatest and cheapest benefits to man of the seven modern wonders of the world. Fill it with hot coffee, hot soup, or any hot drink and it remains piping hot for days. Fill it with lemonade, ice cream, or any cold drink and the contents remain cold for days. For the automobile, the huntsman, the railroad or laboring man, the baby. For the guests room, etc., it is indispensable.
