will outlast fence made from cheap, soft wire, twice over, and the famous Peerless circular tie makes Peerless, the strongest fence known. Make your dealer furnish you Peerless. He can get it for you.

WORK SHOES

WHETHER you work up in the air or on the ground you want your shoes fitted perfectly. Because the work is rough and the worker is strong is no reason why the question of fit is not just as important as in the case of a dress shoe—they should fit as snugly, as a big shoe is just as much an evil as one not big enough. Our motto is to fit just right. Try us once and we will make a customer of you.

Possibly We Haven't a Perfect Shop But We Have Perfect Clothes

There needn't be the slightest thought given to the quality of a suit or overcoat that you purchase from us. Every garment we sell is perfect. Perfect in style, in quality, in tailoring. The fabrics you'll find here were selected with great care as were also the models. You would have to be extremely hard to please if you could not choose from our stock, but even though you're very fussy, we want you to come and let us show you that showing goods is not the slightest trouble.

Ransack the whole shop if you want to. Try on every coat we have in your size. Don't purchase unless you are thoroughly satisfied. That's the way we do business. Time and time again we have been convinced it is the only way.

When a man spends his money he has a perfect right to obtain just what he wants. We are with you at every turn of the road. Try us and see. Possibly you are not familiar with our "BRANDEGEE, KINCAID & CO. CLOTHES" They are typical of our manner of doing business. Why not call and see them?
