

DIRECT FROM DISTILLER TO CONSUMER

**Saving Middlemen's Profits,
Preventing Possibility of Adulteration.**

We are distillers with a wide reputation of 30 years' standing. We sell to consumers direct, so that our whiskey may be pure when it reaches you. It is almost impossible to get pure whiskey from dealers. We have tens of thousands of customers who never buy elsewhere. We want more of them and we make this offer to get them:

We will send four full quart bottles of Hayner's Seven Year Old Double Copper Distilled Rye for \$3.20, Express Prepaid. We ship in plain packages—no marks to indicate contents. When you get it and test it, if it isn't satisfactory return it at our expense and we will return your \$3.20. Such whiskey cannot be purchased elsewhere for less than \$5.00.

We are the only distillers selling to consumers direct. Others who claim to be are only dealers. Our whiskey has our reputation behind it.
