THREE CENTS

OFF FOR MINNEAPOLIS.

One Thousand Excursionists Leave for the Big Game—Football Team Given an Ovation.

The Nebraska football team left yesterday afternoon at 1:45 for Minneapolis full of determination to do everything that can be done to wrest victory from the Gophers Saturday afternoon. They were accompanied to the train by a large number of rooters who gave them a good old-fashioned send-off. The party, including Coach Booth, Assistant Coach Melford and Trainer Best, was made up of about twenty men. They will reach Minneapolis tomorrow morning about 8 o'clock.

One thousand people were started on their way to the big game yesterday afternoon. Two long trains were required to haul them. The indications are that as many more will go today.

It was the intention to run but one special train yesterday. It was thought that it would accommodate all who cared to pay the extra rate of four dollars for the privilege of staying in Minneapolis a day longer than the three dollar rate allows. The error of this supposition was plainly to be seen long before the first section pulled out at 5:30. The Northwestern officials at once made arrangements for a second train to leave at 6:30.

It is estimated that 700 people were on the first section and close to 300 on the second. It was supposed that this would be the smaller part of the crowd. The indications are that as many more people will leave today. The city has been full of strangers all day. They have come in to take advantage of the rate. From the time the Northwestern office was opened yesterday morning until it closed last night it was crowded with a throng of people waiting to buy tickets. The clerks in the office were so busy that they absolutely refused to answer telephone calls.

The train tonight will leave at 6:30 and will get into Minneapolis by breakfast time Saturday morning. The return train will leave Minneapolis at 7 a. m. Sunday, arriving in Lincoln early in the evening. The three dollar rate does not give sleeper privileges. If a sleeper is desired the four dollar rate must be paid.

It is expected that the train this evening will be run in two sections. Every care is being taken by the officials to provide for the comfort of the passengers.

FOOTBALL MASS MEETING.

One of the most enthusiastic mass meetings ever held at the University was conducted yesterday forenoon in the chapel. The room was well filled and everyone present gave evidence of a determination to do all that can be done by rooting to win a victory tomorrow.

Chancellor Andrews opened the meeting with some well timed advice and admonitions. He said he expected the team to win the game. He said he had a strong pair of lungs and

would use them to their full capacity to help the team to victory. While he was deeply interested in the team he declared he was more interested in maintaining the good name of the University. He urged everyone to see that the good name of the University did not become a worse name. The welfare of the University, he said, was more in the keeping of the students than of the faculty or regents. He admonished all to be especially careful on the way so that if the team comes back on the shield instead of bearing it the University will have won a victory by its demeanor.

The Chancellor said that it was not in accordance with his ethical code to travel on Sunday and he was not sure whether this return trip was justifiable or not. He urged everyone to see that the decorum of the day was observed.

Professor Wyer explained that as the Rock Island had thrown up the contract with the athletic board, the Northwestern was the official road. On behalf of the team he urged that rooters see that they do not disturb the plays of the Minnesota team by rooting while the play was going on. He designated such action as ungentle-

manly. The team also asked that all good plays by either side be applauded.

Professor Caldwell said, "Let us go, have a good time, win the victory and come back with the scalps of the Gophers at our belts." He also urged that conduct fitting to the day be the rule on the return trip Sunday.

After the addresses Head Rooter Teach was called forward and fifteen minutes of rooting and singing were put in.

Altogether the meeting shows that Nebraska will not take a back seat this year when it comes to rooting. Printed slips have been prepared containing the official song and will be used today and tomorrow.

COLTON TO STUDENTS.

International Secretary of the Y. M. C. A. to Speak Sunday—One of the Best Meetings of the year.

E. T. Colton, international college secretary of the Y. M. C. A., will address the association and the students of the University in the old chapel next Sunday afternoon at 4 o'clock. The service and address will mark the inauguration of the Mission and Bible study classes.

The association considers itself extremely fortunate in securing the presence of Mr. Colton. He is probably one of the best known workers in the Mission department in the association. The meeting Sunday will be a missionary service. Mr. Colton visited the University last spring and every one who heard him then is enthusiastic over his work.

Mr. Colton is an orator of remarkable ability. He is thoroughly at home on the subject of missions and the association feels that in him they can present a man whom every young man in the University should hear.

He is a graduate of the University of South Dakota and secured the prize in the oratorical contest the year he graduated. After his graduation he entered association work and has risen steadily until he is now said to be one of the strongest men in his department in the country.

The association has been trying for some time to secure him and it is only through the fact that he is on his way to Evanston from Denver that he was induced to stop at this time.

NEBRASKA'S PROTEST DISHONORED.

The latest news from Minneapolis indicates that Minnesota will play Rogers, the ex-captain and end of the Carlisle Indian team, despite the protest of Nebraska. Nebraska protested on the ground that a year had not intervened since he played on the Indian team, hence he is ineligible to play on the team of any other college. Minnesota claims that Carlisle is only a preparatory school and the fact that he played on that team does not disqualify him from playing on a college eleven. They say that Rogers' playing will not violate any rule of the big nine.

Every possible means will be taken to prevent Rogers' playing, but it looks now as though the protest would avail nothing without a fight.

The Minnesota team will go to Lake Minnetonka this morning to remain until Saturday.

THE GRADUATE CLUB.

The officers of the graduate club will entertain the members at the home of Judge Tibbets, 658 So. 17th st., Saturday evening, Oct. 19. Program, 8 o'clock.

A reception was tendered last night by Miss Adeloyd Whiting to the members of Kappa Kappa Gamma and Phi Gamma Delta, in honor of Mr. and Mrs. Lester C. Mudge. The house was beautifully decorated with the colors of the two fraternities and palms. Mr. and Mrs. Mudge are members of the respective fraternities. They left last night for their new home at Alliance.

The young ladies of Kappa Kappa Gamma will occupy a special Pullman sleeper on the excursion train to Minneapolis. They will be joined here in Lincoln by Misses Daisy Houck of Grand Island and Ethel Collins of Wahoo, alumnae members.

J. R. Green was called home by the death of his brother. Mr. Green lives at DeWitt.
