NEWS FROM ROUND ABOUT

PLATTE CENTER.

From the Signal:

George, the twelve-year-old son of J. T. Evans, is under the care of a physician. He is suffering from ivy poison.

And business changes in Platte Center are still of frequent occurrence. The first of the week Denny Dugan sold his restaurant to Bob Gentleman.

Hillary, the eight-year-old son of Mr. and Mrs. Pete Schilz, while riding horse back last Saturday, fell in such a manner as to fracure a bone in his left arm above the elbow.

Born, to Mr. and Mrs. Adolph Liebig, Saturday September 23, a son. Since the birth of the child the life of the mbther has been despaired of, but at this writing reports from her bedside are much more encouraging.

Mrs. Johanna Burke, of Columubs, and Miss Agnes Walker, of Seattle, Washington, were guests of their relatives and many friends here for a short time this week. Miss Walker is well known in this community, she having attended school here several years ago.

Charley Bacon has bought of the Union Land company the piece of land in the south-east part of town on which the beaseball diamond has been located for a number of years. A new location will have to be found if the boys play ball next season, as Bacon is busy building a house and barn on the lots.

An important business change which has been under consideration for some time was consummated last Saturday when J. F. Berney sold his implement business to Mr. Daniels, of Ainsworth. The sale includes the warehouse and other buildings in which the business is conducted. No inventory has yet been taken.

HUMPHREY.

From The Democrat:

Mrs. Jos. Fangman who spent three weeks down at Exelsior Springs, Missouri, in an effort to find relief from rheumatism., returned home last Thursday, and apparently she is considerably improved. Mrs. LeMar, who accompanied Mrs. Fangman to the springs, remained for a longer visit.

Father Kurzer and other priests of this part of the county were passengers to Columbus Wednesday where they went to attend a conference of the priests of this deanery which includes the counties of Platte, Bone, Antelope, Colfax and one or two more counties in this part of the state. A meeting of this kind is held twice a year.

Misses Rose and Odelia Alderson, who had been at Rochester, Minnesota, for the past four or five weeks, where Miss Odelia submitted to a serious surgical peration, arrived home last Thursday evening. The Democrat is pleased to report that Miss Odelia's operation was entirely successful and satisfactory, and as soon as soon as she is able to recover from the effects of her operation her health will no doubt be fully retored.

A single page in a single issue of the Century magazine taken for advertising purpose cost $500; in Harper', $400; in other prominent magazine from $350 down to $100. A yearly advertisement of one column in the Chicago Tribune cost $26,000; in the New York Tribune $29,000 for the lowest rate and $85,950 for the highest rate; in the New York Herald the cost for the lowest rates is $36,203 and $349,000 for the highest priced column. Yet one can see that these papers are always full of advertising matter, even at these enormous prices. Wont this make the man feel funny who pays $10 a year for advertising and struts about town posing as a liberal advertiser?

Mrs. Jos. Siemers, one of the old settlers of this neighborhood, died at her home in this city on Thursday morning of last week at 9 o'clock, after an illness dating back almost ten years. The deceased was born in the county Limerick, Ireland, August 15, 1842. In 1872 she came to the United states, and in 1879, at Sterling, Illinois, she was united in marriage to Jos. Siemers. Four years later, in 1883, they moved to Platte county, Nebraska and settled on the Siemers farm west of town where they continued to make their home until moving to Humphrey about ten years ago. With the exception of a daughter which died in infancy, Mr. and Mrs. Siemers had no children, but the deceased is survived by her husband and an adopted daughter. Mrs. Seimer was a devoted wife and a Chritian womanin every sense of the word. She was an active member of the Third Order of St. Francis congregation, as a member of the Christian Mothers' Society. By her kindly acts and charitable deeds, she won the admiration and friendship of all with whom she came in contact. The funeral was held Saturday morning from St. Francis church and the remains were laid to rest in the church cemetery.

From the Boone County Advance:

Hans Christensen shipped his household goods to Hubbard, Minnesota, Tuesday where he and his family will make their future home.

Mrs. M. H. Compton returned from Columbus Wednesday, where she had been to see her daughter, Maurine, who is attending school there.

A couple of boys were throwing a ball on the school ground Wednesday and an overthrown ball by one of them struck Julie Peterson on the shoulder, breaking her shoulder blade. A physician was called who set the broken bone and reports no probable serious consequences as a result of the accident.

Mrs. Augusta C. Jacbsen died at her home near Salem church Wednesday September 20, 1911, at the age of 71 years, 5 months and 1 day. The funeral services were conducted from the Salem church Friday, Rev. A. S. Becklund, pastor of the Salem church, preaching the sermon. Many beautiful floral tributes were paid the deceased by her many friends. She leaves besides a husband and seven children, four daughters, Mrs Axel Johnson and Mrs. Alice Swanson, of Newman Grove, Mrs. Albert Olson, Miss Alma Jacobson, and three sons, Frank, of Superior, David and Gustaf, of Bradish.

James Cummings is lying in a critical conditi n at St. Mary's hospital in Columbus the result of a horrible accident which befell him Wednesday. He climbed to the top of the windmill tower to oil the bearings and do some repairing. While descending the ladder came loose from the tower and he fell a distance of thirty thitf-five feet. He was picked up unconsious and an examination showed that both his legs his left arm and several bones in his right hand were broken. He recovered consiousness yesterday and was taken to Columbus today. His physicians report that while his condition is very serious he is now resting easy and they are hopeful of his recovery.

After registering for the coming school year in Lincoln last week, Walter Hager returned to Bellwood and stayed until Monday morning, his school commencing Tuesday of this week. On Friday night 22 of his young friends tendered him a surprise party, bringing with them a supply of toothsome refreshments and a lot of good cheer. The evening was spent in playing games and a very enjoyable time was had.

H. W. Nantkes was operated on last Saturday morning at the sanitarium at Lincoln, and 76 gall stones were taken from him. After the operation he rested quite easy until about 5 o'clock Monday afternoon of this week when he suddenly became very ill. Tuesday he was reported a little better. Mrs. Nantkes has been at his bedside since the operation. He has the sympathy of his many frinds in this community all of whom will be glad to welcome him home much improved in health.

MANY

Are Anxiously Awaiting Their Return

Associated Doctors Specialists

Will be in Columbus at Thurston Hotel

Tuesday, Oct. 17th

ONE DAY ONLY

These are the Doctors you no doubt have read about. While you may not know them personally, you may know them by reputation or through some of your neighbors they have treated.

The remarkable success of these talented physicians in the treatment of chronic diseases has aroused much enthusiasm in the northwest.

This is said to be and no doubt is true, one of the most able specialists organizations of its kind in this section of the country, and must be a successful one from the many good results they are getting.

The Associated Doctors, licensed by the state of Nebraska for the treatment of deformities of men, women and children, offer to all who call on them, consultation, examination, and advice free.

It is specially requsted that married ladies come with their husbands and minors with their parents.

The name, ASSOCIATED DOCTORS, is what it implies a union of specialists twelve in number that have gotten together for the treatment of chronic and nervous diseases. Not to be understood that they treat all diseases that the human body is heir to. They mean to be very careful in selecting and taking cases as they want good results, which means good returns in the way of their patients recommending them to others.

They estimate that over eighty per cent of the patients now coming to them, come from recommendations of those they have treated.

They do not treat any acute diseases whatever, ther time and attention be ing devoted to such diseases as follows:

Diseases of the stomach, intestines, liver, blood, skin, nerves, heart, spleen, kidneys or bladder, rheumatism, sciatica, diabetes, bedwetting, leg ulcers, weak lungs and those afflicted with longstanding, deep seated, chronic diseases, that have baffled the skill of the family physicians, should not fail to call.

According to their system no more operations for appendicitis, galls tones, tumors or goiter. They were among the first in America to earn the name of "Bloodless Surgeons," by doing away with knife, with blood and with all pain in the successful treatment of these dangerous diseases.

BELOW ARE THE NAMES of a few of the many patients that have many good things to say for the Associated Doctors.

Grace Munk, Dell Rapids, South Dakota catarrh and deafness.

Mrs. O. G. Anderson, Mina, South Dakota, nervous and kidney trouble.

Mrs. John H. Keiser, Yankton, South Dakota, nearly dead with heart and kidney trouble producing dropsy, was given only week to live in, short time under their treatment was doing some of her housework.

John Gerlach, Agar, South Dakota, cold sore on lip.

Bert Clark, Shelby, South Dakota so pleased with Associated Doctors' treatment, brought his father in for treatment.

Many others that space will not permit.

Delhi and Its History.

Shah Jehan in 1631 built the present city of Delhi, close to the old Delhi, and made it the royal residence. The Mohammedans still call it Shahjehanabad, the "city of the king of the world." Nadir Shah, the Persian usurper, captured it in 1739, massacred thousands of the inhabitants and bore away plunder to the value of nearly $100,000,000, including the famous peacock throne and the great Kohinoor diamond. The British first came into control in 1803, when the Mahrattas were defeated near Delhi by Lord Lake. When the sepoy mutiny broke out in 1857 Shah Mohammed Bahadour, then ninety years old, took command of the city and until the English again triumphed enjoyed the imperial state to which he had long been a stranger.

LAME EVERY MORNING

A Bad Back is Always Worse in the Morning. Columbus People Finding Relief.

A back that aches all day and causes discomfort at night is usually worse in the morning. Makes you feel as if you hadn't slept at all.

Can't cure a bad back until you cure the kidneys. Doan's Kidney Pills are especially prepared for sick or weakened kidneys—have cured thousands of just such troubles.

Testimony of Columbus people proves the merit of Doan's.

C. A. Beardsley, 1710 Olive Street, Columbus, Nebraska, says: "For several years my back was weak and painful and in the morning when I first got up there was stiffness and lameness across my loins. Work that obliged me to stoop, caused pains in my back. The kidney secretions passed too frequently and were attended by a burning sensation. I doctored, but did not get any lasting relief. Four or five years ago, I learned of Doan's Kidney Pills and began their use. They gave me prompt relief and whenever I have taken them since, the results have been the best."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.
