

The Largest

ENDOWMENT EVER PAID.

Fifteen years ago Mr. George Gooderham, of Toronto, took out 15-year Endowment Policy No. 289,421 for \$100,000, in the Equitable Life Assurance Society, paying an annual premium of \$8,382. Now his policy has matured and shows the following results:

1. Cash, - - - \$150,847
2. Paid-up Assurance, 210,000
3. Annuity for Life, - 20,320

At the **same** time Mr. Gooderham took out a policy of the same kind for the **same** amount and with the **same** premium, in another company; the cash return on which was **\$15,000 less** than on the Equitable policy.

Here is what Mr. Gooderham says of his results :

"I have always been a strong advocate of Endowment Insurance, and about" "the time I took your policy for \$100,000 I placed \$400,000 of Endowment" "policies on my life in eight different companies. Of this amount \$310,000" "has already matured. I have lived to see the result and to know what it" "means. These results realized by the Equitable are **larger and more satis-**" "**factory** than any result ever realized by me on any of my policies which" "have matured to date. I may say that they are quite satisfactory, **and**" "that no company has ever done so well for me."
