THREE CENTS

## INTEREST INCREASING.

Hundreds of People Expected to take Advantage of the Low Rate to Minnesota Yesterday's Practice.

Almost unbounded enthusiasm prevails in the University and city circles over the coming game with Minnesota. The low rate which has been made insures an enormous crowd from Lincoln. Business men are almost as anxious concerning the trip as students. It was reported a short time ago that some of the business houses were in a quandary as to how to secure men to keep their stores open on the Saturday of the excursion. The executive office force have been busy answering calls for information.

The interest has spread even outside of Lincoln. At Seward the people are trying to arrange for a special car. At other points in the state the interest in the excursion is evidently great. It is probable that large crowds will come in to join the party from nearly all important points near Lincoln.

Already more than the 200 required to secure the five-dollar rate have announced their intention of going. Phi Delta Theta has spoken for a Pullman sleeper which will accommodate 60 persons. Kappa Kappa Gamma has also reserved a car. In addition to this the engineering society fifty strong are going up Thursday to inspect the electric light plants of the twin cities. One list in the executive office contains the names of over forty who have promised to go.

Students are urged to leave their names with some one of the solicitors if they intend to go.

## TEAM WORK YESTERDAY.

The usual team work was gone through with. Interference was fine. Quite a crowd was on the side lines, but Leader Teach did not urge the yelling. Ryan was on the field in togs again. Johnson was out. Ringer will not be able to play in the Minnesota game on account of his injured knee. Brew, when interviewed by a Daily reporter, said, "I feel confident Nebraska will do herself proud next week at Minnesota. We should have a better, more experienced team than last year and I believe we have. The men are coming down in fine shape. Minnesota can hardly be a stiffer team than Kirksville. They were a collection of professionals and will average about Minnesota's weight."

Tonight the Varsity will only go a few minutes against the scrubs owing to the game tomorrow against Doane.

The scrubs scored against Varsity by a long run and a mistake. It was the first time in two years that scrubs have scored.

The Kansas City Star has this to say about the recent addition to the Nebraska team:

"The back field of the Nebraska football eleven was strengthened fully a third when George Shedd, an old star for Nebraska at full back, strode onto the campus clad in a suit. Shedd

played half back in '95 and '96 and full in '97, when he was captain. This year he returned to school to complete his course and also take law. He had first decided to cut out football, but he resisted in the coaching several days last week merely through interest and again caught the fever. All things considered, Shedd is the most powerful man that ever played on a Nebraska eleven in the back field. His weight, 200 pounds, and his speed give him almost catapultic force when he hits the opposing line. He is equally strong on defense and is a capable punter. Coach Booth plans to put Shedd in against the Gophers at Minneapolis a week from next Saturday. The accession of Shedd will result in the transfer of Kingsbury to half back, where he should put up a strong game. Kingsbury's weight is over 170 pounds. He will alternate at half, possibly, with Bender and Crandall.

## AT WISCONSIN.

The team is preparing for a hard game with Beloit. The following is taken from the Chicago Inter-Ocean:

Secret practice was instituted at Camp Randall this afternoon. Such

a thing at this stage of the season is unheard of at Wisconsin. The general opinion is that Coach King remembers the hard game Beloit put up last year and is bound to be prepared for it this season. This seems unnecessary, however, as the Badgers are fully ten days ahead of their last year's form. The scrimmage was hard and fast. Not once was the Varsity held for downs, while the scrubs were unable to make their gains for any length of time.

Driver was in the game for the first time this evening. He has decided to resign from his state job and will register tomorrow. This will give the Badgers the star trio of backs they had last year. Guard and quarter alone remain to be filled now and material for both seems plentiful. For the vacant guard position Crane, Deering, Holstein and Tenner are all putting up strong games, with the chances slightly in favor of Holstein.

Hyde Park has been secured for Saturday's game and the Varsity expect a speedy contest. Before the game a kicking contest will be held for a prize cup worth \$100, donated by Attorney Thomas Gill of Milwaukee. Among the likely winners are Driver, Schreiber, Abbott and Abercombe.

## DELTA DELTA DELTA PARTY.

The young ladies of Delta Delta Delta entertained their friends last night at the home of Miss Edna Gund, 347 So. 27th st. The house was elaborately decorated and prepared for the occasion. One of the most amusing features of the evening's entertainment was a moot auction. Dancing and cards also formed a part of the evening's pleasure. A chafing dish was

put to good service in furnishing refreshments. The party was chaperoned by Mr. and Mrs. Ode Rector, Mr. and Mrs. James Manahan and Mr. and Mrs. Gund. The invited guests were: Messrs. Petersen, Barnes, Huntington, McKillup, Farnsworth, Leon Crandall, Martin, Pollard, Rainey, Hansen, Huse, Farney, Williams, J. H. ## DOANE COLLEGE TOMORROW.

The game with Doane College which comes off tomorrow afternoon promises to be an interesting and exciting contest. Doane has probably the best team in the state outside of the University. It will be the first real contest held this year on the home grounds. Students should turn out well and do a little practical work at rooting before the big game a week from tomorrow. A special admission price of 25 cents has been made which ought to insure a large crowd.

## TENNIS ASSOCIATION.

The courts west of the library are now in good condition, and until the end of the season will be thrown open to all the students. The present membership is not large enough to keep them busy. Marking tools and lime may be found handy for anyone to use.

At present there is a surplus of cash in the hands of the manager which will be left over, no doubt, for next season's expenses. Some sixty odd dollars was taken in during the past season for membership and by the tennis meets in the spring.

Some correspondence has passed between Kansas and Nebraska in regard to the meet this fall. This has to be pulled off on account of previous contract. Farnsworth and either Sanger or Raymond will go to Kansas some time before the season is too late. At present Manager Farnsworth is waiting to hear from there.

Kappa Sigma Initiated Messrs. Charles Weeks, Harry Roberts, John Stevens, Sidney Roth and Harold Roth Wednesday evening. An informal banquet at Cameron's followed.
