Sleeplessness

is a terrible affliction. The most common cause of it is some form of indigestion. Ripans Tabules positively cure indigestion. They do not act like opiates, producing an unnatural, immediate effect, but gradually exert an influence over the nervous system, which results in ready sleep, sound and refreshing.

"I am glad to give my testimonial in regard to the great worth of Ripans Tabules," writes a middle-aged lady, living in Philadelphia, Pa. "I slowly recovered from a severe illness and was getting along very well, only I could not sleep, which kept me from gaining strength. A friend advised me to take Ripans Tabules which acted like a charm, giving me refreshing slumber and also renewing my strength. I was also troubled with dyspepsia, and found to my great surprise that as my strength returned I was cured of this disease also."
