THREE CENTS

MEDICS EASY VICTIMS.

Lincoln Doctors Easily Defeated in a Thirty Minute Contest Pillsbury Again in the Game.

There was a game yesterday afternoon on Nebraska field. The Lincoln Medics with their grips and scalpels trotted onto the gridiron about 4 o'clock. Thirty minutes later they disappeared through the gate, beaten by a score of 18 to 0. Nebraska had scored three times, Stringer kicking as many goals. Quite a smattering of students decorated the south and west bleachers. Cheering was rife and the Varsity yell was actually given several times.

The Medics put up a keen article of football and deserve mention. Their line was heavy and speedy. At one time they punched through the Varsity for gain after gain over thirty-five yards. Then the Varsity braced and got the ball. A touch-down followed a moment later. The Doctors were utterly unable to defend their goal. The way Nebraska interference linked around the ends was wonderful. The Medics on the other hand could not gain a yard on end plays. Shedd or Cortelyou stopped end plays before they formed. Another noticeable thing was the way Nebraska's ends got down the field on punts. They downed the catcher as soon as the ball was in his hands. George Shedd limbered out at full tonight and the students were joyful. He is in old form and plays both individual and mass football. In bucking the line Nebraska has never had his superior. In interference he is always there. Pillsbury is out, too. Minnesota will have to face her hoodoo. "Pill" donned the moleskins yesterday. He plays as fine as ever. He punts long and hard. "Pill" never was much on the kick before and his punting abilities came as a joyful surprise to the rooters.

Considerable time was devoted to "Baby" Hickie of Ashland. He is being worked up for a sub center. He weighs considerable over the two hundred notch and is light on his feet for his avordupois. Tobin was given a trial on the Varsity at guard. He put up a steady, heady play. Kingsbury played full in his usual good form, alternating with Shedd. Ryan was not out in uniform owing to his shoulder. Bell did not appear on the field.

Nebraska is becoming more confident of a star team as every day goes by. If Coach Williams' husky northerners win from Coach Booth's boys it will be because they play phenomenal ball twice better than the season past.

Here are some of the men who will go to Minnesota wearing the scarlet and cream: Koehler, Captain Westover, Shedd, George Shedd, Drain, Ryan, Stringer, Ringer, Brew, Cortelyou, Crandall, Eager, Bender, Mulligan, Kingsbury, Pillsbury, Maloney, Bell, Johnson and Hickie.

Doane College plays against the Varsity Saturday. There will be a rooters' section reserved. Every man should get some kind of a megaphone and prepare for events. Tonight on

Nebraska field the rooting club roots again. Come out and be somebody. Help the University beat Minnesota.

Football Rally

This Afternoon at 4:30

ON THE

UNIVERSITY CAMPUS.

Come and Bring a Megaphone.

that has yet been assembled, turned out to the meeting yesterday. The west section of seats was filled with girls and the large hall presented something of its old time appearance. The principal feature of the business was the election of a president. Mr. McNown and Mr. Weeks were the candidates. The meeting was called to order by Vice President Weeks, but President Chambers arrived later and took the chair.

A motion for an informal ballot on president was voted down. Then Mr. Buckner nominated McNown and L. M. Huntington placed before the class the name of C. R. Weeks. The ballot resulted, McNown, 120; Weeks, 17.

I. C. Baldwin was the only candidate for vice president, and was elected unanimously.

Miss Elizabeth Jeter was elected unanimously for secretary. Several candidates were put up for class treasurer. Miss Edholm was elected. For sergeant-at-arms, C. R. Weeks was elected unanimously, he being the retiring vice president.

The new president has not yet announced any appointments. The Sophomore hop committee will be the first, and is quite important, as this is one of the most popular dancing parties of the year.

Social work.....	40 00
Office and incidental expenses.....	25 00
City missions.....	13 00
Toronto conference.....	15 00
Outstanding obligations.....	150 00
Total.....	\$816 00

It might be stated that there is on hand in cash and pledges a sum amounting to about one hundred and twenty dollars which will partly defray the small obligations of the association.

The members of the cabinet are very enthusiastic in regard to the prospect for this year's work and great expectations are expressed for the near future. Mr. Hubble lends considerable force and energy to the work and his strength in association work is now being shown.

There will be a special effort made this year for the general improvement of the rooms and it is hoped to make them the most popular and pleasant gathering places on the campus.

Rumors are afloat in regard to some unique social feature being planned to occur some time about the holidays that will be a credit to the University.

COMMANDANT EAGER TO WED.

Commandant F. D. Eager leaves today for Western, Neb., where he will be married Friday morning to Miss Bertha Donzella Sawyer. After the ceremony the bridal pair will leave for an extended trip through the south and east. They will go first to New Orleans and from there will take a boat to Cuba. After visiting points of interest on the island they will sail for New York and return home by way of Buffalo and Washington. The entire trip will occupy about a month.

The bride is a young lady of rare accomplishments and popularity. She is a graduate of Doane College.

During Commandant Eager's absence the cadet battalion will be in charge of Captain Wilson of Lincoln.

THE LAW SCHOOL.

Registration in the law school numbers about the same this year as it did this time last year. If anything, there is a slight increase in the enrollment. Last night there were 119 on the roll.

Owing to the increase in the requirements for entrance to advanced standing, the number entering the senior class is somewhat reduced this year. Those who have studied in law offices are required to present certificates from the firm under whom they studied showing what work was done in the office and in addition take the junior examinations. This has had the effect of reducing the number of applicants for advanced standing from twenty to three. One of the three who took the examination failed to qualify and was not allowed to enter as a senior.

Another effect of this rule has been to even up the two classes. Last year the senior class was almost one-third larger than the junior class. This goes to show that a large number do not take the junior work in college, but enter the last year in order to be admitted to the bar by means of their certificate. This year the two classes are about evenly divided. This the authorities say is as it should be and shows a more healthful state of affairs than existed formerly.

The college has taken a very decided stand this year against correspondent and night schools. Neither of these classes are recognized although a large number of certificates from them are presented every year.

Under normal conditions it is thought that registration would be much larger this year than ever before.

TELEGRAPHIC REPORTS FROM MINNESOTA.

The Daily Nebraskan has arranged for special telegraphic reports from the big game at Minneapolis a week from Saturday. Bulletins will be sent direct from the gridiron every few minutes during the play. They will be announced from some convenient place on the campus and posted on a bulletin board.
