The Affairs of Europe

are faithfully portrayed in the original and exclusive cable dispatches which THE CHICAGO RECORD prints daily from the leading capitals of the old world. This magnificent special service is in process of being greatly extended so as to include every important city in Europe; and it is supplemented by the full regular cable service of The Associated Press.

The Chicago Record, alone of all American newspapers outside New York city, now prints original and exclusive cable dispatches daily from the leading capitals of Europe.

ROBINSON'S GENEALOGICAL BUREAU.

The prevailing sentiment of the present times pertaining to Genealogy, is a happy augury of revival of dormant patriotism and appreciation of the sacrifices and services of our ancestors in the Revolutionary and succeeding wars.

The condition of membership with the numerous patriotic societies requires more research and time than most persons possess. To all such, and others, desirous of forming a Family Tree, the services of a Genealogist becomes at once not only convenient but indispensable. To this end the undersigned, a son of a Revolutionary officer, and member of California Society Sons of American Revolution, having had much experience, and access to a great variety of Biographical and Genealogical literature, offers his services as Genealogist. If persons having records, relics, and information upon these subjects will consult me, it will be appreciated and promptly acknowledged. Correspondence solicited. Terms reasonable.

Very respectfully,

JOHN R. ROBINSON,

Room 195, Crocker Bld'g. SAN FRANCISCO.
Agent for "SPIRIT OF '76."

"The Perfect" Sprayer.

Will spray the orchard as well as the potato patch.

Is the Best, the Most Effective, the Lightest, the Simplest, the Cheapest Machine on the Market.

Uses the least poison! Uses the least water! Never injures the plants! One pint equal to ten gallons! Works equally well with dry powder.

No Farmer, Gardener, Florist, Fruit Grower, or Poultryman can afford to be without this machine for one hundred times its cost.

For expelling and destroying potato bugs, cabbage, currant, tomato, tobacco and cotton worms, plum cureulios, codling moth and canker worms, raspberry, strawberry, pear and rose slugs, striped flea beetle, cucumber and melon beetle, cattle, horse, hog and hen lice, clothes moth, dog fleas. It will also prevent mildew on grapes, plums, apples, peaches, cherries, berries, cotton, and all kinds of fruit and vegetables, when the proper remedies are applied with this machine.

The saving of material with this machine over any other will quickly pay for it many times.

A pound of poison in the pocket, a bucket of water in the hand, and a Perfect Sprayer, the farmer can go out and kill the bugs on a whole field of potatoes or other crops in one-tenth the time consumed in the old way.
