Special Attention Given to Ladies and Children Traveling Alone.

The Conductors are all men of experience in excursion travel, and will see that the comfort of all patrons is carefully attended to.

One of the Most Attractive Features of these Excursions is the Economy.

The New Pullman Ordinary Sleeping Cars assigned to this service were built expressly to accommodate the excursionists to California and Oregon.

All are Lighted with the famous Pintsch Light, are well ventilated, have separate lavatories for ladies and gentlemen, and all cars are carpeted and upholstered, with moveable partitions separating the sections, thus insuring all the utmost privacy.

No Smoking is Allowed in the excursion cars, there being A Smoking Car provided for that purpose on the train.

They are well cared for by the Conductors who accompany each of these excursions to California and Oregon, and passengers can depend upon receiving the most courteous treatment.

There is a difference between the first and second-class passage in railroad and sleeping car fares of nearly \$25 per passenger. This sum can be saved by patronizing the Union Pacific Personally Conducted Excursions.
