

The Best Fence Is the Cheapest to Use.

Horizontal wires alone will not turn stock. **Page Fences** have sixteen cross wires woven into every rod in length. That is close enough so that the animals cannot press the lateral wires apart but very little.

IT DOES NOT INJURE PAGE FENCE to take it down and put it up again; that is what it was made for. Even after years of constant use if you loosen one end of **Page Fence** you will find that the coil spring is all there yet. This would not be so if we used common or ordinary wire. Send for Catalogs.
